**Amy Tan** Mary Ellen Snodgrass, 2015-01-24 In the mid-1980s, Amy Tan was a successful but unhappy corporate speechwriter. By the end of the decade, she

was perched firmly atop the best-seller lists with *The Joy Luck Club*, with more popular novels to follow. Tan's work—once pigeonholed as ethnic literature—resonates with universal themes that cross cultural and ideological boundaries, and prove wildly successful with readers of all stripes. Tender, sincere, complex, honest and uncompromising in its portrayal of Chinese culture and its affect on women, Amy Tan's work earned her both praise and excoriation from critics, adoration from fans, and a place as one of America's most notable modern writers. This reference work introduces and summarizes Amy Tan's life, her body of literature, and her characters. The main text is comprised of entries covering characters, dates, historical figures and events, allusions, motifs and themes from her works. The entries combine critical insights with generous citations from primary and secondary sources. Each entry concludes with a selected bibliography. There is also a chronology of Tan's family history and her life. Appendices provide an overlapping timeline of historical and fictional events in Tan's work; a glossary of foreign terms found in her writing; and a list of related writing and research topics. An extensive bibliography and a comprehensive index accompany the text.

**Mahjong** Annelise Heinz, 2021 *Mahjong: A Chinese Game and the Making of Modern American Culture* illustrates how the spaces between tiles and the moments between games have fostered distinct social cultures in the United States. This mass-produced game crossed the Pacific, creating waves of

popularity over the twentieth century. Mahjong narrates the history of this game to show how it has created a variety of meanings, among them American modernity, Chinese American heritage, and Jewish American women's culture. As it travelled from China to the United States and caught on with Hollywood starlets, high society, middle-class housewives, and immigrants alike, mahjong became a quintessentially American pastime. This book also reveals the ways in which women leveraged a game for a variety of economic and cultural purposes, including entrepreneurship, self-expression, philanthropy, and ethnic community building. One result was the forging of friendships within mahjong groups that lasted decades. This study unfolds in two parts: the first half is focused on mahjong's history as related to consumerism, with a close examination of its economic and cultural origins. The second half of the book explores how mahjong interwove with the experiences of racial inclusion and exclusion in the evolving definition of what it means to be American. Mahjong players, promoters, entrepreneurs, and critics tell a broad story of American modernity. The apparent contradictions of the game - as both American and foreign, modern and supposedly ancient, domestic and disruptive of domesticity - reveal the tensions that lie at the heart of modern American culture--

**The Music Child & the Mahjong Queen** Alfred A. Yuson, 2017-11-22 An earlier manuscript titled *The Music Child* was shortlisted for the Man Asia Literary Prize in 2008. Alfred A. Yuson's previous novels are *Great Philippine Jungle*

Energy Cafe and Voyeurs & Savages. Again, this third novel explores the marvels skirting the boundaries of realism, or goes much farther beyond after establishing adequate suspension of disbelief. Genres are blurred in the crafting of long fiction that is both poetry and prophecy. This the author does with visionary whimsy. In this narrative, the central protagonist's wondrous voice is stilled time and again by the deaths of his loved ones. Bereft of song, the boy finally learns to speak, then learns to turn the words of others into music on paper. The processes of mimicry and extrapolation result in an extended poetic suite that invents legends as well as a mythical conflict involving the imperialism of languages. The music child's extraordinary talents are matched by those of the young mahjong queen who can't be beaten in the game since the angels of her youth speak through her fingers. Around them, foreign friends and relations representing former colonizers provide a framework of discovery, while themselves dancing to the historic chorus of destiny in the magical East. The music child and the mahjong queen endear themselves to one another through the palpable vocabulary of flowers.

Live E.P.I.C. Kristin Noto, 2022-08-09 A modern spin on the timeless moral virtues, presenting a blueprint for using ethics to build a happier, healthier, more fulfilling life. Thirty years ago, as a twenty-something engaged to her now-husband Anthony, Kristin found herself navigating that often-fraught relationship of daughter-in-law versus mother-in-law. In this

case, Kristin and her future mother-in-law Roseanne were getting along famously, until things took a turn and then suddenly, they weren't. By the time the wedding was over, and Kristin and Anthony were settled in their new life together, she was barely on speaking terms with Roseanne. After puzzling over what to do, Kristin eventually realized that in order for things to truly improve with her mother-in-law, she would need to improve herself. Through Kristin's "Excellence Personified in Character" system, readers will learn to embrace a growth mindset for personal character and cultivate the seven E.P.I.C. virtues: Gratitude, Faith, Honesty, Perseverance, Charity, Wisdom, and Prudence. This book reveals that when we Live E.P.I.C., we invest in ourselves, we are better equipped to navigate setbacks, and our lives and relationships become happier, richer, and more success-filled.

*The Joy Luck Club* Amy Tan, 2006-09-21 "The Joy Luck Club is one of my favorite books. From the moment I first started reading it, I knew it was going to be incredible. For me, it was one of those once-in-a-lifetime reading experiences that you cherish forever. It inspired me as a writer and still remains hugely inspirational." –Kevin Kwan, author of *Crazy Rich Asians* Amy Tan's beloved, New York Times bestselling tale of mothers and daughters, now the focus of a new documentary *Amy Tan: Unintended Memoir* on Netflix Four mothers, four daughters, four families whose histories shift with the four

winds depending on who's saying the stories. In 1949 four Chinese women, recent immigrants to San Francisco, begin meeting to eat dim sum, play mahjong, and talk. United in shared unspeakable loss and hope, they call themselves the Joy Luck Club. Rather than sink into tragedy, they choose to gather to raise their spirits and money. To despair was to wish back for something already lost. Or to prolong what was already unbearable. Forty years later the stories and history continue. With wit and sensitivity, Amy Tan examines the sometimes painful, often tender, and always deep connection between mothers and daughters. As each woman reveals her secrets, trying to unravel the truth about her life, the strings become more tangled, more entwined. Mothers boast or despair over daughters, and daughters roll their eyes even as they feel the inextricable tightening of their matriarchal ties. Tan is an astute storyteller, enticing readers to immerse themselves into these lives of complexity and mystery.

**Taiwan Cinema, Memory, and Modernity** Ivy I-chu Chang, 2019-01-04 This book investigates the aesthetics and politics of Post/Taiwan-New-Cinema by examining fifteen movies by six directors and frequent award winners in international film festivals. The book considers the works of such prominent directors as Edward Yang, Tsai Ming-liang and Chang Tsuo-chi and their

influence on Asian films, as well as emergent phenomenal directors such as Wei Te-sheng, Zero Chou, and Chung Mong-hong. It also explores the possibility of transnational and trans-local social sphere in the interstices of layered colonial legacies, nation-state domination, and global capitalism. Considering Taiwan cinema in the wake of globalization, it analyses how these films represent the socio-political transition among multiple colonial legacies, global capitalism, and the changing cross-strait relation between Taiwan and the Mainland China. The book discusses how these films represent nomadic urban middle class, displaced transnational migrant workers, roaming children and young gangsters, and explores how the continuity/disjuncture of globalization has not only carved into historical and personal memories and individual bodies, but also influenced the transnational production modes and marketing strategies of cinema.
