Mall American Girl: An Independence Day Romantic Novella at the Mall Sarah Robinson,2022-07-01 Oh, say can you see these sparks flying in this 4th of July-themed standalone short romance when singer/songwriter Kamar Jaziri meets the beautiful and undefeated Independence Games champion in a red, white, and blue meet-cute over a plate of hot dogs. Summer Darby, owner of Summer's Sun Spray Tan Salon, is a winner. The end. Every goal she's had, she's crushed and her streak isn't about to come to an end now even though the games have changed. She doesn't care how much the new singer in the pavilion lights her firecracker—she won't be distracted by his star-spangled salute. When Kamar Jaziri isn't studying in graduate school, he's working as a singer/songwriter at small gigs around the local college town—including a recent hire at Yule Heights Shopping Mall. All he wants is a taste of freedom as he chases his American dreams, and that means he doesn't have time for romance or dating. And he definitely doesn't have time for the way Summer Darby looks at him. Cue the sparklers as these blue collar titans of business clash in a comedic battle for independence—and love.

Harvest Neil W. Young,2016-10 The Summer Garden and the Song: Harvest (Book 2) For the residents of Haddon Junction, who had brought in the New Year with the usual revelry and celebration, there was scant reason to expect 1959 to not come and go pretty much like any other year-with little of any consequence to remember it for. For some, though, and especially for Mick Neilson, now seventeen years old, it would be a year to never forget. This is a coming of age story; it is a love story-a story of loves gained, loves lost, and loves unconditional. Where The Summer Garden and the Song: The Circle of Life ended, The Summer Garden and the Song: Harvest begins. It is the continuation of the story of Mick Neilson, the Summer Garden, and a song.

Beware the Mall Stalker Louis F Newcomb,2001-10-11 Shopping malls, or fashion malls, are where most people prefer to do their shopping. Promenades by another name, they offer a one-stop marketplace to satisfy most buyers. A mall also provides shoppers with an indoor covered atmosphere, an air-conditioned shelter and safe haven where one can spend an entire day leisurely browsing from store to store before indulging in one of the many food outlets available. Some malls also offer various attractions and amenities aside from the usual shops. Conversely a mall is also an area where the less desirables may wander about for lack of anywhere else to prowl. They are there not to shop, at least for merchandise per se, but to observe and stare at the attractive faces parading around. Malls are filled with girls and women of all ages, innocently going about their business unaware that perhaps someone is being more

than merely gawked at. Perhaps some creep may be lurking, watching and waiting until his chosen one appears. And when she does, that same foreboding, diabolical fiend may choose to follow the alluring prey, one particular shopper who is preparing to exit the mall and return to her vehicle and then, just maybe, her worst nightmare occurs

Big Mall Kate Black, 2024-02-13 A phenomenology of the mall: If the mall makes us feel bad, why do we keep going back? In a world poisoned by capitalism, what makes life worth living? In less than a century, the shopping mall has morphed from a blueprint for a socialist utopia to something else entirely: a home to disaffected mallrats and depressed zoo animals, a sensory overload and consumerist trap. Kate Black grew up in West Edmonton Mall – a mall on steroids. It's the site of a notoriously lethal rave for teenagers, a fatal rollercoaster accident, and more than one gun-range suicide; it's where oil field workers reap the social mobility of a boom-and-bust economy, the impossibly large structure where teens attempt to invent themselves in dark Hollister sales racks and weird horny escapades in the indoor waterpark. It's a place people love to hate and hate to love – a site of pleasure and pain, of death and violence, of (sub)urban legend. Can malls tell us something important about who we are? Blending a history of shopping with a story of coming-of-age in North America's largest and strangest mall, *Big Mall* investigates how these structures have become the ultimate symbol of late-capitalist dread – and, surprisingly, a subversive site of hope. Ultimately, a close look at the mall reveals clues to how a good life in these times is possible. Speaking as a child of PacSun and Hot Topic myself, *Big Mall* is like a madeleine dipped in Orange Julius. Like a mall, the book itself has a lot of everything, a sublime mix of memoir, history, and cultural criticism. Kate Black is a learned Virgil in the consumerist Inferno, always avoiding the obvious and leading us to surprising connections—oil, suicide, Reddit, squatters, dolphins. Whether malls fill you with nostalgia or horror, this book will change your relationship to the world we've constructed around us." – Tony Tulathimutte, author of *Private Citizens* Before there was Instagram, there was the mall. But what happens when a seasonless, tacky, fantasyland is all you knew growing up? How does one embrace a genuinely fake experience? Or to be more precise, a fake but genuine experience? Kate Black's *Big Mall* is a smart, sentimental, and perspective-shifting look at the outsized role that big malls play in modern life. Love 'em or hate 'em, one thing's for sure: after reading this book, you'll never look at a mall in the same way again. – Ziya Tong, Science broadcaster & author of *The Reality Bubble*

