When the Moon Was Ours Anna-Marie

McLemore, 2016-10-04 Winner of the 2016 Tiptree Award! Longlisted for the 2016 National Book Award for Young People's Literature Stonewall Book Award Honor "McLemore's second novel is such a lush surprising fable, you half expect birds to fly out of the pages... McLemore uses the supernatural to remind us that the body's need to speak its truth is primal and profound, and that the connection between two people is no more anyone's business than why the dish ran away with the spoon." --Jeff Giles, New York Times Book Review Anna-Marie McLemore's debut novel *The Weight of Feathers* was greeted with rave reviews, a YALSA Morris Award nomination, and spots on multiple "Best YA Novels" lists. Now, McLemore delivers a second stunning and utterly romantic novel, again tinged with magic. To everyone who knows them, best friends Miel and Sam are as strange as they are inseparable. Roses grow out of Miel's wrist, and rumors say that she spilled out of a water tower when she was five. Sam is known for the moons he paints and hangs in the trees and for how little anyone knows about his life before he and his mother moved to town. But as odd as everyone considers Miel and Sam, even they stay away from the Bonner girls, four beautiful sisters rumored to be witches. Now they want the roses that grow from Miel's skin, convinced that their scent can make anyone fall in love. And they're willing to use every secret Miel has fought to protect to make sure she gives them up. Atmospheric, dynamic, and packed with gorgeous prose, *When the Moon Was Ours* is another winner from this talented author.

The Yellow Wall-Paper Charlotte Perkins Gilman, 2024-03-21 She has just given birth to their child. He labels her postpartum depression as »hysteria.« He rents the attic in an old country house. Here, she is to rest alone - forbidden to leave her room. Instead of improving, she starts hallucinating, imagining herself crawling with other women behind the room's yellow wallpaper. And secretly, she records her experiences. The Yellow Wall-Paper [1892] is the short but intense, Gothic horror story, written as a diary, about a woman in an attic - imprisoned in her gender; by the story. Charlotte Perkins Gilman's feminist novella was long overlooked in American literary history. Nowadays, it is counted among the classics. To Paint is to Love Again Henry Miller, 1960

The Boilerplate Rhino David Quammen, 2012-10-23
In 1981 David Quammen began what might be every freelance writer's dream: a monthly column for *Outside* magazine in which he was given free rein to write about anything that interested him in the natural world. His column was called *Natural Acts*, and for the next fifteen years he delighted *Outside's* readers with his fascinating ruminations on the world around us. *The Boilerplate Rhino* brings together twenty-six of Quammen's most thoughtful and engaging essays from that column, none previously printed in any of his earlier books. In lucid, penetrating, and often quirkily idiosyncratic prose, David Quammen takes his readers with him as he explores the world. His travels lead him to rattlesnake handlers in Texas; a lizard specialist in Baja; the dinosaur museum in Jordan, Montana; and halfway across Indonesia in search of the perfect Durian fruit. He ponders the history of nutmeg in the southern Moluccas, meditates on bioluminescent beetles while soaking in the waters of the Amazon, and delivers *The Dope on Eggs* from a chicken ranch near his hometown in Montana. Quammen's travels are always jumping-off points to explore the rich and sometimes horrifying tension between humankind and the

natural world, in all its complexity and ambivalence. The result is another irrepressible assortment of ideas to explore, conundrums to contemplate, and wondrous creatures to behold.
