Sahaja Yoga Shri Mataji Nirmala Devi,2018-04-15 Shri Mataji writes that “India is a very ancient country and it has been blessed by many seers and saints who wrote treatises about reality and guidelines on how to achieve it.” This is just such a book. This book is both an introduction to Sahaja Yoga, describing the nature of the subtle reality within each of us, and a step-by-step handbook on how to be a good Sahaja Yogi, the nature of Sahaj culture, how to be a leader and how to raise children. “The knowledge of Sahaja Yoga cannot be described in a few sentences or one small book, but one should understand that all this great work of creation and evolution is done by some great subtle organization, which is in the great divine form.”

Bani Of Bhagats Dr. G.S. Chauhan,2006

Gaṇeśapurāṇa Greg Bailey,2008 This book offers a translation of the seven thousand verses of the second book of the medieval Hindu text, the Ganesa Purana, one of two Puranas dedicated to the important elephant-headed god. In this book the reader is given many narratives about Ganesa's ascent to earth in order to kill demonic figures who threaten to overthrow the correct world order. In addition, these narratives contain myths about Ganesa's birth and family as well as some extended and quite humorous myths about ideal devotees of the god. The translation is preceded by a long introduction offering a geographical and historical context for the Ganesa Purana. Following the translation are very extensive notes which bring our points of philological interest, but focus mainly on the literary structure of the text and the methods used to present the many myths and narratives in a coherent and fully integrated manner.

Cultural History of Manipur Jamini Devi,2010 Articles chiefly on the dance styles accompanying Maharas, a form of Rāsālīlā, Vaishnava drama, from Manipur, India, and the contribution of Sija Laioibi, b. 1771, Vaishnava woman saint and princess from the royal state.

Miracle of Love - Stories about Neem Karoli Baba Ram Dass, The material in this volume is culled from over two thousand stories about Maharajji gathered during five years from more than one hundred devotees. To these devotees who shared their treasured memories, I wish to express my deep love and appreciation. Some of them felt that no book could or should be written about a being with qualities as vast, formless, and subtle as Maharajji's, and yet they contributed their stories nevertheless. I honor them for this kindness and I hope that in my zeal to share experiences of Maharajji with others who were not fortunate enough to have met him, I have not misused their trust. Some devotees tell me that stories told by other devotees are not factually accurate. I have no way of ascertaining the authenticity of any single story. All I can report is that those of us who gathered the stories were impressed by the credibility of those of us who told the stories. Though the responsibility for this manuscript lies solely with me, I am delighted to acknowledge a lot of loving help from my friends:
