Conversion to Islam Ayman S. Ibrahim, 2021-02-02 Why did non-Muslims convert to Islam during Muhammad's life and under his immediate successors? How did Muslim historians portray these conversions? Why did their portrayals differ significantly? To what extent were their portrayals influenced by their time of writing, religious inclinations, and political affiliations? These are the fundamental questions that drive this study. Relying on numerous works, including primary sources from over a hundred classical Muslim historians, *Conversion to Islam* is the first scholarly study to detect, trace, and analyze conversion themes in early Muslim historiography, emphasizing how classical Muslims remembered conversion, and how they valued and evaluated aspects of it. Ayman S. Ibrahim examines numerous early Muslim sources and wrestles with critical observations regarding the sources' reliability and unearths the hidden link between historical narratives and historians' religious sympathies and political agendas. This study leads readers through a complex body of literature, provides insights regarding historical context, and creates a vivid picture of conversion to Islam as early Muslim historians sought to depict it.

**Islam and Homosexuality** Samar Habib, 2009-11-12 An extensive collection of essays that examines the place of homosexuality in the contemporary and classical Muslim world. The place of sexual and gender minorities in the contemporary Islamic world is the subject of fascinating new directions in research and scholarly thought. *Islam and Homosexuality* gathers together 20 experts exploring these issues to provide an expansive look at the treatment of same-sex interactions in Muslim cultures today. *Islam and Homosexuality* offers one volume on the specific experiences of gay Muslims today and a second volume viewing the issue from a global perspective. Essays explore the lives of LGBTIQ persons in both Islamic nations and Muslim communities in non-Islamic countries. Additional writings explore the roots of homophobia in the theology of Islam, the various judgments against homosexuality in the different schools of Islamic law, and the potential scriptural basis for including LGBTIQ persons in the Muslim community. No other resource on the relationship between LGBTIQ persons and the world's largest religion covers the topic with anything approaching this work's range or depth.

**Purple Dandelion** Farida Sultana, Shila Nair, 2011-04 'Purple Dandelion' is the true story of Farida Sultana, an extraordinary Muslim woman and single mother. The book is a reflection of her personal journey as an unconventional child who struggled through her adulthood and married life. Being a survivor of violence and abuse, Farida emerged as a strong advocate against all forms of violence and cultural and religious oppression against women. The book chronicles her remarkable life. It begins in Bangladesh when as a young girl, she found herself in conflict with her traditional family values and the Islamic culture that prevents girls and women from learning music and arts. Later her arranged marriage to a doctor at the age of 18 took her to war-torn Iran with her husband and young daughter, then to the UK and finally to New Zealand. At each stage of the journey, she attempts to capture the nuances, sights and sounds of the events that she became a part of as she continued on her quest to find herself - in Bangladesh during its freedom struggle, in Iran during the Iran-Iraq war, in England as a single mother and a survivor of domestic violence, and in New Zealand as an immigrant woman. Soon after her arrival in New Zealand, Farida became aware that there were many more immigrant women like her who had to overcome domestic violence and the oppressive, patriarchal societies they lived in. Their need drove her to initiate Shakti, which set up the first ethnic women's refuge in the country. What was conceived as an essential support group for migrant and refugee women has grown into the largest ethnic community organisation in New Zealand, bringing together women and families of over 42 different ethnicities. 'Purple Dandelion' brings to life the experiences and struggles of some of these courageous women. In recognition of her work, Farida was awarded the Queen's Service Medal for Community Service in 2003. In recent years she has been working in Asian and Middle Eastern countries encouraging women to condemn violence and claim their human rights.

**1946 Royal Indian Navy Mutiny: Last War of Independence** Pramod Kapoor, 2022-02-25 In 1946, 20,000 non-commissioned sailors of the Royal Indian Navy mutinied. They were inspired by the heroism of the Azad Hind Fauj. But their anger was sparked by terrible service conditions, racism, and broken recruitment promises. In less than 48 hours, 20,000 men took over 78 ships and 21 shore establishments and replaced British flags with the entwined flags of the Congress, the Muslim League, and the communists. The British panicked and announced a Cabinet Mission to discuss modalities of transfer of power. By this time, Indian troops had refused to fire on the ratings, and the mutiny sparked revolts in other branches of the armed forces. The young ratings presented a charter of demands, even as they fought pitched battles against British troops. People thronged the streets in support, and hartals were followed by street fights between civilians and British soldiers resulting in over 400 deaths and 1,500 injured. To quell the rebellion, British commanded their powerful warship HMS Glasgow to sail rapidly from Trincomalee and ordered low sorties by the Royal Air Force fighter planes. In retaliation, the ratings trained the guns mounted on the captured ships towards the shore, threatening to blow Gateway of India, Yacht Club, and the dockyards. As violence escalated, telegrams flew between the Viceroy's office and the British Cabinet. The British realized they could no longer hold India by force. While the communists continued to support the rebellious ratings, the Congress and the Muslim League persuaded them to surrender, promising they would not be victimized. Shamefully, years later, the governments of India and Pakistan refused to honour those promises after Independence. The mutiny caused public disagreements between Gandhiji and Aruna Asaf Ali, and between Sardar Patel and Nehru. Historians say it accelerated the transfer of power. But this seminal event, which inspired songs, art and theatre has been edited out of the popular narratives of the Freedom Movement.

