Make your Valentine's Day more loving with these inspirational Valentine's Day quotes. A day without you in my life should never come and even if it does, let it be the last. Loving you is the best thing that has ever happened to me. You are the rose that never fades - fresh and fragrant every day. I am so lucky to be with you this Valentine's Day and always. I love loving you. Happy Valentine's Day! Your smile sets my heart on fire. What is Love? How to Truly Love and 250 Love Quotes I am wondering how I got so lucky to have you as a girlfriend. A day without you is a day without a sun, a night without a moon; a life without meaning. They say it's hard for dreams to come true, but being with you so far has proven this statement to be completely wrong. Happy Valentine's day! No matter the celebration of the day, there is nobody in this world I'd rather share my happiness with. I love you. When you come to me with your hair all messed up, I love you. When you come to me with chocolate all over your lips, I love you. When you crack silly jokes with me, I love you. I love you because you join me in my weirdness. Thanks for being my silly soul mate. Love you forever! I consider myself to be the luckiest woman on this Earth and it's only because I have found the most precious jewel of this world. It's you, my love. You are the only thing that looks good on me. When we kiss, I feel the excitement of being on a roller coaster or like the sky filled with fireworks on the fourth of July. Happy Valentine's Day, and thank you for making my life an adventure! The way you look at me when I sit in front of the mirror... your smile when I catch you unaware noticing me... these small things show how much you love me more than any words can express. You are beautiful inside and out. You are my forever Valentine without a doubt. You always know exactly how I feel and you are always there to make me feel better. You are the best thing that has ever happened to me and I thank God that I got to meet you. I love you. As busy as we get, we need to be reminded that we are still sweethearts. Valentine's Day is a good day for me to stop and realize how wonderful you make me feel. Happy Valentine's Day. The way you wake me up and hold me in your arms every morning makes for a great start of my day, and I know you will always make me feel this special no matter how much we grow old. Happy Valentine's Day Text Messages Warmer than a summer breeze, hotter than the sun, more beautiful than a flower, but most importantly, the best thing that has ever happened to me. I love you.

Pierrot & Columbine (The Pierrot's Love Series) Ana Claudia Antunes,2014-11-24 Anne, a teenage girl who dreams of being a dancer suffers an obsession and becomes haunted by a ghost of a ballerina in the nineteenth century, who prefers to be called Tata, and who, like a rat, appears out of nowhere and goes beyond, literally, in a blink of an eye, twerking, trolling and twisting facts and factions, and who insists into contacting her in every possible way (even by cell phone and text messages) to tell her story. So she decides to write her story in the form of a play giving vent to her artistic vein, before the ghost dancer make her wiah to cutting the veins of them both, tormenting her from head to toe. As it were not enough many tangles and so many caveats and ties to be untied sneakers, here comes another ghost that looks like it came to torment her too. Giovanni, boyfriend and possible serial killer, and that also seems to have a deep relationship with the teenager proves to be helpful and kind to her, but everything seems to be just a clever way to conquer her world to dominate her and make she do everything he tells her to do, to insert her in their midst to be involved in the same case. Then he begins to tell the story from his point of view. Having two versions, in which one is she going to believe? And as she finishes her own story, will she be able to convey? She hopes to resolve the issue as soon as possible, before they devour or engage her further in a tangle of misunderstandings. Or she

will start to disbelieve her own ears and lose herself in the path of her own acquittal tied into an emotional imbalance that at first reveals a tough ancestor line to tread. For this she will need all her courage thus find heroin in her veins, to be able to go face her faith... Or her dreadful fate.

Fantasy Lover Sherrilyn Kenyon,2002-02-18 Dear Reader, Being trapped in a bedroom with a woman is a grand thing. Being trapped in hundreds of bedrooms over two thousand years isn't. And being cursed into a book as a love-slave for eternity can ruin even a Spartan warrior's day. As a love-slave, I know everything about women. How to touch them, how to savor them, and most of all, how to pleasure them. But when I was summoned to fulfill Grace Alexander's sexual fantasies, I found the first woman in history who saw me as a man with a tormented past. She alone bothered to take me out of the bedroom and onto the world. She taught me to love again. But I was not born to love. I was cursed to walk eternity alone. As a general, I had long ago accepted my sentence. Yet now I have found Grace--the one thing my wounded heart cannot survive without. Sure, love can heal all wounds, but can it break a two-thousand-year-old curse? Julian of Macedon
