Robert Simonson

**If You Give a Mom a Martini--** Julie Klappas, Lyss Stern, 2009 A collection of 100 ideas for mommy time-outs for busy moms.

*Love Hope Light* Angela Martini, 2020-03-24 As much a tribute to Angela Martini's beloved mother as it is a personal memoir, *Love. Hope. Light.* is a multigenerational story of tenacity and the resilient power of love and family to overcome adversity. My mother's name is Nexhmije Ibrahimi Nussbaumer, and I am a living testament to her philosophies. Chief among them is her belief that nothing is finished until there is a happy ending—until you reach the light." As a young girl growing up in Albania, Angela is insulated from the poverty and rising political tensions in her homeland by her mother's loving, protective presence. But when Angela is nine years old, a series of events is set in motion that will forever change the course of her life—as well as her mother's. Fearing for her daughter's safety, Angela's mother, Nexhi, makes the heartrending decision to send Angela to live with her father in Switzerland, where he had fled a few years earlier once Communism began to collapse. With her characteristic determination and courage, Nexhi overcomes many obstacles to finally reunite with Angela—months later and under much different circumstances than either could have imagined. Her life's path is changed yet again when she decides to take German-language classes to help her integrate into Swiss culture. A natural and brilliant teacher, Nexhi then uses her hard-won knowledge to help other displaced women learn the language, in turn bolstering their confidence and emboldening them to start over and make new lives for themselves and their families. Reflecting on the lessons of her childhood and the wonderful example set before her, Angela is inspired by her mother's efforts to bridge the divide between cultures, a lifetime of work that will have a lasting legacy, and by her abiding belief in love despite being married three times—twice to the same man! As much a tribute to the author's beloved mother as it is a personal memoir, *Love. Hope. Light.* is a multigenerational story of tenacity and the resilient power of love and family to overcome adversity. "My mother's life experiences have shown me that I must not cower before the unknown. Being fearless means seizing opportunities wherever they exist. Being fearless means never allowing people or circumstances to get in the way of your goals. Being fearless means loving like you've never been hurt before. Being fearless means forging a path through darkness to arrive at the light."

**The Martini Cocktail** Robert Simonson, 2019-09-17 The first book in decades to celebrate and explore the history of the most iconic of classic cocktails, the martini, with 50 recipes. JAMES BEARD AWARD FINALIST • WINNER OF THE TALES OF THE COCKTAIL SPIRITED AWARD® • IACP AWARD FINALIST • "Simonson's a fleet-footed writer, and his thumbnail history is easily satisfying without getting into the weeds. . . . This is a no-brainer for martini enthusiasts."—Publishers Weekly A classic martini includes gin, vermouth, sometimes bitters, a lemon twist or olive, and lots of opinions—it's these opinions that New York Times cocktail writer Robert Simonson uncovers in his exploration of the long and tangled history of the classic martini and its subtle variations. The book features examples of age-old recipes, such as the first martini recipe published in 1888, modern versions created by some of the world's best bartenders, and martinis sought out by enthusiasts around the world, from Dukes Bar at the Dukes Hotel London to Musso and Frank Grill in Los Angeles. In *The Martini Cocktail*, you'll discover everything you need to know about what components make a great martini, as well as a collection of 50 recipes to create your own drinks (and form your own opinions) at home.

After a few weeks of boredom and no luck with people she works with, she heads out on a Friday night and stops into an exclusive martini lounge, hoping to meet some people and make new friends. The erotic tension builds as the three women are attracted to one another. The women are soon erotically intertwined far into the early hours of the morning.

**Three-Martini Lunch** Suzanne Rindell, 2017-08-08 From the author of the "thrilling" (The Christian Science Monitor) novel *The Other Typist* comes an evocative, multilayered story of ambition, success, and secrecy in 1950s New York. In 1958, Greenwich Village buzzes with beatniks, jazz clubs, and new ideas—the ideal spot for three ambitious young people to meet. Cliff Nelson, the son of a successful book editor, is convinced he's the next Kerouac, if only his father would notice. Eden Katz dreams of being an editor but is shocked when she encounters roadblocks to that ambition. And Miles Tillman, a talented black writer from Harlem, seeks to learn the truth about his father's past, finding love in the process. Though different from one another, all three share a common goal: to succeed in the competitive and uncompromising world of book publishing. As they reach for what they want,

they come to understand what they must sacrifice, conceal, and betray to achieve their goals, learning they must live with the consequences of their choices. In *Three-Martini Lunch*, Suzanne Rindell has written both a page-turning morality tale and a captivating look at a stylish, demanding era—and a world steeped in tradition that's poised for great upheaval.

**Martini with a Twist** Clem Martini, 2012 Absurdity reigns in multiple award-winning author and playwright Clem Martini's newest collection of work, *Martini with a Twist*--five plays spanning two decades of Martini's career, from 1989 to 2009. A lonely elephant handler befriends the half-blind woman who drove through his yard, a severed head in a suitcase life support system is given a second chance at life, a quiet shut-in wrestles with the jealous ghost of his wife, a young woman with the ability to smell lies struggles to make new friends, and a mismatched pod of whales in the Pacific Ocean struggle with identity, love, and interspecies dating. With a sharp tongue and impeccable comedic timing, Martini's characters resonate beyond their impossible situations, their fears and hesitations all too human.

