Love, Sex and Long-Term Relationships Sarah Hendrickx, 2008-02-15 What are the motivations and desires behind relationship choices and sexual behaviour? Are they very different for those with Asperger Syndrome (AS) than for anyone else? Does having extreme sensitivity to physical touch or an above average need for solitude change one's expectation of relationships or sexual experience? Many people on the autism spectrum have limited knowledge of how to establish or conduct sexual relationships: drawing on extensive research with people on the autism spectrum, the book openly explores such questions. For the first time people with AS discuss their desires, needs and preferences in their own words. AS attitudes to issues such as gender, sexual identity and

infidelity are included, as well as positive advice for developing relationships and exploring options and choices for sexual pleasure. This accessible book is an invaluable source of information and support for those with Asperger Syndrome and couples in which one or both partners has Asperger Syndrome, as well as counsellors and health and social care professionals.

The Archangel Guide to Ascension Diana Cooper, Tim Whild, 2015-03-02 Two leading spiritual teachers share new, high-frequency ascending information—so that you can accelerate your journey to the light Since 2012, the energy on this planet has changed considerably, with much more high-frequency energy coming in. In addition, many of the tools and techniques we have been using on the ascension path have moved to a new vibration with different geometric set-ups. Diana Cooper and Tim Whild have been working with the angels for many years and believe that people are ready to receive this higher-level information. The Archangels are stepping in to help you to ascend your frequency to the fifth dimension and beyond. In *The Archangel Guide to Ascension*, they offer clear steps to accelerate your journey to the light. These steps are sequential so that your path will be smooth and clear. Each chapter offers guidance about the Archangels, information about the step you are on, and a visualization to assist you. Archangel Metatron, who vibrates with the number 55, is overlighting the whole book, and will be with you as you work with the guidance it

offers.

Life and Building in the Gospel of John Witness Lee, 2024-03-25 The Gospel of John occupies a special place in the Bible because it focuses on life. Its writer, the apostle John, had a specific burden related to life and building, and his ministry was fully focused on these two matters. His Gospel reveals that God is manifested as the Word and becomes the Spirit to enter into us in order to be our life, but this marvelous fact is not the goal; it is a procedure to achieve an ultimate goal. The Gospel of John says that the Word, who is God, became flesh and tabernacled among us. Life is the procedure, and the tabernacle is the goal. God came to be our life so

that He might tabernacle in us and among us, that we might receive Him as life for the building up of the house of God.

Mystic Wayfarer Kristina Sanborn, 2013 Faith is the Path Grace is the Bridge Surrender is the Gate Love is the Garden Over the course of more years than I care to admit, I've been witness to Kristina's multi-faceted talents as actress, musician, writer, composer, fellow spiritual seeker and dear friend. of all of her worthy endeavors, perhaps most compelling is her poetry. It is a reflection of her soul; an out-picturing of her inner and outer travels and, as such, a daily mantra of a visionary creative spirit; an expression for you to share and experience with her in consciousness. *Mystic Wayfarer, One Soul's Journey Into Light* is powerful, purposeful, intimate, and, like Kristina herself, utterly unique in its power to alter your world. It is profoundly personal, yet it reveals a recognizable, emergent collective wisdom. As you revel in each stanza, you are invited to delight in your own quest for ecstasy, seeking union with the Divine through a discovery of your own unfolding divinity, held in each painful, joyful, cherished moment of humanness. ~ Donna Walker, Host/Producer Pacifica Performance Showcase, KPFK 90.7 FM, Pacifica Radio. Within the rhythm of her excellent poesy, Kristina Sanborn walks us through a life well-earned. One wants to travel with each individual poem in a front pocket, and take it out to look at its map - which means there will be the pleasure of dancing through its theme once more - and then satisfied, ready oneself for the

adventure of the following stride. and though they each stand on their own, I found the collection of poems to be mighty and muscular when read in a conscious promenade, for the complete work engages the reader's mind to an insistent and necessary wayfaring, a forward motion, a need. The prize is a most certain peace of mind, as her beautiful images leap up and encircle you on your walk - like luminous autumn leaves in a very brave wind. ~ Randall Stuart, Founder & Director of CERIMON HOUSE, A Sanctuary for the Humanities Kristina's poetry, in her new book Mystic Wayfarer, moves in the serpentine ways of women's mystery. Seeping into the soul and dancing you from the inside out. Her journey carries you to places near and far, inside and out and brings you back to the home of your own body with infinite grace and beauty. It has been a joy and a privilege to bear witness to her journey and dance in the mystery with her. May others come to find as much joy, pleasure and value in her words as I have.~ Sandy Pendleton, MFT, Teacher and Coach, Embodied Wisdom

The Mystery of Christ Lance Lambert, 2024-03-29
Who are those to whom these mysteries are revealed? Who are the initiated? To whom does God reveal the mystery of Christ? Now, there may be of course many mysteries of the kingdom, but the comprehensive mystery is the mystery of Christ and the answer is very simple. It is twofold. First, we see it is to those who are born of God. It is as simple as that. It is the birthright of every born-again believer. ... but now hath it been manifested to His saints, to whom God was pleased to make known ... what is this mystery. Colossians

1:26-27 Secondly, it is by revelation through the Holy Spirit. We cannot know the things of God except by the Spirit of God, which has been given to us 1 Corinthians 2:11-12 Come explore the mystery of Christ. May the Lord give revelation of His heart.

As they grapple with this daunting decision, an unexpected mentor brings a new perspective and unforeseen

challenges, inadvertently stirring the waters of trust and compelling Emily and Joe to confront deeper issues in their relationship. *Love & Trusting* is a beautifully woven tale of enduring love, the resilience required in long-distance relationships, and the profound trust necessary to overcome life's hurdles. Amazing Success S. A. Abakwue, 2001-04 The book,

AMAZING SUCCESS, is based on the active principles of success. The words of wisdom, within it, are not only derived from the inspired words of my living God, but even from common sense. Success has its own power. It can lay eggs like an eagle, and fly, with its new offspring, soaring higher, and higher above the stormy gale.

Emotion in Christian and Islamic Contemplative Texts, 1100–1250 A. S. Lazikani, 2021-06-07 This book offers a comparative study of emotion in Arabic Islamic and English Christian contemplative texts, c. 1110-1250, contributing to the emerging interest in 'globalization' in medieval studies. A.S.Lazikani argues for the necessity of placing medieval English devotional texts in a more global context and seeks to modify influential narratives on the 'history of emotions' to enable this more wide-ranging critical outlook. Across eight chapters, the book examines the dialogic encounters generated by comparative readings of Muhyddin Ibn 'Arabi (1165-1240), 'Umar Ibn al-Fārid (1181-1235), Abu al-Hasan al-Shushtarī (d. 1269), Ancrene Wisse (c. 1225), and the Wooing Group (c. 1225). Investigating the two-fold 'paradigms of love' in the figure of Jesus and in the image of the heart, the (dis)embodied language of affect, and the affective semiotics of absence and secrecy, Lazikani demonstrates an interconnection between the religious traditions of early Christianity and Islam.
