Lumi Pu Ling Lai,2015-02-24 Who am I? What do I want? What is the deeper purpose of my life on Earth? How to flow with our true nature so that we can live an effortless and fulfilled life? These are the questions that the author keeps asking herself every day. After long soul-searching and various experiences, one simple answer pierces through the fog of mind and sheds light on her heart: LOVE. Following the mystic dialogues between Lumi (a female voice) and Lux (a male voice), with a ray of light that travels through time and space, this book invites us on both a personal and collective journey of love between humans, animals, and nature, in which we might find answers of our own questions—or rather, more questions. For those who wish to learn to love oneself and others better, this book is delicious—simple yet deep with wisdom that readers aged from eighteen to eighty-eight can find resonance and insight in her/his own journey of awakening.

Lumi's Spell Ulana Dabbs,2021-02-11 'You found me.' Her voice was a whisper and I reached out to touch her face, but my fingers grasped at the air. She was an image, conjured up by the magic of Antaya. She placed one hand on her heart and pressed another to my own and her emotions stormed my senses, pouring into me like a flood through a broken dam. 'Is this how it feels to be a human?' someone whispered, but Lumi's lips remained still. The voice came from somewhere deeper than the illusion. She looked into my eyes and the blue storm in hers woke again, pulling me deeper into her soul.Can you love someone who took everything from you? Your family, your friends, your whole life? Jarin didn't think it was possible to forgive such betrayal until he held Lumi's heart in his hands and let her feelings storm his soul.
