Don't Unplug Chris Dancy,2018-09-18 Chris Dancy, the world's most connected person, inspires readers with practical advice to live a happier and healthier life using technology In 2002, Chris Dancy was overweight, unemployed, and addicted to technology. He chain-smoked cigarettes, popped pills, and was angry and depressed. But when he discovered that his mother kept a record of almost every detail of his childhood, an idea began to form. Could knowing the status of every aspect of his body and how his lifestyle affected his health help him learn to take care of himself? By harnessing the story of his life, could he learn to harness his own bad habits? With a little tech know-how combined with a healthy dose of reality, every app, sensor, and data point in Dancy's life was turned upside down and examined. Now he's sharing what he knows. That knowledge includes the fact that changing the color of his credit card helps him to use it less often, and that nostalgia is a trigger for gratitude for him. A modern-day story of rebirth and redemption, Chris' wisdom and insight will show readers how to improve their lives by paying attention to the relationship between how we move, what we eat, who we spend time with, and how it all makes us feel. But Chris has done all the hard work: Don't Unplug shows us how we too can transform our lives.

The Naked Truth about Hedonism II Chris Santilli,Scarlett, Oh! Publishing,2010-07 What Happens in Jamaica, Stays in Jamaica? Except in this tell-all, cheeky guide to the world's naughtiest resort, Hedonism II. Everyone returns from Hedonism II with at least one good story no one at home believes. Is Hedonism II a retirement home for worn-out swingers? Is it a testosterone tour-de-force with too few eligible single women to clamor over? Is it a cult that sucks away all your vacation time? Well, the last one might be true. Learn why Hedonism II has a 90% repeat guest rate--even though the facilities are tired, the food is mediocre, and the beach sand hurts your feet--if you are still standing after a week. The Hedo myths: Only young singles go to Hedonism II. People walk around naked everywhere. Open sex is rampant. Someone will try to steal your wife. Every myth has its truth...but Hedonism II is 50% couples--and most guests are over 30, full nudity is only allowed on one beach, the hotel does not condone public sex (but it happens), and your wife--well, that's her choice. But at Hedo you will see what you've never seen before. And you might do it too. Here are the truths and tips that will make your vacation to Hedonism II the most fun trip you'll ever take--again and again. FYI: The resort Hedonism II did not authorize this book; the book includes the good, bad, and the ugly. Although the resort's owners tried to stop distribution of the 1st ed. of the book in federal court in 1998, the author enjoys Hedonism II as a vacation destination and continues to travel there regularly.

The Cardiff Five Satish Sekar,2017-11-15 This fresh edition of Satish Sekar's classic work brings events up to date as at 2017 and includes matters that the author was prevented from publishing sooner. Among other things it deals with the collapse of the 2011 trial of police officers and others concerning the original miscarriage of justice in this case and in a new Epilogue calls for a Truth and Justice Commission. The author shows how this extreme miscarriage of justice destroyed families, divided communities and undermined confidence in the criminal justice system. The book takes the reader from the sadistic killing of Lynette White in Cardiff in 1988, via the subsequent investigation and trial to the aftermath of the folding of the 2011 trial over 'lost' documents that later materialised. But above all it deals with the hard scientific facts of the first vindication case of the DNA-age.

Orange Is the New Black Piper Kerman, 2010-04-06 #1 NEW YORK TIMES BESTSELLER • NOW A NETFLIX ORIGINAL SERIES With a career, a boyfriend, and a loving family, Piper Kerman barely resembles the reckless young woman who delivered a suitcase of drug money ten years before. But that past has caught up with her. Convicted and sentenced to fifteen months at the infamous federal correctional facility in Danbury, Connecticut, the well-heeled Smith College alumna is now inmate #11187-424—one of the millions of people who disappear "down the rabbit hole" of the American penal system. From her first strip search to her final release, Kerman learns to navigate this strange world with its strictly enforced codes of behavior and arbitrary rules. She meets women from all walks of life, who surprise her with small tokens of generosity, hard words of wisdom, and simple acts of acceptance. Heartbreaking, hilarious, and at times enraging, Kerman's story offers a rare look into the lives of women in prison—why it is we lock so many away and what happens to them when they're there. Praise for Orange Is the New Black "Fascinating . . . The true subject of this unforgettable book is female bonding and the ties that even bars can't unbind."—People (four stars) "I loved this book. It's a story rich with humor, pathos, and redemption. What I did not expect from this memoir was the affection, compassion, and even reverence that Piper Kerman demonstrates for all the women she encountered while she was locked away in jail. I will never forget it."—Elizabeth Gilbert, author of Eat, Pray, Love "This book is impossible to put down because [Kerman] could be you. Or your best friend. Or your daughter."—Los Angeles Times "Moving . . . transcends the memoir genre's usual self-centeredness to explore how human beings can always surprise you."—USA Today "It's a compelling awakening, and a harrowing one—both for the reader and for Kerman."—Newsweek

Achtung-Panzer! Heinz Guderian,1995 This is one of the most significant military books of the twentieth century. By an outstanding soldier of independent mind, it pushed forward the evolution of land warfare and was directly responsible for German armoured supremacy in the early years of the Second World War. Published in 1937, the result of 15 years of careful study since his days on the German General Staff in the First World War, Guderian's book argued, quite clearly, how vital the proper use of tanks and supporting armoured vehicles would be in the conduct of a future war. When that war came, just two years later, he proved it, leading his Panzers with distinction in the Polish, French and Russian campaigns. Panzer warfare had come of age, exactly as he had forecast. This first English translation of Heinz Guderian's classic book - used as a textbook by Panzer officers in the war - has an introduction and extensive background notes by the modern English historian Paul Harris.