**A Concise Guide to Islam (Introducing Islam)** Ayman S. Ibrahim, 2023-09-26 For many in the English-speaking world, Islam remains a mysterious religion. What is Islam in the first place? Does it mean peace, or does it mean submission? Can it mean both? What is jihad? Sharia? Hadith? Who is Allah? What is a caliph, caliphate, or infidel? In this compact volume, an expert in the study of Islam provides explanations for more than one hundred important Islamic concepts and terms, which are divided into major sections: texts, history, faith and belief, practice and religious duties, jurisprudence, and movements. Ayman Ibrahim first introduces the section, then defines each concept or term briefly. Readers can read a chapter at a time or flip through the book to find concepts or terms as needed. Each term is described based on original Muslim sources, mainly written in Arabic, as well as ample scholarly studies. This introductory guide is written for anyone with little to no knowledge of Islam. It complements the author's *A Concise Guide to the Quran* and *A Concise Guide to the Life of Muhammad*. Together, these three volumes are useful as a set of resources on Islam.

**Animal Enthusiasms** Muhammad A. Kavesh, 2020-12-29 *Animal Enthusiasms* explores how human-animal relationships are conceived, developed, and carried out in rural Pakistani Muslim society through an examination of practices such as pigeon flying, cockfighting, and dogfighting. Based on two years of ethnographic fieldwork carried between 2008 and 2018 in rural South Punjab, the book examines the crucial cultural concept of shauq (enthusiasm) and provides critical insight into changing ways of life in

contemporary Pakistan. It tracks the relationships between men mediated by non-human animals and discusses how such relationships in rural areas are coded in complex ways. The chapters draw on debates around transformations of animal activities over time, the changing forms of human-animal intimacy and their impact on familial relationships, and rural Punjabi values attached to the performance of masculine honour. The book will be of interest to scholars of anthropology, multi-species ethnography, gender and masculinity studies, and South Asian studies.

**The Newtonian Prophecy** Aditya Ram,2020-10-10 John Raymond, a renowned mathematician at the Newtonian Research Academy (NRA), is summoned to solve a symbolic code underlying a large terrorist plot to assassinate a set of world leaders. Instead, he soon finds himself trapped in a game, larger than what appears to be. During the 17th Century, long before he published his works on Calculus, a young Isaac Newton buried a secret that threatened the existence of modern civilization, possibly even his own. An ancient community, believed to have been destroyed centuries ago, rises again in the 21st century to unearth Newton's secret hidden in a complex Calculus puzzle laid out by Newton himself. Graham Roebuck, the Director of the NRA, discovers the source to the Calculus puzzle in one of Isaac Newton's personal diaries purchased by his grandfather at the Sotheby's auction of Newton's works in 1936. A powerful game of deception unfolds, revealing a dangerous conspiracy that challenges God as the Supreme Creator... "A brilliantly researched theological thriller that merges historical and religious facts into a fictional narrative." "It is a long read, but the uniqueness of the plot induces mystery right through to the epilogue." "Thoroughly enjoyed all attempts to decode the symbols and come up with a solution." "It is always dangerous and controversial to write about real personalities, but the Author's research is intense and evident." "Assassinations, Symbols, Mathematics and religious revelations. This plot is a clear winner."

