**The Tarot Guide to Love and Relationships** Nancy Shavick, 1993 The author of *The Tarot and Traveling the Royal Road* reveals the pathways to personal happiness through the Tarot. Through sample spreads, this new book teaches Tarot enthusiasts to use their readings to solve the conflicts and problems inherent in all close relationships, whether they are with romantic partners, friends, or family.

**Intuitive Love Tarot - Get Guidance & Answers on Dating, Marriage, Soulmates, Breakups, & More.** Kelly Wallace, 2023-09-17 Are you trying to find your soulmate? At a crossroads in your current relationship? Wondering what lessons you and your partner need to learn? Wondering why a relationship ended? In need of some guidance and direction with your love life? The tarot will show you, without bias, where you're doing well, where you need to work on things, what's holding you back, and so much more. In fact, the cards can help you unlock just about any answer you're looking for. But what if you've never read the tarot before? Or what if you've only worked with your cards for a short while or are uncertain about the meanings? In this book, I'll cover how to use your intuition so you can do Love Readings for yourself or even others. (I offer traditional meanings at the end of the book too, just to offer a bit more guidance.) Something I love about the tarot is that no two people will see the cards in the same way. That's why tapping into your intuition is so important. Yes, you're going to interpret the cards based on your current hopes and fears, your past and present, but as you go even deeper you'll reach your very soul where all of the guidance you need now or ever will need is unlocked.

**Tarot for Lovers** Jocelyn Almond, Keith Seddon, 1995 Everyone longs to know what the future holds. The Tarot is the key to finding out about yourself, your emotional needs and your personal relationships.

*Tall Dark Stranger* Corrine Kenner, 2005 For centuries, the love-struck, lovesick, and lovelorn have consulted the tarot--a tradition still thriving today. *Tall Dark Stranger* makes it easy for anyone to explore matters of the heart through tarot. Corrine Kenner's tour of the tarot begins with its colorful, romantic history. She goes on to describe the deck itself--explaining its structure, suits, symbolism, archetypes, and astrological associations--while relating its special significance in love and relationships. The second part of the book is devoted to the nitty-gritty of tarot readings: choosing a deck, preparing for a reading, asking appropriate questions, timing events, and interpreting cards and spreads. By the end of the book, readers will have a powerful edge in conquering the ever-mysterious ways of love.

Tarot in Love Elliot Adam, 2023-01-08 Get Rid of Fear and Uncertainty in Romance Readings How does he really feel about me? When is she coming back? Why won't these cards let me see into their mind? Sound familiar? You're not alone. Love is the most common topic in tarot, and though it may seem daunting to interpret the cards, fear not. Elliot Adam is here to help you identify issues and uncover solutions, guiding you in both finding a partner and healing current relationships. In addition to interpreting tarot symbolism for matters of the heart, *Tarot in Love* provides a safe, compassionate space to explore some of your deepest vulnerabilities and learn more about yourself. Elliot presents all seventy-eight cards as love-based archetypes, explains what each one may be teaching you, and offers a variety of relationship-themed spreads. Filled with deep wisdom on reversals, significators, and more, this book gives you power and confidence in both your readings and love.

Tarot for Life & Love Jane Struthers, 2008 Almost everyone who consults the tarot wants to know about relationships - whether it is a relationship with a lover, a friend, a relation or a colleague. We want to know what the future holds, what are our chances of success and whether we should just give up and move on. The tarot is a marvellous tool for this sort of divination - it can help us to assess current situations or future events with extraordinary accuracy and its 78 cards allow it to cover an amazing variety of possibilities. Jane Struthers reveals the secrets behind each card in a practical and approachable way so that you can use the tarot with ease.

**Tarot for Understanding Love and Relationship Patterns** Nikki Mackay, 2012 Introduces the cards, techniques, and guidelines used for tarot card readings, and describes how to use the tool to shed light on problems in romantic relationships.

**Tarot for Love & Relationships** Eleonore Jacobi, 2003 "Will I find a new relationship? Does he care for me? Can my relationship be salvaged?" With more than 240 card interpretations and illustrated spread examples addressing your love outlook, you'll see your partner's perspective, become more aware of the strengths and weaknesses of the pairing, and improve your potential for finding meaningful relationships and lasting love.

