Peace at Last Guy Cuthbertson,2018-11-06 A vivid, intimate hour-by-hour account of Armistice Day 1918, including photographs: "A pleasure to read . . . full of fascinating tidbits." —The Wall Street Journal This is the first book to focus on the day the armistice was signed between the Allies and Germany, ending World War I. In this rich portrait of Armistice Day, which ranges from midnight to midnight, Guy Cuthbertson brings together news reports, photos, literature, memoirs, and letters to show how the people on the street, as well as soldiers and prominent figures like D. H. Lawrence and Lloyd George, experienced a strange, singular day of great joy, relief, and optimism—and examines how Britain and the wider world reacted to the news of peace. "[A] brilliant portrayal of Britain on the day that peace broke out; when people could believe there was an end to the war to end all wars. He weaves a wonderful tapestry of the mood and events across the country, drawing on a wide range of local and regional newspapers . . . accessible history at its best . . . outstanding." —The Evening Standard

Tales of Old Blount County, Alabama Robin Sterling,2013-08-19 Many of the people and events in Blount County history are well documented. Others, not so much. This book of essays is an attempt to revisit some of the well known events of our county's past, add a little more background, and present our history from a Blount County point of view. In addition to illuminating some familiar topics, this book attempts to bring to light people and events who played significant roles in the development of Blount, but were somehow overlooked or skimmed over by the primary reference books-people and events which were the topic of conversation among our ancestors but over time, have been forgotten. These fun to read tales will promote a greater understanding of the history of Blount County.
