The Mirror Effect Drew Pinsky, S. Mark Young, 2010-03-09 The face of entertainment has changed radically over the last decade—and dangerously so. Stars like Britney, Paris, Lindsay, Amy Winehouse—and their media enablers—have altered what we consider normal behavior. According to addiction specialist Dr. Drew Pinsky and business and entertainment expert Dr. S. Mark Young, a high proportion of celebrities suffer from traits associated with clinical narcissism—vanity, exhibitionism, entitlement, exploitativeness—and the rest of us, especially young people, are mirroring what we witness nightly on our TV and computer screens. A provocative, eye-opening study, The Mirror Effect sounds a timely warning, raising important questions about our changing culture—and provides insights for parents, young people, and anyone who wonders what the cult of celebrity is really doing to America.

**Not Taco Bell Material** Adam Carolla, 2013-04-16 Now in paperback, Adam Carolla takes us back—before Loveline and The Man Show, before the Guinness World Record-breaking podcast and the New York Times bestseller *In Fifty Years We'll All Be Chicks*--to reveal all the stories behind how he came to be the angry middle-aged man he is today. Funnyman Adam Carolla is known for two things: hilarious rants about things that drive him crazy and personal stories about everything from his hardscrabble childhood to his slacker friends to the hypocrisy of Hollywood. He tackled rants in his first book, and now he tells his best stories, debuting some never-before-heard tales as well. Organized by the myriad dumps Carolla called home

as a child to the flophouse apartments he rented in his twenties, up to the homes he personally renovated after achieving success in Hollywood, the anecdotes here follow Adam's journey and the hilarious pitfalls along the way. Adam Carolla started broke and blue collar and has now been on the Hollywood scene for more than fifteen years. Yet he's still connected to the working-class guy he once was and delivers a raw and edgy, fish-out-of-water take on the world he lives in (but mostly disagrees with), telling all the stories, no matter who he offends--family, friends, or the famous.

**Sex Outside the Lines** Chris Donaghue, 2015-07-14  
It's socially acceptable to spend a day watching sports or sitcoms, but it's shameful and embarrassing to admit to the same about erotic media. Why is it that sex is so often deemed inappropriate and considered something we must keep private or even ignore? Our culture is afraid of sex. We feel the need to label what is normal and what isn't, and as a result, we live in a relational and sexually unhealthy culture. In reality, far more harm is caused by labeling sexual expression as obscene than by celebrating it. In *Sex Outside the Lines: Authentic Sexuality in a Sexually Dysfunctional Culture*, Chris Donaghue, PhD, explores and challenges the negative ideals that have warped society's view of sex. *Sex Outside the Lines* is not a dogmatic rule book, but a valuable guide to help you on your journey to sexual self-discovery and, most important, self-acceptance. Donaghue encourages you to not only explore your capacity for pleasure, but to be proud of it and to take a look at how you could be living. In his years of training in sex and couples therapy, Donaghue has developed highly successful methods for freeing clients from sexual hang-ups, enabling them to let go of shame and embarrassment. The goal isn't to

be normal—there is no such thing. Donaghue pulls apart cultural phobias with a sex-positive therapy practice, as well as a kind of sexual deprogramming that helps people see and accept that the desires they have—even if they don't align with society's expectations—are actually natural, healthy, and part of having a great sex life. *Sex Outside the Lines* addresses our diversity, challenges conventional psychiatric wisdom as classifying perfectly normal behavior as disorders, and disregards conventional advice from leading experts. It isn't advocating a liberal approach to modern concepts—it is seeking to redefine them altogether.

**Mate** Tucker Max, Geoffrey Miller, 2015-09-15 The #1 bestselling pioneer of fratire and a leading evolutionary psychologist team up to create the dating book for guys. Whether they conducted their research in life or in the lab, experts Tucker Max and Dr. Geoffrey Miller have spent the last 20+ years learning what women really want from their men, why they want it, and how men can deliver those qualities. The short answer: become the best version of yourself possible, then show it off. It sounds simple, but it's not. If it were, Tinder would just be the stuff you use to start a fire. Becoming your best self requires honesty, self-awareness, hard work and a little help. Through their website and podcasts, Max and Miller have already helped over one million guys take their first steps toward Ms. Right. They have collected all of their findings in *Mate*, an evidence-driven, seriously funny playbook that will teach you to become a more sexually attractive and romantically successful man, the right way: No seduction techniques, No moralizing, No bullshit. Just honest, straightforward talk about the most ethical, effective way to pursue the win-win relationships you want with the women who are best for you. Much of what they've discovered will

surprise you, some of it will not, but all of it is important and often misunderstood. So listen up, and stop being stupid!

