Merryl Tengesdal

Electrical Installation Record ,1924

Electrical Record and Buyer's Reference ,1918

Shatter The Sky Merryl Tengesdal,2021-10-06 In a life filled with meaning and accomplishment, Merryl Tengesdal, has become one of the most interesting and compelling maverick women in aviation. In this inspirational memoir, retired Colonel Merryl Tengesdal shares her Life Lessons on everything from her career in the military, being the first and only black woman to pilot the U2 aircraft, to marriage and motherhood - and everything in between. This book is a deep reflection on life in the military, with mesmerizing storytelling. Merryl invites readers into her world, chronicling the experiences that have shaped her - from her childhood in the Bronx, to her years deployed in the Middle East, South America, and Asia, to her experience on the hit reality show *Tough As Nails*. With unerring honesty and lively wit, she describes her triumphs and her disappointments, both public and private, telling her life as she lived it - in her own words and on her own terms. With wisdom and warmth, *Shatter the Sky* is the deeply personal story of a woman of substance who has steadily defied expectations - and whose story inspires us to do the same.

Capitalism and Desire Todd McGowan, 2016-09-20

Despite creating vast inequalities and propping up reactionary world regimes, capitalism has many passionate defenders—but not because of what it withholds from some and gives to others. Capitalism dominates, Todd McGowan argues, because it mimics the structure of our desire while hiding the trauma that the system inflicts upon it. People from all backgrounds enjoy what capitalism provides, but at the same time are told more and better is yet to come. Capitalism traps us through an incomplete satisfaction that compels us after the new, the better, and the more. Capitalism's parasitic relationship to our desires gives it the illusion of corresponding to our natural impulses, which is how capitalism's defenders characterize it. By understanding this psychic strategy, McGowan hopes to divest us of our addiction to capitalist enrichment and help us rediscover enjoyment as we actually experienced it. By locating it in the present, McGowan frees us from our attachment to a better future and the belief that capitalism is an essential outgrowth of human nature. From this perspective, our economic, social, and political worlds open up to real political change. Eloquent and enlivened by examples from film, television, consumer culture, and everyday life, *Capitalism and Desire* brings

a new, psychoanalytically grounded approach to political and social theory.

Span of Control Carey D. Lohrenz, 2021-06 What can you control? What do you do when you're under pressure, overwhelmed, and ready to get what you really want? As one of the first female F-14 Tomcat fighter pilots in the US Navy, as well as a mom, wife, business consultant, Wall Street Journal bestselling author, and global speaker, author Carey Lohrenz knows that the stress we experience can be just as intense as the stress in the cockpit of a fighter jet going Mach 2. But she's got a secret weapon to prevail: years of training to overcome the specific natures of uncertainty, stress, burnout, anxiety, and pressure. At our core, we know we've lost control. We've lost our grip on what we really want and who we really want to be. In order to solve the challenges of chaos and make our goals, dreams, and commitments a reality, we have to understand that in order to succeed when the pressure is on and to improve our performance overall, we've got to know what we can and cannot control. In *Span of Control*, Lohrenz walks us through the fundamentals of surviving and succeeding during times of crisis. Weaving together eye-opening science, gripping personal stories, insightful

interviews, prescriptive advice, and a high-octane dose of encouragement and practicality, *Span of Control* helps leaders recognize how to focus on what matters most, formulate a plan for success, and communicate what's possible.

You Have a Match Emma Lord, 2021-01-12 INSTANT NEW YORK TIMES BESTSELLER A REESE'S BOOK CLUB WINTER YA PICK INDIE NEXT PICK A BEST YA PICK OF 2021 BY POPSUGAR * PARADE A new love, a secret sister, and a summer she'll never forget. From the beloved author of Tweet Cute comes Emma Lord's *You Have a Match*, a hilarious and heartfelt novel of romance, sisterhood, and friendship... When Abby signs up for a DNA service, it's mainly to give her friend and secret love interest, Leo, a nudge. After all, she knows who she is already: Avid

