**I Will Survive** Gloria Gaynor, 2014-03-11 I Will Survive is the story of Gloria Gaynor, America's Queen of Disco. It is the story of riches and fame, despair, and finally salvation. Her meteoric rise to stardom in the mid-1970s was nothing short of phenomenal, and hits poured forth that pushed her to the top of the charts, including Honey Bee, I Got You Under My Skin, Never Can Say Goodbye, and the song that has immortalized her, I Will Survive, which became a #1 international gold seller. With that song, Gloria heralded the international rise of disco that became synonymous with a way of life in the fast lane - the sweaty bodies at Studio 54, the lines of cocaine, the indescribable feeling that you could always be at the top of your game and never come down. But down she came after her early stardom, and problems followed in the wake, including the death of her mother, whose love had anchored the young singer, as well as constant battles with weight, drugs, and alcohol. While her fans always imagined her to be rich, her personal finances collapsed due to poor management; and while many envied her, she felt completely empty inside. In the early 1980s, sustained by her marriage to music publisher Linwood Simon, Gloria took three years off and reflected upon her life. She visited churches and revisited her mother's old Bible. Discovering the world of gospel, she made a commitment to Christ that

sustains her to this day.

*Conscious Mini-Jottings* Madhu Sharma,2020-12-15 *Conscious Mini-Jottings* is a book that will sit on your bedside table for years like a luminous, eternal flower. A book you will reach for again and again, whenever you need to reconnect with yourself. A book to hold against your heart like a consecrated talisman. A book from whose pages wafts a fragrance of boundless love, exuberance and sacred wisdom each time it is opened. 'Madhu Sharma shows promise as a poet as she is well able to portray deep inner emotions. The poems speak of an intense spiritual quest.' - Dr. Karan Singh, Crown Prince of the erstwhile Princely State of Jammu & Kashmir, eminent statesman, philanthropist and poet. These Poems are brimming with love. After reading a few, the words start disappearing. A feel and a trance remains. I could constantly hear the notes of a flute from a distance. The Poet has a transparent soul and the mind of Sufi. She writes... Life, You are the bridge between I and me. You are the one that slides The I into me, and Glides the me into I. - Gulzar, renowned poet, lyricist, author, screen-writer and film

director. Recipient of Padma Bhushan, Oscar, Grammy and many other awards. 'Just like there is room for music beyond technical brilliance and firework mastery, there is a world of expression beyond literature. Appeal, aesthetics, poise are all musical terms for me - so evident in the poetry of Madhu Sharmaji. A true bouquet of words.' - Ustad Amjad Ali Khan, Padma Vibhushan and internationally acclaimed sarod virtuoso.

**Aptavani 04** Dada Bhagwan, 2015-04-04 "Aptavani 4" is the fourth in a series of spiritual books titled "Aptavani". In this series, Gnani Purush (embodiment of Self knowledge) Dada Bhagwan addresses age-old unanswered questions of spiritual seekers. Dadashri offers in-depth answers to questions such as: "What is the definition of self awareness, and what are the signs of lack of awareness?", "What is spirituality?", "What are the benefits of spirituality and practice?", "How can I experience a spiritual awakening, and what are the signs of spiritual awakening?", "How may I attain spiritual enlightenment and lead a spiritual life?" Dadashri also provides spiritual explanations regarding: "What is the meaning of ignorance?", "Who am I ?", and "How can I experience the spiritual power of my pure Soul?" For those seeking to learn how to become more spiritual, Dadashri explains that the knowledge of Self is the beginning of true spirituality. Upon attaining Self knowledge, one's spiritual development begins, which eventually leads to

ultimate liberation, or moksha.

**Simulations, Games and Role Play in University Education** Claus Nygaard, Nigel Courtney, Elyssebeth Leigh, 2012 This anthology advances a radical agenda for higher education, arguing that teaching activities should focus not primarily on knowledge acquisition but behavior. Noting that today's students face the double challenge of having to survive organizations and having to help organizations survive, this work discusses how these students will be called upon to help organizations find and realize innovative strategies for a sustainable future. Consequently, this work posits, higher education curricula must focus on key components of professional behavior and experiential learning must be central to this strategy.

I just want some basic concepts to be available at the drop of a hat. So next time we have any difficulty or confusion we can resolve it internally. My main focus is to provide fundamental work. **Myths & Millennials** Padmini Janaki, 2020-12-02 They say when you don't find your favorite book write it, as a woman raised in this Indian society I have lived with myths on what to do, when to do and how to do ALWAYS told by people around, I decided to read books and everything is written by some super successful women who never ever lived my normal life, when I read some rebel books it suggested me to hate men and do things which is not me, to me trying to be a man is waste of a woman. I wrote this book for my younger self, for a lower middle class family grew up watching movies, heroes and ad films soaked with myths. You don't have to become a fighter to live a great life, you just need to know what is a myth and what is reality, that is enough to move from the survival mode to the living and conquering mode, are you ready sister?
