Jackson Lears

The Magic of Thinking Big David J. Schwartz, 2014-12-02 The timeless and practical advice in *The Magic of Thinking Big* clearly demonstrates how you can: Sell more Manage better Lead fearlessly Earn more Enjoy a happier, more fulfilling life With applicable and easy-to-implement insights, you'll discover: Why believing you can succeed is essential How to quit making excuses The means to overcoming fear and finding confidence How to develop and use creative thinking and dreaming Why making (and getting) the most of your attitudes is critical How to think right towards others The best ways to make "action" a habit How to find victory in defeat Goals for growth, and How to think like a leader Believe Big," says Schwartz. "The size of your success is determined by the size of your belief. Think little goals and expect little achievements. Think big goals and win big success. Remember this, too! Big ideas and big plans are often easier -- certainly no more difficult - than small ideas and small plans.

Futhark Edred Thorsson, 1984-01-01 Runes are the ancient Norse alphabet used for communication, divination, and magical work. In *Futhark*, American runologist Edred Thorsson introduces readers to the 24 runes of the Elder Futhark, their definitions, and mystic properties. The runic system of magic and mysticism is one of the most powerful forms of metaphysical thought available to the Western world. This bestselling classic book on Runes continues to be required reading for those who seek true knowledge of the mystery of the Runes. Thorsson's presentation of this powerful system is lucid and profound and provides a valuable tool for spiritual transformation and self-development.

Unfaithful Carol Faulkner, 2019-10-18 In her 1855 fictionalized autobiography, Mary Gove Nichols told the story of her emancipation from her first unhappy marriage, during which her husband controlled her body, her labor, and her daughter. Rather than the more familiar metaphor of prostitution, Nichols used adultery to define loveless marriages as a betrayal of the self, a consequence far more serious than the violation of a legal contract. Nichols was not alone. In *Unfaithful*, Carol Faulkner places this view of adultery at the center of nineteenth-century efforts to redefine marriage as a voluntary relationship in which love alone determined fidelity. After the Revolution, Americans understood adultery as a sin against God and a crime against the people. A betrayal of marriage vows, adultery was a cause for divorce in most states as well as a basis for civil suits. Faulkner depicts an array of nineteenth-century social reformers who challenged the restrictive legal institution of marriage, redefining adultery as a matter of individual choice and love. She traces the beginning of this redefinition of adultery to the evangelical ferment of the 1830s and 1840s, when perfectionists like John Humphrey Noyes, founder of the Oneida Community, concluded that marriage obstructed the individual's relationship to God. In the 1840s and 1850s, spiritualist, feminist, and free love critics of marriage fueled a growing debate over adultery and marriage by emphasizing true love and consent. After the Civil War, activists turned the act of adultery into a form of civil disobedience, culminating in Victoria Woodhull's publicly charging the Reverend Henry Ward Beecher with marital infidelity. *Unfaithful* explores how nineteenth-century reformers mobilized both

the metaphor and the act of adultery to redefine marriage between 1830 and 1880 and the ways in which their criticisms of the legal institution contributed to a larger transformation of marital and gender relations that continues to this day.

Animal Spirits Jackson Lears, 2023-06-20 [A] master class in American cultural and intellectual history. –Sarah E. Igo, The New York Times Book Review Jackson Lears is the preeminent cultural historian of the American empire. This book is another masterpiece in his magisterial corpus.’’ –Cornel West A master historian's retrieval of the spiritual visions and vitalisms that animate American life and the possibilities they offer today. In *Animal Spirits*, the distinguished historian Jackson Lears explores an alternative American cultural history by tracking the thinkers who championed the individual's spontaneous energies and the idea of a living universe against the strictures of conventional religion, business, and politics. From Puritan times to today, Lears traces ideas and fads such as hypnosis and faith healing from the pulpit and stock exchange to the streets and the betting table. We meet the great prophets of American vitality, from Walt Whitman and William James to Andrew Jackson Davis (the “Poughkeepsie Seer”) and the “New Thought” pioneer Helen Wilmans, who spoke of the “god within—rendering us diseaseless incarnations of the great I Am. Well before John Maynard Keynes stressed the reliance of capitalism on investors’ “animal spirits,” these vernacular vitalists established an American religion of embodied mind that also suited the needs of the marketplace. In the twentieth century, the vitalist impulse would be enlisted in projects of violent and racially charged national regeneration by Theodore Roosevelt and his legatees, even as African American writers confronted the paradoxes of primitivism and the 1960s counterculture imagined new ways of inspiring the universe. Today, scientists are rediscovering the best features of the vitalist tradition—permitting us to reclaim the role of chance and spontaneity in the conduct of our lives and our understanding of the cosmos. Includes 8 pages of black-and-white images

