101 Simple Ways to Show Your Husband You Love Him Kathi Lipp, 2016-02-01 As women, we have no idea the power God has given us to encourage or discourage our husbands. We can change the way they walk through the world.—Kathi Lipp Speaker and author Kathi Lipp offers a wealth of creative ideas for how to love and encourage your husband to be the man God has called him to be. With each short, doable plan, you'll not only bless your husband—you'll bless the relationship God created when He brought the two of you together. Here are just a few of the fun ideas Kathi (along with some of her most encouraging friends) suggests to show love to your man: Brag on him on social media. Study up on his favorite team and then watch a game with him. Clean out his car and leave a snack for his ride to work (and not the leftover french fries you found between the seats). *101 Ways to Show Your Husband You Love Him* will inspire you to nurture the man you love and foster a lasting, loving, and really fun relationship.

**Little Ways To Say I Love You** Marjabelle Young Stewart, 1992-01-15 How many times has your day been enhanced by one small, unnecessary gesture? A romantic-

and unexpected-note from a lover or spouse. A single flower from a long-out-of-touch sister. A funny cartoon or a basket of just-picked summer fruits sent for no reason but to brighten your day. Such things aren't earth-shattering, but the pleasure we get from them as either receiver of giver, often far outweighs the size of the gesture itself. *Little Ways to Say I Love You* is a compendium of suggestions and ideas-from the sweet to the sexy, the simple to the sublimely fantastic-to help you show love to all the people in your life: husbands and wives, lovers and friends, moms, dads, and even kids. It's filled with imaginative ways to rekindle a romance, get back in touch with your kids and family, and stay close to those friends who were so hard to find.

*Love Notes on His Pillow* Linda Gilden, 2006 You know you love your husband. But do you know whether your husband feels loved? Most husbands and wives want to increase their marital satisfaction, and one great way for a woman to do this is to make sure that her husband experiences her love in a hundred different ways. *Love Notes on His Pillow* offers you creative ideas for saying I love you to your husband, along with simple ways to remind him often of your love and to express your delight in your marriage. Suggestions for notes and other items that can be left on his pillow top the list. But this book isn't only about written love notes. A love note is any outward expression of love that brings encouragement, joy, or pleasure to the recipient. This book will bring encouragement through real life examples of other couples who have practiced love notes in their marriages.

*All Because of a Love Note* Natalie June

Reilly, 2021-12-25 Two words saved my life, two simple, but mighty words-THANK YOU! The most compelling chapter of my story began with a Love Note, one simple handwritten gesture of love, hope and gratitude. My purpose was handed to me in the shape of an envelope, a simple, paper container with a sealable flap that holds a little bit of hope for our everyday heroes. As it turned out, a life of stationary was my destiny, not a stationary life. And it all began on the heels of a broken heart. For the better part of my life, I dreamed of and even prayed for an epic love story, and this is a love story on so many levels. I just never expected it to come at such a great toll. But then again, if you look back through the course of history, the greatest love stories always do. Natalie June Reilly is a writer and the founder of the Nothing but Love Notes movement that has inspired a generation of gratitude in the form of a handwritten Love Note. She is happily living out her days, having landed the beach, the boy and now the book. None of which would have happened, if not for God's grace, a mother's love and, of course, a Love Note.
