📖 **My Big Lily** Keith Norris,2002

📖 **The World’s Biggest Cash Machine** Chris Blackhurst,2023-10-26 From Chris Blackhurst, the former Editor of The Independent, comes The World’s Biggest Cash Machine, a gripping and tightly reported account of how the Glazers, owners of Manchester United, became the most maligned figures in the Premier League, and how they changed the beautiful game forever. Manchester United’s supporters span the globe and cross generations. But, with few exceptions, they are united in their anger with the American family who bought their club in 2005, plunging it into record levels of debt. The Glazers’ reign has become synonymous with the financialization of football, and has coincided with fan protests and a decline of Manchester United’s fortunes on the pitch . . . if not on the balance sheet. But what defines this secretive family, and do these astute businessmen deserve the opprobrium they receive? In this captivating account, informed by interviews with key figures behind the scenes, journalist and commentator Chris Blackhurst charts the gripping story of the world’s biggest football club – as well as exploring the wider transformation of the Premier League into a playground for billionaire owners. ‘Packed with insights and details that will both amaze and appal you . . . if it doesn’t make you angry, you need to check your pulse’ – Oliver Bullough, author of Moneyland, on Too Big to Jail

📖 **Red Army General** Tony O’Neill,2005-06-01 Manchester United’s Red Army was the most notorious hooligan mob British football has ever seen. Thousands strong, this huge tribe of disaffected youths laid siege to town centres and soccer grounds across the country and became a byword for violent disorder. Tony O’Neill was there from the beginning and became its most prominent face. Barely in his teens when he set out from the largest council estate in Europe to follow the Red Devils, his ferocity in street combat and his force of personality soon made him a leader. Running trips in his infamous War Wagon, he became so renowned that he was invited to a sit-down meeting with the Government to discuss the hooligan problem. After serving a jail term, O’Neill emerged to lead the ‘casuals’ of the 1980s against an even tougher generation of opponents: West Ham’s ICF, the Chelsea Headhunters, the Leeds Service Crew and the scally armies of Merseyside. Police intelligence files labelled him a ‘prime mover’ and he became the target of a huge undercover investigation. Red Army General is the most authoritative account ever written of the wild years when terrace terror reached its peak. Britain’s No.1 Football Thug Daily Mirror Britain’s Worst Soccer Yob The Sun

📖 **Manchester Disunited** Mihir Bose,2007 Manchester United is the most valuable soccer brand in the world—it has the highest turnover, biggest profits, widest fan base, and, over recent years, the best players and greatest success. But then star player David Beckham was sold to Real Madrid, record-buy Wayne Rooney developed an unenviable disciplinary and gambling record, and their inspirational defender Roy Keane departed, apparently after a volcanic bust-up with Sir Alex Ferguson, who in 2004 himself fell out with the club’s two major shareholders over the jointly owned racehorse Rock of Gibraltar. In 2005 the club succumbed to a controversial takeover by Malcolm Glazer, the American tycoon. United were eliminated from the lucrative Champions’ League, and beaten to the Premiership by high-spending Chelsea. Now Mihir Bose tells the full story of how this sporting behemoth became the inevitable victim of its own success.

📖 **Introduction to Manchester United F.C.** Gilad James, PhD, Manchester United F.C. is one of the most successful and popular football clubs in the world. The team was founded in 1878 as Newton Heath LYR Football Club and eventually changed its name to Manchester United in 1902. Manchester United has a rich history, having won a record 20 English League titles, 12 FA Cups, 3 European Cups, and several other domestic and international trophies. The club has also produced some of the greatest football players in history, including George Best, Bobby Charlton, Eric Cantona, Ryan Giggs, and Cristiano Ronaldo. Manchester United has a global fan base and is one of the most valuable football clubs in the world. Over the years, Manchester United has undergone several changes in ownership and management, but has always maintained its status as a top-tier football club. The team plays its home games at Old Trafford, which has a capacity of over 75,000 spectators. The club’s greatest success came under the management of Sir Alex Ferguson, who led Manchester United to 13 Premier League titles, 5 FA Cups, and 2 European Cups during his 26-year tenure. Today, Manchester United is led by manager Ole Gunnar Solskj📖 |r, who is tasked with bringing the club back to its former glory and competing for domestic and international titles.