**In Fifty Years We'll All Be Chicks** Adam Carolla, 2011-05-17 A couple years back, I was at the Phoenix airport bar. It was empty except for one heavy-set, gray bearded, grizzled guy who looked like he just rode his donkey into town after a long day of panning for silver in them thar hills. He ordered a Jack Daniels straight up, and that's when I overheard the young guy with the earring behind the bar asking him if he had ID. At first the old sea captain just laughed. But the guy with the twinkle in his ear asked again. At this point it became apparent that he was serious. Dan Haggerty's dad fired back, You've got to be kidding me, son. The bartender replied, New policy. Everyone has to show their ID. Then I watched Burl Ives reluctantly reach into his dungarees and pull out his military identification card from World War II. It's a sad and eerie harbinger of our times that the Oprah-watching, crystal-rubbing, Whole Foods-shopping moms and their whipped attorney husbands have taken the ability to reason away from the poor schlub who makes the Bloody Marys. What we used to settle with common sense or a fist, we now settle with hand sanitizer and lawyers. Adam Carolla has had enough of this insanity and he's here to help us get our collective balls back. In *Fifty Years We'll All Be Chicks* is Adam's comedic gospel of modern America. He rips into the absurdity of the culture that demonized the peanut butter and jelly sandwich, turned the nation's bathrooms into a lawless free-for-all of urine and fecal matter, and put its citizens at the mercy of a bunch of minimum wagers with axes to grind. Peppered between complaints Carolla shares candid anecdotes from his day to day life as well as his past-Sunday football at Jimmy Kimmel's house, his

attempts to raise his kids in a society that he mostly disagrees with, his big showbiz break, and much, much more. Brilliantly showcasing Adam's spot-on sense of humor, this book cements his status as a cultural commentator/comedian/complainer extraordinaire.

**Whitey on Trial** Margaret McLean, Jon Leiberman, 2014-02-25 After sixteen years on the lam, infamous Boston gangster Whitey Bulger was finally captured and brought to trial-and what a trial it was: evidence of nineteen gruesome murders, government secrets, FBI corruption, a dead witness, and an unbelievable tale of love. Whitey's machine guns and gangland-style extortions gripped the city of Boston for decades. Investigative journalist Jon Leiberman travelled the world with the FBI's Whitey Bulger task force. Former Boston area prosecutor and legal analyst Margaret McLean witnessed every day of testimony, heard every word uttered in court. Both authors have developed close relationships with the investigators, the lawyers, and Whitey's friends, his fellow mobsters, his victims and their families. In *Whitey on Trial*, the truth is revealed through trial testimony, interviews with cops, FBI agents, prosecutors and defense attorneys, and members of the jury that ultimately found Bulger guilty on thirty-one counts, including eleven murders. An exclusive letter from Whitey to McLean offers insight into his state of mind immediately following the verdict. *Whitey on Trial* is the definitive firsthand account of the Whitey Bulger trial. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

**When Painkillers Become Dangerous** Drew Pinsky, Marvin D. Seppala, Robert J. Meyers, 2009-06-03 The coronavirus pandemic joined other crises already in process—including America's epidemic of opioid addiction. Added stress and anxiety and reduced access to timely treatments only adds to the problem. Here's practical information about painkillers from treatment professionals. A timely guide to the misuse and abuse of prescription painkillers that sorts the facts from the fiction for legitimate users and their loved ones. If you are concerned about a loved one's use of pain medications, you need to read this book, When Painkillers Become Dangerous Whether prescribed by a physician as OxyContin or purchased on the street as hillbilly heroin, painkilling drugs are extremely effective in eliminating physical, emotional, and psychological distress. The problem is that these drugs are also incredibly addictive. Misuse of and addiction to prescription pain medications has become America's latest, complex, and alarming drug abuse trend. In fact, an estimated 2.6 million people currently use prescription pain

relievers non-medically—a dangerous practice that could quickly reach epidemic proportions. Best-selling author Drew Pinsky, M.D., and five other leading experts offer practical, plainspoken, and much-needed information about addiction to painkilling drugs. They will help you understand: How addiction to painkilling medication develops What to do if a family member is addicted What happens in addiction treatment Why addiction is a family disease

*The Age of Addiction* David T.

Courtwright, 2019-05-06 We live in an age of addiction, from compulsive gaming and shopping to binge eating and opioid abuse. What can we do to resist temptations that insidiously and deliberately rewire our brains? Nothing, David Courtwright says, unless we understand the global enterprises whose “limbic capitalism” creates and caters to our bad habits.

**Hilarity Ensues** Tucker Max, 2012-02-07 The New York Times bestselling author of *I Hope They Serve Beer in Hell* and *Assholes Finish First* delivers a new collection of thirty 100% true, 100% exclusive stories of comically perverse excess. Another installment in Tucker Max's series of stories about his drunken debauchery and ridiculous antics. What began as a simple sentence on an obscure website, “My name is Tucker Max, and I am an asshole,” and developed into two infamously genre-defining books, *I Hope They Serve Beer In Hell* and *Assholes Finish First*, ends here. But as you should expect from Tucker by now, he is going out with a bang—literally and figuratively. In this book, you'll learn: \* How to live and work in Cancun, while still enrolled in Law School \* Why Halloween is really awesome \* How to subtly torture a highstrung roommate until he explodes with furious anger over a misplaced condiment \* What really happened when a dirty pageant girl tried to sue Tucker because he told the truth \*

Why you should never accept a homemade treat from a hippie with a van As we've come to learn from Tucker, assholes do finish first...but everything comes with a price.

**Asylum** William Seabrook, 2015-09-16 This dramatic memoir recaptures William Seabrook's experiences during an eight-month stay at a Westchester mental hospital in the early 1930s. Seabrook, who was a renowned journalist, voluntarily committed himself for acute alcoholism. His account offers an honest, self-critical look at addiction and treatment in the days before Alcoholics Anonymous and other modern programs. William Seabrook is most famous for introducing the word Zombie to Western culture--
