This reference work introduces and summarizes Amy Tan's life, her body of literature, and her characters. The main text is comprised of entries covering characters, dates, historical figures and events, allusions, motifs and themes from her works. The entries combine critical insights with generous citations from primary and secondary sources. Each entry concludes with a selected bibliography. There is also a chronology of Tan's family history and her life. Appendices provide an overlapping timeline of historical and fictional events in Tan's work; a glossary of foreign terms found in her writing; and a list of related writing and research topics.