Tattoo Girl Brooke Stevens, 2001-03-21 Warned that Emma may be in danger from whoever gave her the mysterious tattoos, Lucy goes in search of Emma's real identity, a quest that leads Lucy to a confrontation with the demons haunting her past..

The Butcher Shop Girl Carmen Kissel-Verrier, 2020-11-04 *The Butcher Shop Girl* begins with Carmen's unique coming-of-age as she's ripped from her extended family after her Catholic parents' divorce. Learning to conquer unusual places in the name of survival, Carmen spends her childhood working in her mother's slaughterhouse in prairie Alberta, tearing through flesh and getting up to trouble. To escape a violent home, she bounces from house to house, working on the family farm, and eventually in the oil patch. At eighteen, Carmen's competitive craving for money and independence leads her to a career as an exotic dancer. Starting out in seedy small-town dives, she quickly earns her place in high-end clubs throughout North America, becoming an elite world-travelling entertainer. Carmen lives the high life and makes big money. She parties with the Hells Angels and falls in love with a sexy U.S. drug enforcement agent-effortlessly walking the line of two extreme worlds. But when run-ins with premium organized crime land her in Bolivia, she realizes she's gone too far, and the only thing that can free her is to ask her estranged family for help. *The Butcher Shop Girl* is a compelling memoir of resilience and persistence that captures the vivacious spirit of a small-town girl determined to succeed

by any means necessary....

The Mall Richie Tankersley Cusick, 2011-10-04 There's a stalker on the loose at the mall—and there's no safe place to hide. Working at the mall is supposed to be fun. Trish's job at Muffin-Mania is hardly intellectually challenging and her boss is a piece of work, but it's worth it to have a job in the same building as her two best friends, the Hanson twins. And the hot guys who hang out there are an added bonus. But something isn't right about this mall. It's the oldest mall in the state, remodeled over a dozen times without rhyme or reason, and there are many strange nooks and secret passages behind the bright gleaming storefronts. Someone has been stealing housewares, furniture, and food, and now a mysterious man with ash-gray hair and a whisper-soft voice has started harassing Trish on the phone. He knows her secrets, and he has dark plans for her. This ebook features an illustrated biography of Richie Tankersley Cusick including rare photos and never-before-seen documents from the author's personal collection.

The Girl You Thought I Was Rebecca Phillips, 2018-07-31 “A smart and savvy take on coming of age and coming to terms, with a little help from your friends.”—Huntley Fitzpatrick, author of *My Life Next Door* No one looking at Morgan Kemper would think she had a secret—at least not one that she's deeply ashamed of. To everyone she meets, she comes across as sweet, pretty, and put together. But Morgan knows that looks can be deceiving. For over a year, she's shoplifted countless pieces of clothing and makeup. Each time, she tells herself it will be the last, and each time, it never is. But when she's caught and sentenced to thirty hours of community service, the image Morgan has carefully constructed starts to crumble. She's determined to complete her punishment without her friends discovering the truth about her sticky fingers, but that's easier said than done...especially once she meets Eli, the charming, handsome nephew of the owner of the charity shop where Morgan is volunteering. Soon Morgan is faced with an impossible decision: continue to conceal the truth or admit that she's lied to everyone in her life, including the boy she's falling for. Praise for *The Girl You Thought I Was*: “A charming and poignant ode to the seasons of friendship, family, and love, and what happens when we dare to reveal our most messy selves. Simply put, *The Girl You Thought I Was* stole my heart! —Darcy Woods, award-winning author of *Summer of Supernovas* *The Girl You Thought I Was* is an honest, compelling, nuanced look at fallibility, forgiveness, the unhealthy ways we cope, and the people who make us want to be better. If you're a fan of character-driven contemporary, don't miss this one. —Dahlia Adler, author of *Behind the Scenes* and *Just Visiting*
