The Monsters Are Due in Madison Square Garden Tom Johnstone, 2023-10-11 1934: Investigative reporter Herb Fry moves to New York to get away from the Klan, but if he thought writing pieces on the paranormal would be safer, he's in for a shock. The Big Apple's crawling with German American Bund Nazis, who are a little jumpy because a horror movie buff with supernatural powers and a taste for elaborate set-piece murders is picking them off one by one. Will Herb ever find out who murdered the love of his life? And how will he survive long enough to interview Bela Lugosi?

Madison Avenue Maxi Elke Gazzara, 2009-04-15 When Ben Gazzara and his wife, Elke, reluctantly agree to adopt the pet dachshund their daughter no longer wants, the couple unknowingly takes a new member into their family. Neither of the Gazzaras is a dog person, and the sudden presence of a pet in the lives of these jet-setters appears at first uncertain. However, the ever-sweet, playful, and surprisingly smart Maxi immediately endears herself, and soon she becomes the Gazzaras' unlikely child in the empty nest of their Madison Avenue townhouse. The little dog accompanies the pair everywhere -- to the theater, restaurants, dinner parties, world-class hotels, receptions for heads of state, and even the dentist. *Madison Avenue Maxi* is the story of a love affair between a dog and her owners. With heartfelt humor and a dog lover's eye, Gazzara chronicles Maxi's antics in Manhattan as well as at their second home in Tuscany and over travels to the French Riviera, Brazil, Spain, and other luxurious locales. Along the way she meets celebrities such as Roman Polanski, Gena Rowlands, John Voigt, Danielle Steele, Gay Talese, Peter Bogdanovich, New York's mayor Michael Bloomberg, and Frank Gehry. *Madison Avenue Maxi* is a warm, touching memoir of man -- and woman's -- best friend.

Freud on Madison Avenue Lawrence R. Samuel, 2011-06-06 What do consumers really want? In the mid-twentieth century, many marketing executives sought to answer this question by looking to the theories of Sigmund Freud and his followers. By the 1950s, Freudian psychology had become the adman's most powerful new tool, promising to plumb the depths of shoppers' subconscious minds to access the irrational desires beneath their buying decisions. That the unconscious was the key to consumer behavior was a new idea in the field of advertising, and its impact was felt beyond the commercial realm. Centered on the fascinating lives of the brilliant men and women who brought psychoanalytic theories and practices from Europe to Madison Avenue and, ultimately, to Main Street, Freud on Madison Avenue tells the story of how midcentury advertisers changed American culture.

Paul Lazarsfeld, Herta Herzog, James Vicary, Alfred Politz, Pierre Martineau, and the father of motivation research, Viennese-trained psychologist Ernest Dichter, adapted techniques from sociology, anthropology, and psychology to help their clients market consumer goods. Many of these researchers had fled the Nazis in the 1930s, and their decidedly Continental and intellectual perspectives on secret desires and inner urges sent shockwaves through WASP-dominated postwar American culture and commerce. Though popular, these qualitative research and persuasion tactics were not without critics in their time. Some of the tools the motivation researchers introduced, such as the focus group, are still in use, with consumer insights and account planning direct descendants of Freudian psychological techniques. Looking back, author Lawrence R. Samuel implicates Dichter's positive spin on the pleasure principle in the hedonism of the Baby Boomer generation, and he connects the acceptance of psychoanalysis in marketing culture to the rise of therapeutic culture in the United States.

Analyzing Monsters - Family Cures Dan Budenz,2010-07 This book is not all about Drew

Peterson. I wanted to write a book that would be an answer the question What five books in your family library do you wish to pass on to your children and grandchildren? Hopefully someday I will write one. In this book I will exhibit tough love and play Devil's advocate with many monsters and monstrous events. I will present my findings and analysis of all that may threaten you and your family. As a cure for families we recommend that all of us move beyond the monstrous ego and money-oriented selfishness of Modern Medicine, Modern Banking, Modern Justice, Modern King Government, and Modern Me. I advocate we thread old-fashioned family values into the solutions and cures of new Smart Systemstrade;. Our modern institutions need serious rehab in order to assist, not just one but, all members of today's family with respect care and love. Today's technology confirms our corporate motto: WE ARE ALL ONE BIG FAMILY — ENJOY IT! We have called for an annual international week of Sobriety and Serenity each January 5th through the 12th as a small pathway to change and a way to remember and heal families in pain. I apologize in advance to families covered too briefly in this book. It is impossible to express the sorrow one feels when a loved one dies or disappears. I empathize your loss. Make sure you develop your own family support treatment team that includes proper medical, recreational, dietary, work, fiscal, spiritual, psychological and physical life areas. Involve the proper professionals as you apply the family change therapies recommended in this book or online rehab. While we use and teach tough love techniques, we believe the focus of this therapy needs to be on the illness or disease of our loved ones - never against any person. We pray the recipients of tough love in this book find peace and serenity in their life. We know we can all enjoy some good belly laughs in the future as we continue to support each other and our families. We hope the weaving of cases; common sense psychology of the California Recovery Model and 'Secrets of Rehab' are educational, as well as, entertaining for you. Please note that this book presents only a

few rehab secrets and introductory recovery techniques. Visit our ever-expanding website www.OnlineRehabClinic.com and online rehab for this tip of the iceberg effort towards helping you and your family.

Monster, 1959 David Maine, 2008-02-19 From the critically acclaimed author of *The Preservationist* and *The Book of Samson*, *Monster, 1959* is an extraordinary tale of 1950s America---flawed, conflicted, and poised to enter the most culturally upended decade of the century. The United States government has been testing the long-term effects of high-level radiation on a few select islands in the South Pacific. Their efforts have produced killer plants, mole people, and a forty-foot creature named K. Covered in fur and feathers, gifted with unusable butterfly wings and the mental capacity of a goldfish, K. is an evolutionary experiment gone very awry. Although he has no real understanding of his world, he knows when he's hungry, and he knows to follow the drumbeats that lead him, every time, to the tree where a woman is offered to him as a sacrifice by the natives. When a group of American hunters stumble across the island, it's bound to get interesting, especially when the natives offer up the guide's beautiful wife to K. Not to be outdone, the Americans manage to capture him. Back in the States, they start a traveling show. The main attraction: K.

John Sayles, Filmmaker Jack Ryan, 1998-01-01 In 1980, art house audience word of mouth about an unusual new movie, *Return of the Secaucus Seven*, launched the career of director John Sayles and with him the era of the independent filmmaker. Sayles has remained a maverick, writing, directing, editing and even acting in his own films. He has directed such diverse films as *The Brother from Another Planet*, *Matewan*, *Eight Men Out*, *Passion Fish*, and *Lone Star*, and received two Academy

Award nominations. Here is the chronicle of Sayles' career--including the story of his inauspicious beginning as a second-string actor, and his work in fiction, theatre, music videos and television. The author argues that the importance of Sayles' signature plain visual style has been overlooked. A chapter is devoted to each of Sayles' feature films, offering background material on production funding, a plot sketch, an analysis of important characters, and a look at the language, setting, and politics. Each chapter also traces Sayles' technical development--his camera work, editing, musical arrangement and mise-en-scene. The book includes a complete filmography and a bibliography.
