Happy Valentine Messages and Quotes Michelle Winfrey,2020-02-09 When it comes to romantic times of the year, Valentine's Day is number one on many people's list. That's why it's the perfect time to send your sweetheart unique, heartfelt, romantic Valentine's Day messages to let them know how much they mean to you. Make your Valentine's Day more loving with these inspirational Valentine's Day quotes. A day without you in my life should never come and even if it does, let it be the last. Loving you is the best thing that has ever happened to me. You are the rose that never fades - fresh and fragrant every day. I am so lucky to be with you this Valentine's Day and always. I love loving you. Happy Valentine's Day! Your smile sets my heart on fire. What is Love? How to Truly Love and 250 Love Quotes I am wondering how I got so lucky to have you as a girlfriend. A day without you is a day without a sun, a night without a moon; a life without meaning. They say it's hard for dreams to come true, but being with you so far has proven this statement to be completely wrong. Happy Valentine's day! No matter the celebration of the day, there is nobody in this world I'd rather share my happiness with. I love you. When you come to me with your hair all messed up, I love you. When you come to me with chocolate all over your lips, I love you. When you crack silly jokes with me, I love you. I love you because you join me in my weirdness. Thanks for being my silly soul mate. Love you forever! I consider myself to be the luckiest woman on this Earth and it's only because I have found the most precious jewel of this world. It's you, my love. You are the only thing that looks good on me. When we kiss, I feel the excitement of being on a roller coaster or like the sky filled with fireworks on the fourth of July. Happy Valentine's Day, and thank you for making my life an adventure! The way you look at me when I sit in front of the mirror... your smile when I catch you unaware noticing me... these small things show how much you love me more than any words can express. You are beautiful

inside and out. You are my forever Valentine without a doubt. You always know exactly how I feel and you are always there to make me feel better. You are the best thing that has ever happened to me and I thank God that I got to meet you. I love you. As busy as we get, we need to be reminded that we are still sweethearts. Valentine's Day is a good day for me to stop and realize how wonderful you make me feel. Happy Valentine's Day. The way you wake me up and hold me in your arms every morning makes for a great start of my day, and I know you will always make me feel this special no matter how much we grow old. Happy Valentine's Day Text Messages Warmer than a summer breeze, hotter than the sun, more beautiful than a flower, but most importantly, the best thing that has ever happened to me. I love you.

Fantasy Lover Sherrilyn Kenyon, 2002-02-18 Dear Reader, Being trapped in a bedroom with a woman is a grand thing. Being trapped in hundreds of bedrooms over two thousand years isn't. And being cursed into a book as a love-slave for eternity can ruin even a Spartan warrior's day. As a love-slave, I know everything about women. How to touch them, how to savor them, and most of all, how to pleasure them. But when I was summoned to fulfill Grace Alexander's sexual fantasies, I found the first woman in history who saw me as a man with a tormented past. She alone bothered to take me out of the bedroom and onto the world. She taught me to love again. But I was not born to love. I was cursed to walk eternity alone. As a general, I had long ago accepted my sentence. Yet now I have found Grace--the one thing my wounded heart cannot survive without. Sure, love can heal all wounds, but can it break a two-thousand-year-old curse? Julian of Macedon

Every Day Should be Valentine's Day Jennifer Basye Sander,2020-02-04 Amp up the love, romance, and beauty in your life! Rest assured this is not a book about how to buy your way to a more romantic life. Money stress is anti-romance. Instead, we are here to help you create a more romantic life and make the most of what you already have. The ideas and suggestions collected here are not always about dewy-eyed romance, but also about compromise, and having positive experiences that bond you as a couple. A few examples include: Your Turn to Choose—do something your partner loves, even if you aren't as enthusiastic about it. Maybe you can attend a musical one

night, and visit a brewery the next. Mix it up! Pick-a-Date—using small scraps of paper, each of you should write out twenty ideas on how to spend a day, an evening, or even an hour. Ideas could include “pack a picnic and go to the park,” or “go to that restaurant we’ve been wanting to try,” or even “have a movie marathon at home.” Fill a jar with the pieces of paper, shake it up, and pull out an idea when it’s time for a date! Get a Smaller Bed—lounging on a huge, king-size bed might seem like an ultimate couples’ goal, but in any kind of small space you need to work things out and come to an agreement faster than if there was room to spread out and get away from each other. Though Valentine’s Day has been around for centuries, it’s become so commercialized it can be easy to feel wiped out after the onslaught of advertisements. So hey, take back your power—celebrate every day instead! This book will offer fresh ideas and inspire you to see the romance in everyday life.