Akansha persuades her mother to allow her to leave their small town and go work as a shop assistant in Mumbai while she secretly has plans of becoming an actress and perhaps meeting her heartthrob, Mega Star Aslam Khan. All Deep wants to do is to be just like his father and join the police force. But fate has other plans for him, and he finds himself thrust into the center of the entertainment industry. Clever and ambitious Parvez, the head of UFCL, a successful film production house, is a powerful presence in the industry and is always one step ahead of his crafty competitor Dheeraj, who was his former employee. **Unmasking Islam** Noble Din,2018-09-06 Islam is the fastest growing religion in the world, but what effect is it having in society, governments, and what effect could it potentially have in the future? Unmasking Islam uncovers urgent truths about Islam that Westerners, Christians, Jews, and even Muslims must learn. This is a study of these truths that are taken directly from the writings and sayings of Islamic texts and scholars. Islam is not a religion of peace and never was. Who is Allah and Muhammad? Many young Muslims are not aware of what the Qur'an teaches as they do not read, speak or write Arabic. What is the media not telling the world about Sharia law, radical Islam and atrocities worldwide in the name of Allah? Most importantly, Muslims are children of God just like all of us. The purpose of this book is to explain the truth about what the Qur'an teaches. Christians today must share the truth and love of Christ so that we can truly live in a more peaceful world and retain the freedoms we have fought so diligently to preserve.

**The Lineage of Prophet Muhammad pbuh** Saiyed BadreAlam A. Bukhari,2017-08-11 This Book "The Lineage of the Prophet Hazrat Muhammad ﷺ" is all about what it is subtitled "The true history of Islam". Our book describes the circumstances of Huzur's inheritance (Virasat e Rasul), Maula Ali alaihissalam, and from the lineage of Huzur-e-Aqdas till Maula Ali alaihissalam and twelve Imam till Hazrat Imam Mehdi alaihissalam. Because our lineage begins from Hazrat Imam Naqi alaihissalam as they are our progenitors, we have given the descriptions of their sacrifices in the path of Islam. We have also described their circumstances. The purpose of writing this book is to let the people know the story of torture done on Huzur's physical heirs and the nearest companions and the confusions created after the sad demise of Huzur. After the Prophet, Hazrat Abubakar Siddiq alaihissalam was crowned as a Caliph. After that Hazrat Umar alaihissalam was given this post and then Hazrat Usman-e-Gani alaihissalam was appointed as a Caliph. He also was martyred. After the death of Hazrat Usman-e-Gani alaihissalam, the conditions were very delicate. Due to the conspiracies of Bani Umiyyah, Islam was to be leaned towards the controls of kings. Maula-e-Kainat Hazrat Ali Murtuza alaihissalam was busy collecting the Qur'anic verses. He was deeply sunk into prayers and practices. During this time, big shots of Islam came to him and requested him to shoulder the responsibilities of Islam. He bluntly refused. A meeting of the executive committee (Shura-the executive committee) was convened, and, after a great insistence, Hazrat Ali alaihissalam accepted these responsibilities. And as a result of unanimous agreement, he became one of the selected of the Momins (Mominin Muntakhab). He prevented the people from going wild in their behavior. He had to fight many wars (briefly explained each war inside the book). He turned all the malicious plans of Bani Umiyyah into a great failure. And then how Hazrat Imam Hasan a.s. appointed and after him, Hazrat Imam Husain a.s. The author also included the details of the War of Karbala and incidents that happened after Karbala. This book consists of the life details of all the twelve (12) Imam's and about their books, works, and much more.

**Christian Martyrs Under Islam** Christian C. Sahner,2020-03-31 A look at the developing conflicts in Christian-Muslim relations during late antiquity and the early Islamic era How did the medieval Middle East transform from a majority-Christian world to a majority-Muslim world, and what role did violence play in this process? Christian Martyrs under Islam explains how Christians across

the early Islamic caliphate slowly converted to the faith of the Arab conquerors and how small groups of individuals rejected this faith through dramatic acts of resistance, including apostasy and blasphemy. Using previously untapped sources in a range of Middle Eastern languages, Christian Sahner introduces an unknown group of martyrs who were executed at the hands of Muslim officials between the seventh and ninth centuries CE. Found in places as diverse as Syria, Spain, Egypt, and Armenia, they include an alleged descendant of Muhammad who converted to Christianity, high-ranking Christian secretaries of the Muslim state who viciously insulted the Prophet, and the children of mixed marriages between Muslims and Christians. Sahner argues that Christians never experienced systematic persecution under the early caliphs, and indeed, they remained the largest portion of the population in the greater Middle East for centuries after the Arab conquest. Still, episodes of ferocious violence contributed to the spread of Islam within Christian societies, and memories of this bloodshed played a key role in shaping Christian identity in the new Islamic empire. Christian Martyrs under Islam examines how violence against Christians ended the age of porous religious boundaries and laid the foundations for more antagonistic Muslim-Christian relations in the centuries to come.