Finding List with Ordinance Establishing Same Council Bluffs (Iowa). Free Public Library, 1882

The Universalist Movement in America, 1770-1880 Ann Lee Bressler, 2001 This text offers a cultural history of Universalism & the Universalist idea - the idea that an all-good & all-powerful God saves all souls. Bressler puts forth the unique argument that early Universalists were proponents of an 'improved' Calvinism.

A Shadow Bright and Burning (Kingdom on Fire, Book One) Jessica Cluess, 2016-09-20 Vivid characters, terrifying monsters, and world building as deep and dark as the ocean. --Victoria Aveyard, #1 New York Times bestselling author of *Red Queen* I am Henrietta Howel. The first female sorcerer in hundreds of years. The prophesied one. Or am I? Henrietta Howel can burst into flames. Forced to reveal her power to save a friend, she's shocked when instead of being executed, she's invited to train as one of Her Majesty's royal sorcerers. Thrust into the glamour of Victorian London, Henrietta is declared the chosen one, the girl who will defeat the Ancients, bloodthirsty demons terrorizing humanity. She also meets her fellow sorcerer trainees, handsome young men eager to test her power and her heart. One will challenge her. One will fight for her. One will betray her. But Henrietta Howel is not the chosen one. As she plays a dangerous game of deception, she discovers that the sorcerers have their own

secrets to protect. With battle looming, what does it mean to not be the one? And how much will she risk to save the city—and the one she loves? Exhilarating and gripping, Jessica Cluess's spellbinding fantasy introduces a powerful, unforgettably heroine, and a world filled with magic, romance, and betrayal. Hand to fans of Libba Bray, Sarah J. Maas, and Cassandra Clare. The magic! The intrigue! The guys! We were sucked into this monster-ridden, alternative England from page one. Henrietta is literally a 'girl on fire' and this team of sorcerers training for battle had a pinch of Potter blended with a drop of [Cassandra Clare's] *Infernal Devices*. --Justine Magazine
Cluess gamely turns the chosen-one trope upside down in this smashing dark fantasy. --Publishers Weekly, Starred Review Unputdownable. I loved the monsters, the magic, and the teen warriors who are their world's best hope! Jessica Cluess is an awesome storyteller! --Tamora Pierce, #1 New York Times bestselling author
A fun, inventive fantasy. I totally have a book crush on Rook. --Sarah Rees Brennan, New York Times bestselling author
Pure enchantment. I love how Cluess turned the 'chosen one' archetype on its head. With the emotional intensity of my favorite fantasy books, this is the kind of story that makes you forget yourself. --Roshani Chokshi, New York Times bestselling author of *The Star-Touched Queen*
A glorious, fast-paced romp of an adventure. Jessica Cluess has built her story out of my favorite ingredients: sorcery, demons, romance, and danger. --Kelly Link, author of *Pretty Monsters*

Reading-literature Harriet Taylor Treadwell, Margaret Free, Thomas Henry Briggs, Henry William Shryock, 1918

Reading-literature Fourth Reader Harriette Taylor Treadwell, 1913

Ghostwritten David Mitchell, 2007-12-18 By the New York Times bestselling author of *The Bone Clocks* and *Cloud Atlas* A gallery attendant at the Hermitage. A young jazz buff in Tokyo. A crooked British lawyer in Hong Kong. A disc jockey in Manhattan. A physicist in Ireland. An elderly woman running a tea shack in rural China. A cult-controlled terrorist in Okinawa. A musician in London. A transmigrating spirit in Mongolia. What is the common thread of coincidence or destiny that connects the lives of these nine souls in nine far-flung countries, stretching across the globe from east to west? What pattern do their linked fates form through time and space? A writer of pyrotechnic virtuosity and profound compassion, a mind to which nothing human is alien, David Mitchell spins genres, cultures, and ideas like gossamer threads around and through these nine linked stories. Many forces bind these lives, but at root all involve the same universal longing for connection and transcendence, an axis of commonality that leads in two directions—to creation and to destruction. In the end, as lives converge with a fearful symmetry, *Ghostwritten* comes full circle, to a point at which a familiar idea—that whether the planet is vast or small is merely a matter of perspective—strikes home with the force of a new revelation. It marks the debut of a writer of astonishing gifts.

