A VICIOUS LIFESTYLE Solomon King,2019-09-19 Crack addiction is a growing cancer in many of our inner cities. Many of the individuals caught up in this vicious lifestyle feel helpless and powerless and, sometimes, despite all their aspirations, just give up in life. This is because crack, among other drugs, has some very unique characteristics that simply makes it the worst drug one can be addicted to. Alhaji has just gotten himself entangled into this dangerous lifestyle of which he knows practically nothing about, drawn by the superficial glitz that dangles like trap bait inside this sordid lifestyle. As an amateur in the game, he knows very little about the lifestyle he has gotten himself into or the dangerous people he is bound to cross in this precarious lifestyle. This is why he felt so fortunate the day he ran into a guy who happens to know everything about the disease of crack addiction. Camello has been living this lifestyle for so long that he has devised ways to not only thrive in this vicious lifestyle but also to profit from it. He decides to teach Alhaji how

to thrive in the game, and Alhaji was very grateful to be his protégé. However, in the end, Alhaji will have to learn a bitter lesson about crack addiction-that some things are just too good to be true

Love and the Corps Ava Cuvay, 2016-08-05 Bound by duty, two soldiers yield to their hearts' command. Captain Jo Behsue has never questioned her career with Central Command's leading military force—until now. Recent mission failures and the constant battle for acceptance from her fellow Corpsmen kindle her frustration, while the attention of a golden-eyed Klorakian mercenary ignites her body. Wrapped in his arms, she discovers even a scarred, hollow shell of a captain can love. An officer in the Klorakian militia, Lux fights to return the rightful monarch to their homeworld's throne—a planet which scorns his genetic shortcomings. He is loyal to his cause and king, but faces a bleak future once their mission is complete. His seduction of the combative yet beautiful Captain Behsue provides a glimpse of hope, and he fights for a life with Jo, who finds only beauty in his defects. This book is intended for a mature audience. It contains graphic language, vivid relations, and the word “moist.”

The Art of Magic Thomas Nelson Downs, 1921

Ten Little Fingers and Ten Little Toes Mem Fox, 2008 As everyone knows, nothing is sweeter than tiny baby fingers and chubby baby toes. . . . And here, from two of the most gifted picture-book creators of our time, is a celebration of baby fingers, baby toes, and the joy they--and the babies they belong to--bring to everyone, everywhere, all over the world

This is a gorgeously simple picture book for very young children, and once you finish the rhythmic, rhyming text, all you'll want to do is go back to the beginning . . . and read it again. The luminous watercolor illustrations of these roly-poly little ones from a variety of backgrounds are adorable, quirky, and true to life, right down to the wrinkles, dimples, and pudges in their completely squishable arms, legs, and tummies.

The Middle Finger Project Ash Ambirge, 2020-02-11 Fresh, funny, and fearless, *The Middle Finger Project* is a point-by-point primer on how to get unstuck, slay imposter syndrome, trust in your own worth and ability, and become a strong, capable, wonderful, weird, brilliant, ballsy, unfuckwithable YOU. Don't worry, this isn't a book about God, nor is it a book about Ryan Gosling (second in command). But it is a book about authority and becoming your own. --Ash Ambirge After a string of dead-end jobs and a death in the family, Ash Ambirge was down to her last \$26 and sleeping in a Kmart parking lot when she faced the truth: No one was coming to her rescue. It was up to her to appoint herself. That night led to what eventually became a six-figure freelance career as a sought-after marketing and copywriting consultant, all while sipping coffee from her front porch in Costa Rica. She then launched *The Middle Finger Project*, a blog and online course hub, which has provided tens of thousands of young women who disobey with the tools and mindset to give everyone else's expectations the finger and get on your own path to happiness, wealth, independence, and adventure. In her first book, Ash draws on her unconventional personal story to offer a fun, bracing, and occasionally potty-mouthed manifesto for the transformative power of radical self-reliance. Employing the signature wit and wordsmithing she's used to build an avid following, she offers paradigm-shifting advice along the lines of:

• The best feeling in the world is knowing who you are and what you're capable of doing. • Life circumstances are not life sentences. If a Scranton girl who grew up in a trailer park can make it, so can you. • What you believe about yourself will either murder your chances or save your life. So why not believe something good? • You don't need a high-ranking job title to be authorized to contribute. You just need to contribute. • Be your own authority. Authority only works as long as you trust that someone smarter than you is making the rules. • The way you become a force is by being the most radically real version of yourself that you can be. • You only have 12 fucks a day to give, so use them wisely.
