Dave McAleer

**Circle Round** Starhawk,2020-09-15 In our rushed, stressed society, it's sometimes difficult to spend meaningful time as a family. Now Starhawk, Diane Baker, and Anne Hill offer new ways to foster a sense of togetherness through celebrations that honor the sacredness of life and our Mother Earth. Goddess tradition embraces the wheel of life, the never-ending cycle of birth, growth, love, fulfillment, and death. Each turn of the wheel is presented here, in eight holidays spanning the changing seasons, in rites of passage for life transitions, and in the elements of fire, air, water, earth, and spirit. Circle Round is rich with songs, rituals, craft and cooking projects, and read-aloud stories, as well as suggestions for how you can create your own unique family traditions. Here are just some of the ways to make each event in the cycle of life more special: Mark Summer Solstice by making sweet-smelling herb pillows for good dreams Send a teenager off to college with the Leaving Behind and Carrying With rituals Comfort an injured child with the Tree of Life meditation Commemorate a loved one by planting or donating a tree As a one-of-a-kind resource for people of many faiths and beliefs, Circle Round will be a beloved companion in your home for years to come.

**Round and Round the Garden** Alan Ayckbourn,1975 Sarah's desperate attempts to have a nice, civilized week end culminate, not surprisingly, in disaster. Ruth, Norman's wife, is summoned but Norman still contrives to cause havoc involving, finally, all three women. Matters are not helped by such events as the slow thinking Tom mistaking Ruth's intentions during a conversation they have together. Eventually the horrific week end draws to a close. The four visitors depart, but even at the last moment Norman manages, deliberately or not, to wreck all plans by driving his car into Reg's. Back they all troop, now facing having to stay. Norman finds himself spurned by all three women and is left protesting with injured innocence that he only meant to make everyone happy.--Page 4 of cover

**Sacred Codes in Times of Crisis** Naomi Fay,Nathalie Moutia,2021-06-05 Manifest Your Dreams in a New World for Yourself and Others Our day-to-day choices, made individually, affect our culture and societal structures as a whole. With this in mind, Sacred Codes in Times of Crisis guides you through an extraordinary program of self-realization and empowerment to access your creative potential and manifest your dreams. Learn the art of true, conscious creation. We spend our lives searching for things that we think will make our lives better, more abundant, loving and fulfilling. Yet, as we take part in our day-to-day busy lives, we often get sidetracked from our truest dreams and desires. Instead of creating the life that we have always dreamed of, we get lost in an endless series of events where we are often unprepared, reactionary, and less tolerant. In order to create with consciousness, to manifest our soul's wishes into reality, we need to believe there is a greater part of ourselves that is able to guide us, so that we can live our dreams by loving ourselves unconditionally. Embrace Change and transform alongside our interdependent, constantly changing world. If we want to stay up to date in an accelerated technological world, we need to adapt and be willing and open to learning new ways of communicating and inter-relating with ourselves and the world around us. In Sacred Codes in Times of Crisis, spiritual leaders Naomi Fay and Nathalie Moutia teach you: The interconnected nature of all things and the universal truth of oneness Awareness exercises and meditations to support the creation process Channeled text and wisdom teachings to aid conscious co-creation How to manifest your dreams Readers of self-realization and spiritual development books like Becoming Supernatural, Advanced Manifesting, or Attunement will be inspired and encouraged by the words of wisdom in Sacred Codes in Times of Crisis.

She didn't want to go overseas with her family when her dad takes a sabbatical from his university to study in France. That would mean leaving leaving her school friends in her hometown of Halifax, Nova Scotia. But when her friends reminded her that she'd be closer to the Beatles, she decides to keep an open mind. *The Lost Carousel of Provence* Juliet Blackwell,2018-09-18 An artist lost to history, a family abandoned to its secrets, and the woman whose search for meaning unearths it all in a sweeping and expressive story from the New York Times bestselling author of Letters from Paris. Long, lonely years have passed for the crumbling Château Clement, nestled well beyond the rolling lavender fields and popular tourist attractions of Provence. Once a bustling and dignified ancestral estate, now all that remains is the château's gruff, elderly owner and the softly whispered secrets of generations buried and forgotten. But time has a way of exposing history's dark stains, and when American photographer Cady Drake finds herself drawn to the château and its antique carousel, she longs to explore the relic's shadowy origins beyond the small scope of her freelance assignment. As Cady digs deeper into the past, unearthing century-old photographs of the Clement carousel and its creators, she might be the one person who

can bring the past to light and reunite a family torn apart.

Blind Love Wilkie Collins,2003-12-11 Blind Love is Wilkie Collins's final novel. Although he did not live to complete the work, he left detailed plans for the last third of this absorbingly plotted novel which were faithfully executed by his colleague, the popular author Walter Besant. The novel is set during the Irish Land War of the early 1880s and tells the story of Iris Henley, an independent young woman who marries the "wild" Lord Harry Norland, a member of an Irish secret society, and becomes unhappily drawn into a conspiracy plot. The Broadview edition of Blind Love includes a critical introduction and primary source materials that address the novel's focus on movements for Irish independence. Appendices include newspaper accounts of Ireland during the Land War and of the fraud case on which Collins based his story, articles reacting to Collins's sudden death, Punch cartoons depicting the English attitudes toward the Irish, and contemporary reviews.

Abstract Musings Judith Lahaie,2011-03 Abstract Musings is a collection of poetical verse where honest feelings are unveiled as disclosed from the imagination of the author. Inspiring works are, offered, inviting open-mindedness as repetitive messages, flow, exposing truth of life where not all is pure and wonderful. Very often rhythmic words combine to form haunting images, revealing belief that everything is mystically possible, yet, sometimes horribly insufferable. Much of this poetry reflects ideals inciting fate as reality on a journey through designated vistas. Many show that, moments of fear obliterate hope, telling we must offer heart-felt prayers to GOD asking to, be shown a new path to our destined eternity. Throughout this book faith is, revealed as uppermost always, testifying to our Creator's power over HIS scientific domain. Existence and illusion intertwined invariably by love or loss are recurring themes explored intuitively in, these writings. Two of Judith's newest poems, Castles of Sand and Crystal Beaches, are examples of the author's passionate cries voicing inequality for mankind, with greed totally violating harmonious guardianship of our Earth. They were, penned mid 2010 after the devastation caused to the world by corrupt governments, big banks, and big corporations (particularly BP) was, realized. Abstract Musings correlates social and moral conscience, deigned through thought and vision by a questing soul, displayed lyrically within the pages of this volume.