Monthly Bulletin San Francisco Free Public Library, 1905

Basic Music Theory Jonathan Harnum, 2005 *Basic Music Theory* takes you through the sometimes confusing world of written music with a clear, concise style that is at times funny and always friendly. The book is written by an experienced teacher using methods refined over more than ten years in his private teaching studio and in schools.

Drama of the Siglo de Oro Mario N. Pavia,1959

The Thousand Autumns of Jacob de Zoet David Mitchell,2010-06-29 By the New York Times bestselling author of *The Bone Clocks* and *Cloud Atlas* | Longlisted for the Man Booker Prize In 2007, Time magazine named him one of the most influential novelists in the world. He has twice been short-listed for the Man Booker Prize. The New York Times Book Review called him simply “a genius.” Now David Mitchell lends fresh credence to The Guardian’s claim that “each of his books seems entirely different from that which preceded it.” *The Thousand Autumns of Jacob de Zoet* is a stunning departure for this brilliant, restless, and wildly ambitious author, a giant leap forward by even his own high standards. A bold and epic novel of a rarely visited point in history, it is a work as exquisitely rendered as it is irresistibly readable. The year is 1799, the place Dejima in Nagasaki Harbor, the “high-walled, fan-shaped artificial island” that is the Japanese Empire’s single port and sole window onto the world, designed to keep the West at bay; the farthest outpost of the war-ravaged Dutch East Indies Company; and a de facto prison for the dozen foreigners permitted to live and work there. To this place of devious merchants, deceitful interpreters, costly courtesans, earthquakes, and typhoons comes Jacob de Zoet, a devout and resourceful young clerk who has five years in the East to earn a fortune of sufficient size to win the hand of his wealthy fiancée back in Holland. But Jacob’s original intentions are eclipsed after a chance encounter with Orito Aibagawa, the disfigured daughter of a samurai doctor and midwife to the city’s powerful magistrate. The borders between propriety, profit, and pleasure blur until Jacob finds his vision clouded, one rash promise made and then fatefully broken. The consequences will extend beyond Jacob’s worst imaginings. As one cynical colleague asks, “Who ain’t a gambler in the glorious Orient, with his very life?” A magnificent mix of luminous writing, prodigious research, and heedless imagination, *The Thousand Autumns of Jacob de Zoet* is the most impressive achievement of its eminent author. Praise for *The Thousand Autumns of Jacob de Zoet* “A page-turner . . . [David] Mitchell’s masterpiece; and also, I am convinced, a masterpiece of our time.”—Richard Eder, *The Boston Globe* “An achingly romantic story of forbidden love . . . Mitchell’s incredible prose is on stunning display. . . . A novel of ideas, of longing, of good and evil and those who fall somewhere in between [that] confirms Mitchell as one of the more fascinating and fearless writers alive.”—Dave Eggers, *The New York Times Book Review* “The novelist who’s been showing us the future of fiction has published a classic, old-fashioned tale . . . an epic of sacrificial love, clashing civilizations and enemies who won’t rest until whole family lines have been snuffed out.”—Ron Charles, *The Washington Post* “By any standards, *The Thousand Autumns of Jacob de Zoet* is a formidable marvel.”—James Wood, *The New Yorker* “A beautiful novel, full of life and authenticity, atmosphere and characters that breathe.”—Maureen Corrigan, NPR

Good and Cheap Leanne Brown,2015-07-14 A perfect and irresistible idea: A cookbook filled with delicious, healthful recipes created for everyone on a tight budget. While studying food policy as a master’s candidate at

NYU, Leanne Brown asked a simple yet critical question: How well can a person eat on the \$4 a day given by SNAP, the U.S. government's Supplemental Nutrition Assistance Program informally known as food stamps? The answer is surprisingly well: Broiled Tilapia with Lime, Spicy Pulled Pork, Green Chile and Cheddar Quesadillas, Vegetable Jambalaya, Beet and Chickpea Salad—even desserts like Coconut Chocolate Cookies and Peach Coffee Cake. In addition to creating nutritious recipes that maximize every ingredient and use economical cooking methods, Ms. Brown gives tips on shopping; on creating pantry basics; on mastering certain staples—pizza dough, flour tortillas—and saucy extras that make everything taste better, like spice oil and tzatziki; and how to make fundamentally smart, healthful food choices. The idea for Good and Cheap is already proving itself. The author launched a Kickstarter campaign to self-publish and fund the buy one/give one model. Hundreds of thousands of viewers watched her video and donated \$145,000, and national media are paying attention. Even high-profile chefs and food writers have taken note—like Mark Bittman, who retweeted the link to the campaign; Francis Lam, who called it “Terrific!”; and Michael Pollan, who cited it as a “cool kickstarter.” In the same way that TOMS turned inexpensive, stylish shoes into a larger do-good movement, Good and Cheap is poised to become a cookbook that every food lover with a conscience will embrace.