**Fearless Tarot** Elliot Adam, 2020-10-08 Transcend Your Fear of Negative Cards Make every reading positive and empowering with this beginner-friendly guide to the Rider-Waite-Smith tarot. Using his engaging and easy-going style, Elliot Adam teaches you how to move through the shadows and into the light no matter what card you pull. We've all been there: hoping for the best as we draw a card...but oh no, it's the Devil! Fearless Tarot shows you that worry won't prevail--every card can become something positive. Elliot helps you find the courage to tackle any reading by also explaining both upright and reversed meanings in a constructive way. His approach features unique spreads and interpretations, and he encourages you to use inner wisdom to start an uplifting dialogue with your deck. This book provides everything you need to confidently read tarot. Includes a foreword by Theresa Reed, author of *Tarot: No Questions Asked*

**Tarot for Love & Relationships** Jane Struthers, 2024-01-04 Relationships are fundamental to our quality of life and we strive to understand them and make them better. The tarot persuades us to look deeply and more carefully at every aspect of both our love and our work relationships. In both our love lives and work relationships, tarot readings can instil a sense of deeper understanding and more careful consideration. Whether you feel let down by

your best friend, stuck in a stagnant relationship, or sensing friction at work the Tarot can be a powerful tool for making decisions. From the triumphs to the heartbreaks, it can help us to assess current situations or future events with extraordinary accuracy, and its 78 cards allow it to cover a huge variety of possibilities. Tarot for Love & Relationships includes sample readings using both classic spreads and new arrangements, and illustrated with the classic Rider Waite deck, this is a complete guide to navigating relationships with the Tarot.

**Love Tarot** Liz Dean, 2005-09 Using the major arcana of the Tarot, this book shows how this ancient system of divination can be used to explore and predict love. Rather than simply recast the traditional card meanings in the context of love and relationships, this book draws upon the traditional division of the cards at card X, The Wheel of Fortune.

Intuitive Love Tarot Kelly Wallace, 2023-09-13 Are you trying to find your soulmate? At a crossroads in your current relationship? Wondering what lessons you and your partner need to learn? Wondering why a relationship ended? In need of some guidance and direction with your love life? *Tarot Made Easy* Nancy Garen, 2001-07-18 If you've ever been intrigued by the tarot but were confused by the complexities and vague interpretations given in most books—here is a simple and accurate guide to interpreting the tarot! With Tarot Made Easy you can easily interpret the meaning of any card and apply it to the particular circumstances of your life. With the simple process outlined here, you need only choose one tarot card and then consult one (or several) of the 32 categories listed under each card—including Romance, Travel, Career, Finances, Friends, and Special Guidance—to discover the card's specific message for you. For example, if you want to know about your romantic future and the Queen of Cups turns up, you may find that the standard description given is an honest, devoted woman; loving intelligence and happiness. How should you interpret this? But with Tarot Made Easy, the Queen of Cups Romance category tells you that someone will enter your life in whom you will be very interested...and you will meet this person very close to your home, if not outside your front door. This easy but accurate system banishes the vague interpretations found in most books and gives you the immediate, specific insights you need.

Taking the Tarot to Heart Mark McElroy, 2005 Waiting for Prince Charming may not be an effective strategy for finding love, just as ignoring relationship problems isn't always the best solution. Instead of letting chance rule romance, Mark McElroy suggests using the Tarot to improve your love life. No knowledge of the Tarot or belief in the supernatural is necessary. Anyone can use Taking the Tarot to Heart to take charge of their romantic destiny. For both singles and couples, this book provides Tarot spreads and exercises to answer questions like How can I find my soulmate? and How can I spice up my love life? Emphasizing the practical, not the mystical, McElroy demonstrates how easy it is to find creative solutions to relationship issues without bleeding the mystery and meaning out of romance.

**Tarot Spreads for Love, Career and More** Ian Eshey, 2014-03-07 Conversational, friendly, and fun, makes this book accessible to all levels of readers. Despite what you may have heard about tarot reading, you don't have to be psychic to do one. There are a few simple things you need to know to start doing readings for yourself and your friends in no time. (Table of Contents below) This book includes spreads that answer a variety of useful questions: - Simple spreads for beginners, including the one- and two- card spreads. - Popular spreads like Horseshoe and Celtic cross. - More specific spreads like Does he love me? and How to get my ex back. Spreads are easy to accomplish and include helpful pictures to give people more of an idea of what to focus on. But this book is not only about spreads, it provides great advice with EXPLANATIONS AND EXAMPLES that show how something should be done and clarify what many people might have been doing wrong; e.g. framing questions correctly. Stories in the book are very relatable and show real people; how they are often not even aware of small items that actually create their problems. And the real life sample readings tie together everything that has been said. What other Tarot readers say about this book I really liked the book. You explain the layouts and how to tweak them very well and make it sound fun and simple. A really well written book that lays out a wonderful starting method with clear explanations. An excellent book for anyone curious about tarot cards to pick up. I love that you make this simple enough that someone who is just starting can easily create a spread.
