Personal Pleasures Rose Macaulay, 2011-09-28 Rose Macaulay was one of the most popular satirical novelists of her day. In this lively, anecdotal collection, she turns her admittedly opinionated attention to life's random, and largely unrecorded, pleasures. From astronomy to new cars, church-going to the turtles in Hyde Park, she never fails to delight and amuse with her sure philosophical sense, sharp wit, and unerring eye for life's subtle ironies. How true it is that every pleasure has also its reverse side, in brief, its pain. Therefore, I have added to most of my pleasures the little flavor of bitterness, the flaw in their perfections . . . which tang their sweetness and remind us of their mortality and our own, and that nothing in this world is perfect.

Westminster Cathedral Patrick Rogers, 2003-01-01 It is one hundred years since Westminster Cathedral was opened for public worship. Built within cheeky proximity to Westminster Abbey, it was a design and architectural specification which was and remains immensely ambitious. This is the story of the Cathedral since its first planning stages through to the present day.

Audrey Tennyson's Vice-regal Days Audrey Tennyson, Zacynthia Antonia Lorenzina Boyle, 1978 Audrey Tennyson's Vice-Regal Days edited by Alexandra Hasluck, from the extensive collection of Tennyson papers in the National Library of Australia. The book is fortunate in its editor, for Lady Hasluck, besides being a skilled historian, brought to the task the experience and insights of one who was herself the wife of a former Governor-General of Australia.
