Secret Diplomatic History of the Eighteenth Century Karl Marx, 1899 Marx's youngest daughter Eleanor edited this work after his death, but she did not get to finish editing it because of her own untimely passing. However, she'd done the bulk of the work, so the publishers proceeded anyway.

The Lie that Wouldn't Die Hadassa Ben-Itto, 2005 Of all the libels that have served as a means of incitement of hate against Jews, and as intellectual justification of anti-Semitism, the myth of the so-called 'Jewish Conspiracy' to gain domination of the whole world, as embodied in the forged Protocols of the Elders of Zion, is probably the most devious and the most dangerous. Previously only analyzed in academic, footnoted studies, the history of the Protocols is presented here by Judge Hadassa Ben-Itto in an eminently readable, fascinating account, telling the stories of the numerous people involved over the hundred years that the forgery has existed. Above all, this is the story of a judge who follows the Protocols into lawyers' chambers and into courtrooms in Switzerland, in South Africa, in Germany, in the United States and in Russia, and presents the reader with a detailed critical analysis of legal proceedings which culminated in fascinating courtroom

drama. The truth is revealed again and again, but the lie wouldn't die.

Mala's Cat Mala Kacenberg, 2023-04-11 The incredible true story of a young girl who navigated dangerous forests, outwitted Nazi soldiers, and survived against all odds with the companionship of a stray cat. Growing up in the Polish village of Tarnograd on the fringes of a deep pine forest, Mala Szorer had the happiest childhood she could have hoped for. But at the age of twelve, as the German invasion begins, her beloved village becomes a ghetto and her family and friends reduced to starvation. She takes matters into her own hands and bravely removes her yellow star, risking sneaking out to the surrounding villages to barter for food. It is on her way back that she sees her loved ones rounded up for deportation, and receives a smuggled letter from her sister warning her to stay away. In order to survive, she walks away from everything she holds dear to live by herself in the forest, hiding not just from the Nazis but hostile villagers. She is followed by a stray cat who stays with her—and seems to come to her rescue time and time again. Malach the cat becomes her family and her only respite from painful loneliness, a guide, and a reminder to stay hopeful even when faced with unfathomable darkness. Filled with remarkable spiritual strength that allows readers to see the war through the innocence of a child's eyes, Mala's Cat is a powerful and unique addition to the Holocaust canon.