Folk Women and Indirection in Morrison, Ní Dhuibhne, Hurston, and Lavin Jacqueline Fulmer, 2013-04-28 Focusing on the lineage of pivotal African American and Irish women writers, Jacqueline Fulmer argues that these authors often employ strategies of indirection, via folkloric expression, when exploring unpopular topics. This strategy holds the attention of readers who would otherwise reject the subject matter. Fulmer traces the line of descent from Mary Lavin to Éilís Ní Dhuibhne and from Zora Neale Hurston to Toni Morrison, showing how obstacles to free expression, though varying from those Lavin and Hurston faced, are still encountered by Morrison and Ní Dhuibhne. The basis for comparing these authors lies in the strategies of indirection they use, as influenced by folklore. The folkloric characters these authors depict—wild denizens of the Otherworld and wise women of various traditions—help their creators insert controversy into fiction in ways that charm rather than alienate readers. Forms of rhetorical indirection that appear in the context of folklore, such as signifying practices, masking, sly civility, and the grotesque or bizarre, come out of the mouths and actions of these writers' magical and magisterial characters. Old traditions can offer new ways of discussing issues such as sexual expression, religious beliefs, or issues of reproduction. As differences between times and cultures affect what can and cannot be said, folkloric indirection may open up a vista to discourses of which we as readers may not even be aware. Finally, the folk women of Morrison, Ní Dhuibhne, Hurston, and Lavin open up new points of entry to the discussion of fiction, rhetoric, censorship, and folklore.

Cross-cultural Visions in African American Modernism Yoshinobu Hakutani, 2006 Yoshinobu Hakutani traces the development of African American modernism, which initially gathered momentum with Richard Wright's literary manifesto *Blueprint for Negro Writing* in 1937. Hakutani dissects and discusses the cross-cultural influences on the then-burgeoning discipline in three stages: American dialogues, European and African cultural visions, and

Asian and African American cross-cultural visions. In writing *Black Boy*, the centerpiece of the Chicago Renaissance, Wright was inspired by Theodore Dreiser. Because the European and African cultural visions that Wright, Ralph Ellison, Alice Walker, and Toni Morrison acquired were buttressed by the universal humanism that is common to all cultures, this ideology is shown to transcend the problems of society. Fascinated by Eastern thought and art, Wright, Walker, Sonia Sanchez, and James Emanuel wrote highly accomplished poetry and prose. Like Ezra Pound, Wright was drawn to classic haiku, as reflected in the 4,000 haiku he wrote at the end of his life. As W. B. Yeats's symbolism was influenced by his cross-cultural visions of noh theatre and Irish folklore, so is James Emanuel's jazz haiku energized by his cross-cultural rhythms of Japanese poetry and African American music. The book demonstrates some of the most visible cultural exchanges in modern and postmodern African American literature. Such a study can be extended to other contemporary African American writers whose works also thrive on their cross-cultural visions, such as Amiri Baraka, Ishmael Reed, Charles Johnson, and haiku poet Lenard Moore.

Hessians and Hellhounds Tilly Wallace, 2021-08-06 Fire erases all... even the undead... One of London's most recognisable Afflicted has been incinerated in a horrifying way. Whispers spread that a hellhound prowls the streets, snatching the lost souls who have escaped the underworld. Except Wycliff is doing no such thing—could there possibly be another such creature in London? While Hannah and Wycliff investigate the unnatural flames, unrest grows on the streets as someone seeks to reveal the carefully kept secret of how the undead women stave off rot. Someone is agitating for all Afflicted to be eradicated, in a conspiracy that will set the common Englishman against the nobles. To save the Afflicted and stop the uprising, Wycliff must face the void that whispers his name from an inky darkness. While in the afterlife, can he also wrest Hannah free of the curse waiting to stop her heart? Assuming they can get out alive...
