Eye Color Morgan Worthy,1999 Morgan Worthy, a research psychologist, presents a comprehensive picture of how eye color is related to the behavior of humans and animals. In humans, he used archival records of athletic performance to show the theoretical pattern which has light-eyed athletes performing at their best on self-paced tasks and dark-eyed athletes, on average, performing at their best on reactive tasks. This same general pattern is shown to hold true in animal behaviors such as hunting tactics of predators and escape tactics of prey. Whereas dark-eyed predators tend to rely on immediate, quick, reactions to catch prey, light-eyed predators tend to rely more on their ability to lie-in-wait or stalk prey. Various other behaviors such as perception and social interaction are discussed in the same theoretical framework.

Emotional Freedom Technique & Acupressure, Color Breathing, Visualization Clark Night,William H. Bates, M.d.,2010-03-17 Black and White version. EFT is an Easy Type of Chinese Acupressure, Puncture without Needles or Hard Pressure. EFT is applied by 'TAPPING', activating energy points, meridians on/in the body with the fingertips. Tapping removes energy blocks, (stuck, stagnant energy), orients, 'polarizes', corrects, balances and strengthens the energy flow in the body, through the Meridians/Energy Pathways, Energy Points, Chakras, Nervous System. (Electric, Chi and other Energies, Physical and Spiritual.) Tai Chi, Qi Gong, Karate Energy Control Methods are related to EFT. EFT removes negative, destructive emotions, thoughts, feelings, stress from the mind/brain, system by correcting energy flow. The body's energies flow correct and strengthen. EFT balances and improves function of the left and right brain hemispheres. This produces good health, clear eyesight. Neck, chest, shoulder, eye muscle tension, stiff, infrequent eye 'shifting' movements, headaches, strain in the mind/brain, negative, unhappy past/present thoughts, emotions, experiences, blocked energy flow, lowered liver/kidney health, staring, squinting cause unclear eyesight. Negative, destructive thoughts, emotions, worry are a common cause of mental strain, back, chest, shoulder, neck, eye muscle tension and unclear eyesight. Lowered eyesight increases worry, mental strain, which then increases the body.., neck, eye muscle tension. Eye function is impaired. Light rays focus incorrect in the eye. Circulation to/in the eye lowers. Vision is more unclear. EFT, Nutrition, Natural Eyesight Improvement corrects these conditions; Blocked energy (experienced during a stressful event) happens first, before the negative emotions occur and locks them into the mind/body. Negative thoughts, emotions maintain blocked energy flow. Removing blocked energy first results in

removal of the negative emotions, thoughts, feelings and often brings instant clear eyesight. As EFT Tapping removes energy blocks, corrects the energy flow, resulting in removal of negative emotions, thoughts, feelings; the person can then place positive, constructive thoughts into the mind, system; think, feel in a positive, constructive way about the past or present stressful event. Positive thoughts, emotions help to correct and strengthen the body's energy flow. Correct energy flow is now maintained. Mental and physical health improve, eye function returns to normal, eyesight is 20/20 and clearer at all distances, close and far. Health of body organs, systems improve as energy flows correct throughout the body. EFT improves the function of the brain, visual cortex, left and right brain hemisphere activation, integration. This improves function of the brain with the eyes, retina, eye muscles and body. Eyesight and mental, physical health improve. Memory, imagination, math, science, speech, learning, creativity, art, music., skills - all functions of the brain, left and right hemispheres even the oldest, deep survival areas of the brain improve. This is a main treatment of Natural Eyesight Improvement.
