Nataly Kogan

You Make Me Happy Smriti Prasad-Halls,2019-01-15 A new beautifully illustrated celebration of love and friendship from the bestselling creators behind *I'll Never Let You Go* and *I Love You Night and Day*. Now in an audio eBook edition that reads aloud as you turn the pages! In this delightfully optimistic and uplifting observance of that special someone who makes you happy, Fox and Porcupine discover that when they're together, life is ever so much brighter. Gorgeous, fun, and full of heart, this is the perfect gift for that sweet ray of light in your life. You make me happy, you make me new; Together there's NOTHING that we cannot do. You make me happy and hopeful and strong, And right by your side is where I belong.

This Makes Me Sad Courtney Carbone,2022-03-08 If feeling blue isn't bad enough, it's even worse without your best furry friend. *This Makes Me Sad* follows a young boy after he accidentally lets his dog, Kit, loose from the yard. Despite his parents' attempt to find her, nothing can cheer up the boy. His favorite things, like a pretty sunset, going to the park, and his beloved teddy bear, just make him more sad. Even happy memories of Kit no longer feel good. With help from his family, the boy must learn to accept and express how he's feeling inside. And by dealing with his feelings, he might just be able to do some good until Kit comes home. Easy-to-read text and evocative illustrations make this relatable second story in the *Dealing with Feelings* series a perfect practice in emotional maturity for kids.

My Friends Make Me Happy! Jan Thomas,2018 Invites readers to guess, along with Sheep's friends, the mysterious thing that starts with the letter F that makes Sheep happy.

Things That Make Me Happy ,2017-10-03 In the grand tradition of *Raindrops on roses* and *whiskers on kittens* comes an uplifting tribute to 100 everyday things worth celebrating. The list, in rhyming couplets, draws directly from a preschool-er's world--from slippery floors to dinosaurs, from goldfish to a birthday wish. Amy

Schwartz weaves a masterful balance between art and text, with each of the 100 items portrayed as its own well-observed and warmly detailed vignette. While the contents provide readers with a frame of reference for the quantity of 100--a celebratory milestone in preschools and early elementary grades--the oversized pages envelop young children in the wonderful things surrounding them. Praise for 100 Things That Make Me Happy
STARRED REVIEW A fun, engaging read. --School Library Journal, starred review

Living with Intent Mallika Chopra, 2016-05-03 "I'm trying to meditate one day but urgent thoughts keep intruding. Don't forget to take cupcakes to school! I have to prepare for my presentation for the wellness conference! Is that lunch with the other moms tomorrow or next week? My to-do list is stampeding through my mind, trampling any chance of tranquility. I feel overwhelmed, yes, but there's more: I feel...guilty. Guilty that I'm taking on too much, guilty that I'm not doing anything well, guilty that I'm giving short shrift to my kids, my husband, my job. And what about you, Mallika? a quiet voice asks. How are you shortchanging yourself?" *Living with Intent* is a chronicle of Mallika Chopra's search to find more meaning, joy, and balance in life. She hopes that by telling her story, she can inspire others with her own successes (and failures) as well as share some of the wisdom she has gathered from friends, experts, and family along the way—people like her

dad, Deepak, as well as Eckhart Tolle, Marianne Williamson, Arianna Huffington, Andrew Weil, and Dan Siegel. She also provides a practical road map for how we can all move from thought to action to outcome. Each chapter is devoted to one step on her journey and another piece of her INTENT action plan: Incubate, Notice, Trust, Express, Nurture, and Take Action. Chopra's insights and advice will help us all come closer to fully living the lives we truly intend.

Happier Now Nataly Kogan, 2018-05-01 Experience more joy and meaning each day—and have greater resilience when times get tough What if you could be happier, right now, without radically changing your life? As nationally recognized happiness expert Nataly Kogan teaches, happiness is not a nice feeling or a frivolous extra. It's a critical, non-negotiable ingredient for living a fulfilling, meaningful, and healthy life—and it's a skill that we can all learn and improve through practice. In *Happier Now*, Nataly shares an illuminating, inspiring, and science-based guide to help you build your happier skills and live with more joy, starting now. Nataly's own journey from Russian refugee to successful investor, tech executive, and founder and CEO of Happier taught her an important lesson: no matter how much you accomplish, how much you live the right way, or even how much gratitude you practice, life won't always be smooth. We experience genuine and lasting happiness when we stop trying to turn the negative into the positive, Nataly writes, and when we embrace the full range of our human emotions with compassion and strength. Throughout this engaging guide, Nataly describes how she went from being cynical and resistant to the ideas behind self-improvement and spirituality, to studying everything she could on the science of happiness, to completely shifting her mind-set. You'll learn five core practices for building your happier skills—acceptance, gratitude, intentional kindness, knowing your bigger why, and self-care—along with the scientific research that supports each one. Highlights include: Daily Anchors—Cultivate a custom set of simple

daily practices, fine-tuned for your emotional health needs • Bring more joy and meaning into your life as it is—without needing to make difficult or time-consuming changes • How happiness leads to many of the things you want in life, rather than results from them • Learn an effective five-minute happier workout for whenever you need a boost • Strengthen your emotional immune system so you can be okay when times are tough—and bounce back to happy sooner • Specific instructions for tools and techniques that work—based on what’s actually happening in your brain • Effective exercises, journaling prompts, and key insights for developing each core happier skill As Nataly says: It’s time to stop saying ‘I’ll be happy when . . .’ and start saying ‘I’m happier now because . . .’

By reflecting on her trip and recognizing the many feelings that arose during it, she is able to feel less overwhelmed—and more confident about her positively happy day. While children enjoy expressing themselves—be it through laughter or tears—they don't always have the words to articulate their emotions. The Dealing with Feelings series is designed to give voice to what's brewing inside, showing children how to name their emotions as they also learn to read. Colorful stickers are included in each book.
