Ask a Manager Alison Green,2018-05-01 From the creator of the popular website Ask a Manager and New York's work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There's a reason Alison Green has been called “the Dear Abby of the work world.” Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don't know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You'll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit “reply all” • you're being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate's loud speakerphone is making you homicidal • you got drunk at the holiday party Praise for Ask a Manager “A must-read for anyone who works . . . [Alison Green's] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work.”—Booklist (starred review) “The author's friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers' lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience.”—Library Journal (starred review) “I am a huge fan of Alison Green's Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor.”—Robert Sutton, Stanford professor and author of The No Asshole Rule and The Asshole Survival Guide “Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way.”—Erin Lowry, author of Broke Millennial: Stop Scraping By and Get Your Financial Life Together

The Everything Guide to Remote Work Jill Duffy,2022-02-08 Discover the secret to being productive and successful no matter where you are with this essential guide to remote work. During COVID-19, working from home became the new normal. Now, both employers and employees find that the remote work they were forced to adjust to may be, well, better—financially, sustainably, and even in terms of overall morale and productivity. But working from home is not without its challenges. It can be difficult to eliminate distractions, strike a solid work/life balance, and maintain social connections that are crucial in the workplace. Whether you're trying to find and land a job from the comfort of your home, learning to manage a virtual team, or dream of living a digital nomad lifestyle, The Everything Guide to Remote Work has everything you need to be successful. You'll learn to optimize your own workplace culture, whether it's in your home office or a constantly changing backdrop. So whether your company continues to work remotely full time or you only have to go to the office a few days a week, you'll be armed with all the tools you'll need to make the most out of this new lifestyle.

Adobe Lightroom Jeff Carlson,2023-06-13 Adobe Lightroom: A Complete Course and Compendium of Features is your guide to using Adobe Lightroom for importing, organizing, editing, and outputting your images. Whether you're keywording your most recent shoot, organizing your photo library, or developing and printing your best five-star images, Lightroom is the tool for you—and this book will teach you what you need to know. First, with a complete Course that includes a set of projects and lessons created by photographer and author Jeff Carlson, you will learn the procedures needed to use Lightroom effectively and professionally. Dozens of lessons are included that can be applied to any number of photographs or situations you'll encounter in Lightroom. Through these step-by-step lessons, you'll be exposed to all of Lightroom's features in practical contexts and its best practices for an optimal workflow. Then, for greater depth of knowledge and subsequent reference, you'll use the Compendium to uncover more of the “how” and “why” of Lightroom. With each topic easy to access, you can find and explore all of Lightroom's key features and concepts in depth. With cross references between the Course and Compendium, the two parts of the book complement each other perfectly. Best of all, when the lessons in the Course are done, the Compendium will continue to serve for months and years to come. Learn step by step how to: • Set up an ideal workspace in Lightroom • Import and organize your images • Develop your photographs with powerful global and sophisticated local adjustments • Become incredibly efficient in your use of Lightroom, from creating and applying presets to using quick keyboard shortcuts to syncing changes across numerous images • Output your work for any purpose • And much more!
