Clifford Lane

The Encyclopedia of New Testament Textual Criticism Robert B. Waltz, This is a PDF based on the contents of a web site I've been working on for decades. I do not believe I will ever entirely finish it. But I wanted to make it available. Textual criticism is the process of recovering an ancient document from late and corrupt manuscript copies; New Testament Textual Criticism consists of trying to figure out what the New Testament originally said before scribes messed it up. Dedicated to Dr. Sally Amundson and Dr. Carol Elizabeth Anway and Lily. This version, from July 20, 2013, will probably be the last; the file is almost too large to edit.

Perspectives on New Testament Textual Criticism, Volume 2 Eldon Jay Epp, 2020-11-30 Perspectives on New Testament Textual Criticism, Volume 2, with articles published during 2006-2017, treats many aspects of New Testament textual criticism, emphasizing the criteria for constructing the earliest attainable text, and extracting stories told by "rejected" variants that illuminate issues in the early Christian churches.

The Four Prohibitions of Acts 15 and Their Common Background in Genesis 1-3
Elena Butova, 2018-11-27 In the past 2000 years the followers of Jesus have

been debating the standards of Christian living. Did the Jerusalem Council in Acts 15 make the law obsolete? Do we need to keep the old dietary and other laws we find in the Old Testament? Modern Christianity seems to be divided between those who still believe in Ten Commandments and the so-called antinomians who believe the new covenant Christians no longer need them. What could look like a minor theological disagreement could have profound influence on churches in the western world, which in turn set the moral standards for the community at large. Often religious dogmas and preconceived ideas are imposed on the meaning of the biblical text. The modern seekers of truth are looking for the clear exposition of scriptures that would be unbiased and presented with scholarly integrity. This thesis is a feeble but passionate attempt to look at the statements of the apostles in Acts 15 with their own eyes. It aims at opening a new horizon of understanding how the early Christians understood and implemented their new faith, how they endeavored to build unity and good relationships between the Jewish fathers of the church and the converts from the Gentiles who would later become a majority in Christendom.

The Bible in Ethiopia Curt Niccum, 2014-12-25 The Ethiopic version provides a window into the state of the Greek Bible as it circulated in East Africa at the end of the fourth century. It is, therefore, an extremely important witness to the Bible's early transmission history, yet its testimony has typically been ignored or misunderstood by textual critics. This study

examines the history of the book of Acts in Ethiopia and reconstructs its earliest attainable text, which is then assessed using the latest text-critical methods. It provides a solid base for interpreting the data of this key witness and lays the groundwork for future text-critical work in the Ethiopic and other early versions.

The Message of Acts in Codex Bezae Josep Rius-Camps, Jenny Read-Heimerdinger, 2004-04-27 His book is a comparison of the message of Acts transmitted by Codex Bezae with that of the more familiar Alexandrian text, represented by Codex Vaticanus. For each section of Acts, there is a side by side translation of the Bezan and Alexandrian manuscripts, followed by a critical apparatus and, finally, a commentary that explores the differences in the message of the two texts. It is concluded that the Bezan text, with its interest in internal Jewish affairs and its focus on the struggles of the early disciples to free themselves from their traditional Jewish expectations and to achieve, despite their mistakes, a more accurate understanding of their master's teaching, is the earlier of the two texts.
