Culinary Colonialism, Caribbean Cookbooks, and Recipes for National Independence Keja L.

Valens,2024-02-16 Women across the Caribbean have been writing, reading, and exchanging cookbooks since at least the turn of the nineteenth century. These cookbooks are about much more than cooking. Through cookbooks, Caribbean women, and a few men, have shaped, embedded, and contested colonial and domestic orders, delineated the contours of independent national cultures, and transformed tastes for independence into flavors of domestic autonomy. Culinary Colonialism, Caribbean Cookbooks, and Recipes for National Independence integrates new documents into the Caribbean archive and presents them in a rare pan-Caribbean perspective. The first book-length consideration of Caribbean cookbooks, Culinary Colonialism joins a growing body of work in Caribbean studies and food studies that considers the intersections of food writing, race, class, gender, and nationality. A selection of recipes, culled from the archive that Culinary Colonialism assembles, allows readers to savor the confluence of culinary traditions and local specifications that connect and distinguish national cuisines in the Caribbean.

Whisker of Evil Rita Mae Brown,2005-01-25 A mysterious death in a Virginia farm town has the locals scratching their heads—while frisky feline Mrs. Murphy and her friends, fat-cat Pewter and corgi Tee Tucker, uncover clues as they curl their way around a cold-blooded killer. This balmy summer in Crozet,

Virginia, postmistress Mary Minor “Harry” Haristeen has a lot to think about. Things have been pretty cozy between her and her ex-husband, Fair and her beloved old post office is in danger of being replaced with a modern building—and modern rules. Harry’s thoughtful contemplation is shattered the day she stumbles over a dead body near Potlicker Creek. Barry Monteith, the handsome local horse breeder, has been savagely murdered. A true ladies’ man, Barry was known to have left a string of broken hearts behind him. But could a spurned lover be responsible for his untimely demise? The plot only thickens when an autopsy reveals that Barry was infected with rabies weeks before he was killed. As usual, Harry can’t resist doing a little digging—with Mrs. Murphy close by to warn of approaching danger. Harry makes a remarkable discovery in the creek—the class ring of Mary Pat Reines, a local woman who disappeared thirty years earlier along with her prized Thoroughbred stallion. Like Barry, Mary Pat was a successful horse breeder—and now all of Crozet is wondering if the two cases are linked. As the police struggle with the evidence, the pressure gets hotter than a June afternoon—especially when another person is found dead of less-than-natural causes. As usual, Mrs. Murphy and her crew are the first to sniff out the truth. But if they don’t find a way to help Harry piece together the puzzle, she could become the killer’s next target—and even Mrs. Murphy’s slinkiest moves won’t be able to save her.

Institution is a Verb: A Panoply Performance Lab Compilation Tsedaye Makonnen,2021-10

INSTITUTION IS A VERB is a compendium of community-contributed texts, scores, notes, and documentation culminating and indexing 7 years of collaboration, para-capitalist research, and performative institution during Panoply Performance Laboratory's operations as a laboratory site at 104 Meserole Street in Brooklyn, NY. Gathering texts, documentation, scores, notes, and recollections from the community of performance makers, witnesses, and others who actualized PPL's operation as a lab site at 104 Meserole Street 2012-2018, this project echoes, recognizes, and critically reflects upon (p)articular performances, forms of gathering, collective ideation procedures, and (for)bearances of witness practiced across the site, its situations, and multiplicit envisaging processes. To presence, to difference, to practical, performative resilience, descriptions of what was seen, how some felt, what one did and why are dedicated in documentary formats. In context, for history, in substantiation of the value of each other, PPL (in lab

iteration) culminates 7 years of collaboration, para-capitalist research, and performative institution (institution as a verb).

Forbidden City, USA Arthur Dong,2015-09-15 *Forbidden City, USA: Chinatown Nightclubs, 1936-1970* captures the magic and glamour of the Chinese American nightclub scene, which peaked in San Francisco during World War II. Previously unpublished personal stories, along with over four hundred stunning images and rare artifacts, are presented in this sexy and insightful chronicle of Asian American performers who defied racial and cultural barriers to pursue their showbiz dreams.It was the mid-1930s: Prohibition was repealed and the Great Depression was waning. With a global conflict on the rise, people were out to drink, dine, dance, and see a show to forget their woes--and what a surprise for the world to behold an emerging generation of Chinese American entertainers commanding the stage in their own nightclubs. *Forbidden City, USA: Chinatown Nightclubs, 1936-1970* reveals the sassy, daring, and sometimes heartbreaking memories of the dancers, singers, and producers who lived this story, and it weaves in a fascinating collection of photos, postcards, menus, programs, and yes, even souvenir chopsticks. Together they recreate a forgotten era, treating readers to a dazzling night on the town. *Forbidden City, USA: Chinatown Nightclubs, 1936-1970* is the culmination of filmmaker and writer Arthur Dong's nearly thirty-year devotion to the topic, originally inspired by the author's research for his documentary of the same name.*Forbidden City, USA: Chinatown Nightclubs, 1936-1970* was previously published in paperback under the title: *Fobidden City, USA: Chinese American Nightclubs, 1936-1970*.
