Attract Hotter Guys Woody Miller,2018-05-31 Attract Hotter Guys With Irresistible Body Language Are you subconsciously sending "go away" signals to cute guys? Learn how gestures, postures, stances, and handshakes make you more approachable with the first body language guide for gay men. Attract Hotter Guys is Book #2 of 3 Books In The Gay Dating Series. Look In The Mirror. Your Body Language Is All Wrong Can I tell you a story? Going out to bars and parties destroyed my self-esteem. I felt like a complete loser. How many times can you come home without meeting anybody before you feel like there's something wrong with you? Seriously, have you ever come home from parties, events, clubs and bars more depressed than when you left? If you're like me, you've tried everything. Different bars, different people, different events. You changed your look, your clothes, your style. The result? Nada, nothing, zip. You may as well go straight. Well one day, I met a body language expert. He told me something that would change my life: Half the Guys You Like Are Turned Off By Your Body Language You know what my reaction was? "Bullsh_t." I mean, come on! Body language? I'm not meeting good looking guys because of my body language? Puh-leeze. Stay with me because this is where it gets interesting. The body language expert (a psychologist, actually) took me under his wing and coached me in the art of using body language to attract the kind of guys I liked. He wanted a guinea pig—ME—to prove that the sexual body language principles that work for straight couples could, with some adaptation, work for gay men. Yes, body language for gay men. Here's a partial list of what he changed: * The way I shook hands. * The way I leaned in (or away). * How I pointed with my feet (yes, feet, long story). * The angle that I talked to people. * The direction that I approached guys I wanted to meet. * The way I looked at guys I was interested in. * The way I used my body to catch their eye. * The way I used my hands to gesture. The result? In less than an hour, two good-looking guys struck up a conversation with me! After that profound revelation I was determined to make this knowledge available to all other gay guys who couldn't figure out why their love life sucked. So here it is and here's what you'll learn: MAKE YOURSELF MORE APPROACHABLE 1. Wear certain types of shirts and pants. Research shows men are far more attracted to clothes that... Well, it's on Page 23. 2. Wear a certain type of jewelry and accessories. I'll give away one of the secrets right now: Shoes! Find out why on Page 25. 3. Open your "Territory Line." I show you how to do it on Page 26. 4. Create "Invisible Hallways" between the two of you by using your hands and arms while you're talking to friends. 5. Point with your hands, your feet and your head. This is a little known secret among communication researchers. Pointing is an "invitation" (it also reveals how he feels about you). Where should you point and how? It's all on Page 28. 6. Use Inviting Postures. Whether you're standing, sitting (even slouching), there are do's and don'ts to show your interest. They're all on Page 29. 7. Make it easy for him to touch you. See Page 30 for inventive things you can wear or do to make touching you irresistible. They work like a charm! Chasing Adonis Tim Bergling, 2013-04-03 What is it about some men that makes them an object of our deepest desires? And how far are we willing to go in pursuit of those desires? Chasing Adonis: Gay Men & the Pursuit of Perfection delves into one of the most central mysteries of gay life: What is it gay men find attractive in other men, and why? How much is nature, how much is nurture . . . or maybe just clever marketing? This unique book examines steroid use, body image disorders, gym culture, Internet hook-ups, obsession, stalking, porn, erotic Web sites, strip clubs ... and everything else that makes gay men act “a little bit nutty” when they meet someone who drives them “crazy!” Frank, sexy, and controversial, it uses a light touch to examine a serious subject: how gay society objectifies

the male body. Tim Bergling, author of *Sissyphobia: Gay Men and Effeminate Behavior* and *Reeling in the Years: Gay Men's Perspectives on Age and Ageism*, surveys gay men about their individual concepts of beauty and desire and about the almost unattainable "Adonis" standard many of them set for themselves. Teenagers, senior citizens, and the guys "stuck in the middle" discuss the idea of perfection, how much it changes or evolves over time, and whether the exterior "package" outweighs what's inside. From the author: It never ceases to amaze me just how powerful the 'd-word' (desire) can be, how it can take control of our lives and shut everything out, sometimes for just a few moments, sometimes for days or weeks at a time, depending on how badly we're smitten. Ask just about anybody, and they can likely pull up a story from their past—or their present—when they've done something incredibly stupid or ill-advised, or maybe just something completely out of character, in pursuit of their heart's desire. *Chasing Adonis* examines: obsession and rejection self-esteem issues the allure of youth preferences in body shapes, types, and sizes "designer genes" vs. first impressions assessing body parts narcissism or comfort level-why men chase after guys who look like them AIDS and HIV gay porn adult book stores and the Internet the Calvin Klein ad campaign featuring "Marky" Mark Wahlberg the Abercrombie & Fitch ads "Tom of Finland" gay icons weight training and fitness clubs steroids and plastic surgery "circuit parties" body dysmorphia and much more! *Chasing Adonis: Gay Men and the Pursuit of Perfection* is an entertaining and enlightening read for gay men of all ages.

Helping Gay Men Find Love Israel Martinez, 2017-09-18 Navigating the complex dating world is difficult, but finding a life partner is particularly challenging for gay men. On the surface alone, the pool of options is significantly smaller, and potential matches can be hard to spot. But psychology also plays an important role. Growing up as a sexual minority often leads to insecurities and developmental issues particular to gay men, and these create roadblocks when attempting to build a healthy relationship. Author and psychotherapist Israel Martinez, LCSW, who himself identifies as gay, has helped many LGBT clients work through these obstacles in their efforts to find lasting love. His well-researched, well-tested, and effective techniques begin by addressing self-esteem issues and from there work toward building practical relationship skills. These skills, paired with sincere effort, will markedly increase the chances of finding-and sustaining-a healthy partnership. A straightforward and helpful guide, *Helping Gay Men Find Love* builds on itself chapter by chapter, guiding readers through each stage-from the first date to meeting the parents. This book gives gay men a better chance of acquiring what all human beings need: love and companionship.
