Boat Dealer Profits Matt Sellhorst,2017-06-02 Boat Dealer Profits; How the SPLASH System can help you sell more boats, make more money and have more fun is the definitive book on building a highly profitable and fun boat dealership. Whether you are brand new or in the 4th generation of family ownership, you'll discover transformational information inside this book. What others are saying... Lynette and Matt of Santomena of Race City Marine: Matt's program is what I like to call a 'dealership in a box.' You open it up and there's everything you need to implement the system in an effective way. Open Melanie Clement of Lakeshore Sports: We were referred from another dealer in our 20 Group, and he told us you were going to give us some really unique strategies, which you did. But, what really helped us get such a great start was the accountability - that you had us call in every week to make sure we were actually doing it. Will Massey of Custom Marine: Being involved in Matt's program is unusual in that we are actually getting a product. We are not just getting valuable information and ideas but actual tools we can take home and start using in our dealership right away and that's very unique. Matt Sellhorst Matt Sellhorst is the founder and CEO of Boat Dealer Profits and the creator of the SPLASH System guaranteed to help select dealers sell more boats, make more money and have more fun. Matt is the sales and marketing columnist for Boating Industry Magazine, host of the Boat Dealer Profits podcast and Boat Dealer Profits TV where he shares tips, tricks and tactics to boost profitability in any dealership willing to implement the ideas. Sellhorst has also been featured in the Movers and Shakers edition of Boating Industry and has spoken multiple times at the Marine Dealer Conference and Expo, Marine Retail University, dealer and manufacturer events and other industry conferences. His journey from a 'no-boat-selling-son-of-a-gun' to a top producer at a 6 location dealership to sought after coach and consultant to dealers around the world mean all of his strategies are based on real world, nose-to-nose, toes-to-toes experience that have been proven to work in today's changing boat sales environment.

The Demanding River Cheryl J. Corriveau,2021-07-22 Jordan Harris is a feisty, energetic, and highly motivated woman with a strong entrepreneurial spirit. Many conflicts arise with her new CEO at the national real estate franchise. She is approached by a South Florida boat dealer to partner with him to open a second location in Central Florida. She declines his offer but is intrigued with the idea. Six months later, she determines that it is time to leave the real estate world and open her own boat dealership. None of Jordan's prior experiences prepare her for the challenges and problems that she would face and must overcome in the male-dominated marine business. The difficult situations involve stolen boats, a mysterious death, major problems at the Ft. Lauderdale and Miami boat shows, being suspected of drug smuggling, sued for a fraudulent act committed by someone else, accused of breaking federal and state finance laws and a Mafia connection-all leading up to possible jail time. Her troubles continue when new federal and state boating laws change. The river demands even more from her with its hurricanes, ice storms, and droughts. The harder she must fight to survive, the stronger her determination and entrepreneurial spirit becomes. Her landlord receives an offer to sell the marina along with her boat dealership. Jordan is now confronted with another life-changing decision. The many twists, turns, and surprises throughout the book will keep the reader in suspense, entertained, and wondering what's next. Will Jordan and her business survive? Take the journey with her on The Demanding River.