photographer. Injury-prone tree climber. Best friend to Leo and Connie...although ever since the B.E.I. (Big Embarrassing Incident) with Leo, things have been awkward on that front. But she didn't know she's a younger sister. When the DNA service reveals Abby has a secret sister, shimmery-haired Instagram star Savannah Tully, it's hard to believe they're from the same planet, never mind the same parents – especially considering Savannah, queen of green smoothies, is only a year and a half older than Abby herself. The logical course of action? Meet up at summer camp (obviously) and figure out why Abby's parents gave Savvy up for adoption. But there are complications: Savvy is a rigid rule-follower and total narc. Leo is the camp's co-chef, putting Abby's growing feelings for him on blast. And her parents have a secret that threatens to unravel everything. But part of life is showing up, leaning in, and learning to fit all your awkward pieces together. Because sometimes, the hardest things can also be the best ones. “A YA contemporary set at summer camp? Count us in.” –BuzzFeed “Heartfelt and engaging, *You Have a Match* is a masterclass on love in all its forms.” –Sophie Gonzales, author of *Only Mostly Devastated* and *Perfect on Paper* “A bright summer tale of connection and self-discovery.” –Booklist “A cute, feel-good

coming-of-age story.” —Kirkus

Ramen Forever Yarrow Lazer-Smith, 2022-06-21 More than a

cookbook, *Ramen Forever* is an illustrated love letter to this deceptively simple dish curated by San Francisco-based artist Yarrow Lazer-Smith (AKA Yarrow Slaps). The author's obsession with ramen of all kinds has taken him to shops around the world, leading to conversations with top chefs, foodies, bloggers, and the artists that have lived off of instant noodle soup packets before ramen became a trend. Interviews with ramen heroes including Moe Kuroki (Boston's Oisa Ramen), Yoshihiro Sakaguchi (Taishoken, San Mateo), Hans Lienesch aka The Ramen Rater, Esther Choi (Mokbar - NY), and Sam White (Ramen Shop, Oakland) give an insider's view into gourmet ramen spots across the global diaspora. *Ramen Forever* has plenty of inspiration for creative home cooks too! Over 80 of the urban art scene's most celebrated artists, including Justin Hager and Kristen Liu-Wong, offer their own illustrated instant noodle recipes that have gotten them through struggle times. The recipes range from playful (Hot Trash Ramen--best when you're drunk) to critical (Opium War Lamian--a rustic and flavorful noodle soup enjoyed by belligerents during an unjust, cruel, and brutal colonial conflict) to restorative (Radiant Recovery Ramen), showcasing the true versatility of ramen as a dish for every occasion, for people of every

background and every budget.

Word by Word Kory Stamper,2018-03-06 “We think of English as a fortress to be defended, but a better analogy is to think of English as a child. We love and nurture it into being, and once it gains gross motor skills, it starts going exactly where we don’t want it to go: it heads right for the goddamned electrical sockets.” With wit and irreverence, lexicographer Kory Stamper cracks open the obsessive world of dictionary writing, from the agonizing decisions about what to define and how to do it to the knotty questions of ever-changing word usage. Filled with fun facts—for example, the first documented usage of “OMG” was in a letter to Winston Churchill—and Stamper’s own stories from the linguistic front lines (including how she became America’s foremost “irregardless” apologist, despite loathing the word), *Word by Word* is an endlessly entertaining look at the wonderful complexities and eccentricities of the English language.

Black Macho and the Myth of the Superwoman Michele

Wallace, 2015-06-09 Originally published in 1978, *Black Macho and the Myth of the Superwoman* caused a storm of controversy.

Michele Wallace blasted the masculine biases of the black politics that emerged from the sixties. She described how women remained marginalized by the patriarchal culture of Black Power, demonstrating the ways in which a genuine female subjectivity was blocked by the traditional myths of black womanhood. With a foreword that examines the debate the book has sparked between intellectuals and political leaders, as well as what has-and, crucially, has not-changed over the last four decades, *Black Macho and the Myth of the Superwoman* continues to be deeply relevant to current feminist debates and black theory today.
