We owe warm thanks to Florida State University for generously supporting this colloquium. The present version appears with the permission of *The Times Literary Supplement*, which is gratefully acknowledged. *Guilty but Insane* James W.Taylor,2016-09-03 Captain J.C. Bowen-Colthurst, originally from Cork, served with the British Army in the Boer War, in Tibet and in the Great War. Having been wounded, he returned to Ireland and was caught up in the 1916 rebellion where he was responsible for the deaths of six unarmed civilians, including the pacifist Francis Sheehy Skeffington. The resulting outrage was one of the key factors in turning the tide of Irish public opinion towards independence. Having been tried for murder, he was deemed 'guilty but insane' and spent eighteen months in Broadmoor Criminal Lunatic Asylum before being released under medical supervision for another year. He was then allowed to travel to Canada on condition that he not return to Ireland. This has been portrayed as a perversion of justice perpetrated by the British authorities, but Taylor's unprecedented access to both army and Bowen-Colthurst's personal papers have revealed that he was probably suffering from what we now know as PTSD. This book corrects many published errors, debunks some myths and reveals the personal side to a much-maligned historical character. The author has also worked with the family of both Bowen-Colthurst and Sheehy

Skeffington, who have praised his unbiased research.

This is exactly the approach of this book in making the science of 'soft matter' relevant to everyday life things such as the food we eat, the plastic we use, the concrete we build with, the cells we are made of.

**Let Me Tell You About Alex - Crazy Days and Nights on the Road with the Hurricane** John Virgo, 2012-04-19 There is a tribute book to be written about the nicest man in snooker - but this isn't it! Whatever else he was, The Hurricane wasn't nice. He was unpredictable, wild, demonic and obsessive. The Peoples Champion was an unstoppable force who transformed snooker from a niche sport into a must watch phenomenon. Drawing upon unrivalled access to The Hurricanes friends and player colleagues, this is an affectionate and honest portrayal of the most legendary player ever to hit the world of snooker. This is a real tribute book and an honest and affectionate portrait of the snooker legend by John Virgo who was a great friend, rival and compatriot to the most complicated genius ever to grace the game. Virgo was frequently driven to despair by Higgins antics, the gambling, the drug using, the sheer uninhibited madness of the man but there was always a buzz around the man, there was ALWAYS something happening !
