Flip through this enchanting book and watch as blank white pages transform into magical dinosaurs—and then turn colors! Including everybody's favorite dinosaurs, like Tyrannosaurus, Triceratops, Velociraptors, Parasaurolophus, Diplodocus, enormous Argentinosaurus, Megalodon sharks, and many, many more! The Magic Book: Dinosaurs will amaze your friends and family! - Step 1. Flip through the book to show your audience that every page is blank. - Step 2. Wave a hand over the book, say the magic words, and flip through it again to reveal dinosaurs on every page! - Step 3. Wave a hand over the book again, say the magic words, and flip through the pages again to reveal dinosaurs transformed into living color! You are sworn to secrecy. Here's the trick: The pages are cut in a way so that pages are revealed or hidden depending on where your right thumb is when you flip through the book. So if you're holding the top-right, your thumb is only holding back every third page (the blank pages). Move your thumb to change what is revealed when you flip the pages. If you're holding the middle-right, your thumb is only holding back every third page (the black-and-white illustrated pages). And then if you're holding the bottom-right, your thumb is only holding back every third page (the beautiful color illustrated pages). Only show your viewers once, no more—no matter how tempting!