📖 **Manchester United** David L. Andrews,2004-08-02 Despite myriad popular and journalistic expositions, up to this point there have been virtually no academic discussions of the Manchester United phenomenon. This anthology represents the first concerted academic examination of Manchester United F.C. in its current guise as a widely followed and highly emblematic sporting institution. Bringing together respected academics from an array of disciplinary backgrounds these essays each interrogate various related dimensions of the Manchester United world. The primary aim of this collection is to illustrate how the structure and experience of Manchester United is implicated in broader societal shifts, within which the boundary between cultural and commercial concerns have become increasingly indivisible. The chapters are presented within five thematic sections: 1 Becoming United 2 Economy United 3 Embodied United 4 Local United 5 Global United

📖 **Red Army General** Tony Oneill,2004 Tony O’Neill has for thirty years been one of the most famous faces in the biggest soccer crew in England. Tarred by the police as the ringleader of Manchester United’s massive hooligan following, he is a true legend of the terraces. This is his story, the first inside account ever written about the notorious Red Army.

📖 **Manchester United** Jim White,2008 Manchester United The Biography will do for the football team what Peter Ackroyd did for London in his huge biog of the same name. The book will follow the club’s extraordinary journey from its birth in the railway works of Newton Heath to its current status as the biggest club in world football. The key stages in United’s history will, of course, be covered: the Munich Air Crash of 1958, which saw the best part of an entire team (the Busby Babes) being killed; becoming the first English team to win the European Cup in 1968 (with Bobby Charlton and George Best); the dominance of the club in the Premiership; the controversial sale to American tycoon Malcolm Glazer, and much more. But by drawing on the recollections of everyone from players and managers to fans and backroom staff, Jim will unearth enough new material to interest die-hard fans and casual supporters alike. This will be a fascinating history of a remarkable football club, by one of Britain’s best-known and most popular sports writers.

📖 **Manchester United** John D. T. White,2021-05 The history of any football club boils down to one thing: great matches; be it a significant win, a great performance, a notable debut, an incredible moment or a disastrous defeat, the big games and historic turning points are what supporters remember. The Making of a Football Dynasty tells the story of one hundred of Manchester United’s most significant games and traces the birth and growth of the club from its humble origins as a railway works team to the biggest football club in the world. John’s selection of games are not in chronological order but follow themes that have contributed to the United DNA that has made the club the biggest name in the game: exciting football, legendary players, the oldest and most successful youth system in the world and the club’s ability to bounce back from tragedy and adversity. Volume One includes the first fifty games which tell the story of United’s rise from near bankruptcy to become the only English club to complete the full set of major trophies.

📖 **Liverpool v Manchester United: Seeing Red (A Short Pass)** Andy Mitten,2012-01-28 ‘Seeing Red’ is an exclusive extract from the best-selling ‘Mad For It’, published in association with FourFourTwo magazine. It examines one of the greatest sporting rivalries from the viewpoint of the people that matter; the fans.

📖 **Manchester United** Jim Whiting,2016-07-15 An introduction to the European men’s English soccer team Manchester United discusses its history, main rival, notable players, and Champions League titles.

📖 **Reliving the Dream** Derick Allsop,1998 Manchester United are one of the biggest football clubs in the world. Its fame has spread afar, the legend growing out of one man’s obsession to take his club to the pinnacle of the European game. Matt Busby, later knighted, was a visionary as well as an exceptional manager, and he defied the establishment by leading his young English champions into continental combat.

📖 **Manchester United On This Day** Mike Donovan,2012-12-19 Manchester United On This Day recounts, in diary form, major events and magic moments in the history of the Red Devils. With individual entries for each day of the year and multiple entries for busier times, this book covers their ups and downs, domestic and European cup runs, boardroom battles, and sensational signings.

