Startup Communities Brad Feld, 2012-09-06 An essential guide to building supportive entrepreneurial communities Startup communities are popping up everywhere, from cities like Boulder to Boston and even in countries such as Iceland. These types of entrepreneurial ecosystems are driving innovation and small business energy. Startup Communities documents the buzz, strategy, long-term perspective, and dynamics of building communities of entrepreneurs who can feed off of each other's talent, creativity, and support. Based on more than twenty years of Boulder-based entrepreneur turned-venture capitalist Brad Feld's experience in the field—as well as contributions from other innovative startup communities—this reliable resource skillfully explores what it takes to create an entrepreneurial community in any city, at any time. Along the way, it offers valuable insights into increasing the breadth and depth of the entrepreneurial ecosystem by multiplying connections among entrepreneurs and mentors, improving access to entrepreneurial education, and much more. Details the four critical principles needed to form a sustainable startup community Perfect for entrepreneurs and venture capitalists seeking fresh ideas and new opportunities Written by Brad Feld, a thought-leader in this field who has been an early-stage investor and successful entrepreneur for more than twenty years Engaging and informative, this practical guide not only shows you how startup communities work, but it also shows you how to make them work anywhere in the world.

*The Demon of Writing* Ben Kafka, 2020-03-10 A history and theory of the powers, the failures, and even the pleasures of paperwork. Since the middle of the eighteenth century, political thinkers of all kinds—radical and reactionary, professional and amateur—have been complaining about “bureaucracy.” But what, exactly, are they complaining about? In *The Demon of Writing*, Ben Kafka offers a critical history and theory of one of the most ubiquitous, least understood forms of media: paperwork. States rely on records to tax and spend, protect and serve, discipline and punish. But time and again, this paperwork proves to be unreliable. Examining episodes that range from the story of a clerk who lost his job and then his mind in the French Revolution to an account of Roland Barthes's brief stint as a university administrator, Kafka reveals the powers, the failures, and even the pleasures of paperwork. Many of its complexities, he argues, have been obscured by the comic-paranoid style that characterizes much of our criticism of bureaucracy. Kafka proposes a new theory of what Karl Marx called the “bureaucratic medium.” Moving from Marx to Freud, he argues that this theory of paperwork must include both a theory of praxis and of parapraxis.

**Drawing Pad for Kids** Drawing Pad for Kids, 2017-12-29 This drawing pad for

kids is ideal for your creative little one! We designed it with kids in mind, so it is sized at a perfect 8x10 to make it big enough for designs, yet still easily portable. Our high-quality stock paper can handle crayons, colored pencils & markers! Easy front and back paper will leave no wasted space & tons of room for creativities. Our beautiful front cover has a matte finish and will easily be the coolest thing in their backpacks! Bonus: Great for motor skills practice!

**Making Faces** Abrams Appleseed, 2017-05-30 This baby is happy. Can you make a happy face? Find the happy baby! This bold, beautiful board book features six essential facial expressions: happy, sad, angry, surprised, silly, and sleepy. The idea is simple: Show a large, establishing image of a baby's face, then children making the same face, then ask the reader to find that baby among several other faces. The very last spread includes all of the baby faces and a mirror so babies can watch themselves make every face imaginable.

**More Than Peach (Bellen Woodard Original Picture Book)** Bellen Woodard, 2022-07-26 Penned by the very first Crayon Activist, Bellen Woodard, this picture book will tug at readers' heartstrings and inspire them to make a difference! When Bellen Woodard's classmates referred to the skin-color" crayon, in a school and classroom she had always loved, she knew just how important it was that everyone understood that "skin can be any number of beautiful colors." This stunning picture book spreads Bellen's message of inclusivity, empowerment, and the importance of inspiring the next generation of leaders. Bellen created the More Than Peach Project and crayons with every single kid in mind to transform the crayon industry and grow the way we see our world. And Bellen has done just that! This moving book includes back matter about becoming a leader and improving your community just like Bellen. Her wisdom and self-confidence are sure to encourage any young reader looking to use their voice to make even great spaces better!

Paw Patrol Im Ready to Read with Skye Pi Kids, 2018-02 It's time for some ruff-ruff reading! Created for beginner readers, this PAWsome sound book uses simple sentences, large type, and expressive narration to enhance reading comprehension. Press 10 buttons to hear Skye read the pages out loud. Listen and read along to match the spoken and printed words. You're on a roll with PAW Patrol!

**Friends Behind the Scenes** Dennis Bjorklund, 2023-10-02 Written by an authoritative expert, Friends Behind the Scenes: Backstage Pass to the Series, A Comprehensive History is the most in-depth book ever written about the series. It provides a unique insider perspective and dishes the dirt on never-before-revealed secrets, such as outing the cast member who was nearly fired from the series—TWICE! Friends Behind the Scenes commences with the showrunners' backstory and a comprehensive recounting of the series' concept, the pitch presented to NBC, and the network's objections. Fans get a confidant's look into the TV industry and the trio's struggle to protect their pilot concept and creative vision. The journey also uncovers early script drafts with jaw-dropping disclosures about the main characters—there was a highly promiscuous female, an arrogant, self-centered jerk from Chicago, and a homosexual. The next chapters immerse the sitcom enthusiast into the laborious casting process with amazing revelations, such as the two costars who turned down guaranteed roles and a once-rejected cast member who was only hired because NBC insisted. The likelihood of all six actors being chosen for the pilot was astronomically minuscule, especially since two of

the costars were committed to other projects and a handful of famous actors were offered costarring roles in the series. *Friends Behind the Scenes* unravels the mysteries behind shooting the pilot, how a test audience's negative report nearly capsized the series, and what finally convinced NBC to gamble on adding the show to its fall schedule. The following pages methodically outline the showrunners' diligent efforts to assemble an incomparable creative team and hire brilliant wardrobe, hair, and makeup specialists who redefined 1990s fashion. Of course, TV junkies cannot forget the memorable title sequence with all the fountain frivolity and the mind-numbing theme song that captivated the world. Astonishingly, the original intro was completely different with an up-tempo singalong by a famous rock band that refused to license the track because the lead singer despised the hit single. Avid enthusiasts will discover how The Rembrandts were eventually hired and why they did not want their name attached to the bubblegum pop ditty. Readers are transported backstage to witness how episodes were produced and how guest stars were chosen, with dazzling insight into the ones that got away, including a famous pop singer, three iconic movie stars, and a rock legend. In addition, tome-travelers will get an insider scoop into the world of stand-ins, body doubles, and famous extras who appeared on the show, and marvel at the history of sets, how they were designed and decorated, and even the story behind famous props and set dressings like the peephole picture frame and burnt-orange sofa. Further interviews unearth the private salary negotiations that eventually made the cast the highest-paid actors on television. Actors' confessions shed light on how success impacted their lives, and what made the sextet decide to call it quits after ten seasons. *Friends* disciples will be privy to the soundstage hysteria during the final days of shooting and the epochal send-off by NBC, while sitcom purists will be enraptured by the historical overview of the show's evolution from struggling newbie to ratings giant en route to its unprecedented success in syndication and streaming. Finally, the remaining chapters detail the societal impact of *Friends*, and offer numerous trivia tidbits that have evaded most *Friends* aficionados for decades.
