My Heartfelt Love Poems Shanae Jones,2014-12-30 In my way of my heart, I thought that this would be the time to show the way I love poetry so much, so I decided to write an all-poetry book with love sonnets. This book expresses my love that I have inside of me. The love that I want to give and have. Some are dark, inspiring, funny, and memorable. I speak in the words that my heart felt and that my mind could express. Some poems are even fictional but all from my heart. So please let this book touch your heart, like my heart felt when she poured out.

Beauty and Her Beast is a book of poems about love and romance, passion and longing, loss and heartbreak. Understanding that all these things... are in the name of love. Between Your Ribs: Love Poems Amany Al-Hallaq,2011-10-31 I love you, darling. The word love, try to replace it . . . eventually you will discover love remains the same . . . It cannot be replaced with any word in our worlds dictionaries. It is a word with a wonderful mixture of all beautiful meanings. It plays the sweetest melodies, rhythms, and the underbelly of their range. Somewhere between stormy passion and haunting despair lies a powerful feeling like no other. Love is a complicated emotion, one that all of us struggle to understand at one time or another. In her first compilation of poetry in English, Palestinian poet Amany Al-Hallaq shares moving, lyrical verse that reveals all the passionate emotions that accompany falling in love. With an honest, relatable style, Al-Hallaq relies on vivid imagery as she takes an unforgettable journey through love, comparing the powerful emotion to a sweet mango, with its seductive taste, smooth skin, and magnificent fragrance. Al-Hallaqs poetry eloquently speaks of love through deviant lust, a luminous smile, and a gentle whisper while positing that through every challenge, true love stands strong and able to withstand any stormimproving that no matter what, it really is sweeter than a mango.

90 Love Poems JMK,2010-07-19 Love is the same as friendship; it's based on loyalty, trust, respect and love for each. Most people say they are in love but do they actually know the meaning of love? What love is or what the word love means? Have they perhaps sat down and examine the difference between a true love from the heart and lust?

The Language of the Heart Edd George Ergo Espinosa,2009-04 THE LANGUAGE OF THE HEART: Love Poems and Passions The feeling of love respects no boundary of expression in a heart-to-heart intimacy between two souls. Love is love no matter how long or short its sojourn in the life of a person, no matter how deep or shallow its degree, or no matter how wide or narrow the space it occupies in one's heart. Truly, love is love no matter how it is expressed in different passions: sharing, caring, giving, receiving, laughing, hurting, leaving, pleading, crying, forgiving, or even losing and getting it back again and again. Love never changes its effects and color - the happiness and contentment in the heart and soul of its beholder. THE LANGUAGE OF THE HEART: Love Poems and Passions is a genuine expression of the feelings that have occurred or are presently occurring in the author's heart. Who can argue those feelings? Surely nobody can, except the creator himself of those beautiful and soul-guided verses which originated directly from the center of his heart. Many of the poems included in the book have been published in various magazines and school papers, as well as cited a number of times The Editor's Choice Award of the International Library of Poetry. The book exemplifies the unique and vicarious expression of the author's artistic interest and unique passion in poetic artistry. The poems are rich in interweaving figures of speech and in the use of descriptive words and phrases that turn abstract insights and emotions into concrete thoughts and feelings. GEORGE ERGO ESPINOSA, EdD

Don't Count Me Out! Elliott Nonas, 2004 Elliott Nonas will be 90 on January 21, '05. Born in Brooklyn, he wrote his first poem at 16: 'He Was Young and He Died' about a friend who was killed sleigh-riding down Snake Hill in Highland Park. Drafted in '41, he spent 5 years in the armed services, rising from Infantry machine gun private to Air Force captain. What best characterizes him is his stunning immediacy and vibrancy as a person and a writing style that expresses him absolutely. When you read Elliott, you get the sum total of 90 years of lived experience through his eyes. Elliott's eyes are very sharp. His poems have pungency, humor and sensuality. He is funny, street-smart, and unbowed. Working out at the gym four days a week may be a factor. These are the poems of an unforgettable New York character, tough, resilient and full of life. Don't expect sentimentality or capitulation to a twilight life here. Elliott in person is, like his poetry, one-of-a-kind: resolutely affirmative, witty, robust, looking for the next adventure (always with a good-looking female). A bard of New York, but far from the ivory tower, accessible and eloquent, he's a one-man guide to staying with it, to extracting the last ounce of joy from life. He's done it, he's still doing it. Get ready for the ride. --David Evanier, Author, Roman Candle: The Life of Bobby Darin