📖 **Reliving the Dream** Derick Allsop,George Best,1998 Matt Busby was a visionary as well as an exceptional manager of Manchester United, and he defied the establishment by leading his young English champions into continental combat. That crusade was cruelly savaged in 1958, when eight of his players were killed in the Munich air crash. Busby survived, and rebuilt a side good enough to win the League Championship twice, and a decade after the tragedy, realize the dream in the final against Benfica at Wembley in May 1968. Thirty years on, the modern United are endeavouring to emulate their illustrious forebears. This book celebrates the glory of ’68 and includes profiles and interviews with those who played.

📖 **Massive** Pete May,2024-01-30 Charting West Ham’s tumultuous 2022–23 season and epic triumph in the Europa Conference League final, this is the story of how the Hammers defied the odds to win their first trophy in forty-three years and first European trophy in fifty-eight years. After weathering misfiring signings, dissent among the fans and the near-sacking of David Moyes, the Irons eventually secured Premier League survival and found spectacular redemption in the Europa Conference League. They played fifteen games in Europe and were unbeaten. Captain Declan Rice ended his West Ham career by lifting a trophy, just like Bobby Moore and Billy Bonds before him. The outpouring of joy at the final whistle in Prague will never be forgotten by the club’s fans, many of whom were too young to have seen their team win its last trophy. Packed with hilarious anecdotes and whimsical musings, this is West Ham’s extraordinary 2022–23 season as told by superfan Pete May, who lived (and occasionally suffered) through every nail-biting moment and crucial game. Experience the goals, games and glory all over again in this witty and impassioned book – essential reading for any Hammers fan.

📖 **Manchester United Ruined My Life** Colin Shindler,2012-05 Colin Shindler was dealt a cruel hand by fate when he became a passionate Manchester City supporter. In this brilliant sporting autobiography he recalls the great characters of his youth, like his eccentric Uncle Laurence, as well as his professional heroes. Threaded through these sporting events is the author’s own story, which touches on a universal nerve, growing up in a Jewish family, his childhood destroyed by the sudden death of his mother and his slow emotional recovery through his love for Manchester City. It is a tale that reveals what it is like to be on the outside looking in, with his nose pressed up against the sweet shop window watching

THE UNITED SUPPORTERS TAKE ALL THE WINE GUMS.

📖 **THE MEN IN BLACK** Tony O’Neill , From the late Eighties onwards, one football gang dominated the hooligan world. Older, harder and better organised than their foes, they travelled everywhere and feared no-one. After one spectacular street victory, vanquished rivals gave them the name that became a byword for soccer violence: The Men In Black. Manchester United’s hooligan mob had long caused mayhem, but in 1989 their hardcore was the target of a massive undercover police investigation, codenamed Operation Mars. It focused on the most infamous of the firm’s members, including its ‘general’, Tony O’Neill, and led to more than thirty arrests. But when the trial collapsed, the firm returned to the fray, wiser, more cunning and more ruthless than ever. They went on to defend their fearsome reputation against the toughest outfits in Britain: the Soul Crew, the Zulu Warriors, the Boro Frontline and the ICF. And they were never defeated. Covering the crucial period 1988-2005, The Men In Black recounts these stories and many more, told by those who were there, those who were involved in the hand-to-hand, close quarter battles and notably, the man police called Target Kilo: Tony O’Neill.

📖 **MASSIVE ATTACK - TRUE STORIES FROM THE FONTLINE OF TOTTENHAM’S STAUNCHEST FANS** Trevor Tanner,2010-01-25 Trevor Tanner is the man at the head of the Tottenham Massive. In this all new account of life with the firm, he reveals the emotional stress and headache of the year long trial which resulted in him walking out a free man - but not before he’d gone on the run for a month and seen the stress the case put his family and close friends under. He tells how it feels to have left the legacy of what is arguable the best firm the country has seen in more than 20 years. There has been betrayal, jealousy and bitter rivalry on the way. But Trevor knows more than most how that comes with the territory and he’ll never complain about having to deal with it - his way.