**Shaken and Stirred** William L. Hamilton, 2009-03-17 William L. Hamilton loves a good gimlet. Rose's and lime. Straight up. Perfectly iced. Make the glass pretty too. It ruined my reputation for thinking before I speak, he writes of that love. I accept the trade-off. Like Lewis Carroll's Alice, when Hamilton sees it, he drinks it -- and tells the incredible tale. In *Shaken and Stirred*, his biweekly *Sunday Styles* column, now an original book of his drinking adventures, the intrepid New York Times reporter offers a gimlet-eyed look at contemporary culture through the panoptic view of a cocktail glass. From the venerable martini to the young Dirty Jane, Hamilton shares his tip on the sip. You hold in your hands a guide to how it goes down. Not a cocktail manual or a Baedeker to the bar scene but a drinker's guide to drinking. These are four-ounce adventures of cocktails and the people who make them, from the bartenders and chefs to the patrons, the politicians and the power players of the liquor industry. There are tales of the Champagne high life, the Long Island Iced Tea low life; men like Dr. Brown and his celery soda, and women like Eve and her Apple Martini. Hamilton's weekly Runyanesque rounds cover all the watering holes and their poisons, from the East Side's Southside to the Incredible Hulk in the Bronx, and monitors the latest trends, from the ultra-premium vodka wars to the Red Bull market. *Shaken and Stirred* is a report on a popular culture that comes alive after five, when the mood turns social and the moment is sweet (or sour, or bitter, or dry). Hamilton has also picked up the best (or the most unbelievable) cocktail recipes from bars, lounges and restaurants in New York City and beyond. There is common sense and creativity in the classics, and new inventions with their eye on the prize, such as the Huckleberry Ginn and the Bleeding Heart. *drink me*, said the bottle in Alice's *Adventures in Wonderland*. Hamilton has, in every instance, and bottled his thoughts in sixty-four essays that are as readable as they are drinkable. Mix a gimlet, or a Minnesota Anti-Freeze, or a Gibson or a Bone. And spend a night in, on the town.

**The Final Leap** John Bateson, 2012-04-18 The Golden Gate Bridge is one of the most beautiful and most photographed structures in the world. It's also the most deadly. Since it opened in 1937, more than 1,500 people have died jumping off the bridge, making it the top suicide site on earth. It's also the only international landmark without a suicide barrier. Weaving drama, tragedy, and politics against the backdrop of a world-famous city, *The Final Leap* is the first book ever written about Golden Gate Bridge suicides. John Bateson leads us on a fascinating journey that uncovers the reasons for the design decision that led to so many deaths, provides insight into the phenomenon of suicide, and examines arguments for and against a suicide barrier. He tells the stories of those who have died, the few who have survived, and those who have been affected—from loving families to the Coast Guard, from the coroner to suicide prevention advocates.

**Somebody's Gotta Do It** Adrienne Martini, 2020-03-03 "50 percent memoir, 50 percent advice manual, and 100 percent heart." —The New York Times *Somebody's Gotta Do It* is a humorous (and instructive) memoir about a progressive woman who runs for very small-town elected office in a red county—and wins (yay!)—and then realizes the critical importance of the job. Back in the fall of 2016, before casting her vote for Hillary Clinton, Adrienne Martini, a knitter, a runner, a mom, and a resident of rural Otsego County in snowy upstate New York, knew who her Senators were, wasn't too sure who her Congressman was, and had only vague inklings about who her state reps were. She's always thought of politicians as . . . oily. Then she spent election night curled in bed, texting her husband, who was at work, unable to stop shaking. And after the presidential inauguration, she reached out to Dave, a friend of a friend, who was involved in the Otsego County Democratic Party. Maybe she could help out with phone calls or fundraising? But Dave's idea was: she should run for office. Someone had to do it. And so, in the year that 26,000 women (up from 920 the year before) contacted Emily's List about running for offices large and small, Adrienne Martini ran for the District 12 seat on the Otsego County Board. And became one of the 14 delegates who collectively serve one rural American county, overseeing a budget of \$130 million. Highway repair? Soil and water conservation? Child safety? Want wifi? Need a coroner? It turns out, local office matters. A lot.

**Semiotics of Drink and Drinking** Paul Manning, 2012-05-17 Drink, as an embodied semiotic and material form, mediates social life. This book examines the fundamental nature of drink through a series of modular but connected ethnographic discussions. It looks at the way the materiality of a specific drink (coffee, wine, water, beer) serves as the semiotic medium for a genre of sociability in a specific time and place. As an explicitly comparative semiotic study, the book uses familiar and unfamiliar case studies to show how drinks with similar material properties are semiotically organized into very different drinking practices, including ethnographic examples as diverse as the relation of coffee to talk (in ordering at Starbucks). Further chapters look at the dryness of gin in relation to the modern cocktail party and the embedding of beer brands in the ethnographic imagination of the nation. Rather than treat drinks as mere props in the exclusively human drama of the social, the book promotes them to actors on the stage.

**Flipside** Richard Martini, 2012-01-11 What happens after we die? \_x000D\_ \_x000D\_ Author and award winning filmmaker Richard Martini explores startling new evidence for life after death, via the life between lives, where we reportedly return to find our loved ones, soul mates and spiritual teachers. Based on the evidence of thousands of people who claim that under deep hypnosis, they saw and experienced the same basic things about the Afterlife, the book documents interviews with hypnotherapists around the world trained in the method pioneered by Dr. Michael Newton, as well as examining actual between life sessions. The author agrees to go on the same journey himself, with startling and candid results, learning we are fully conscious between our various incarnations, and return to connect with loved ones and spiritual soul mates, and together choose how and when and with whom we'll reincarnate. Martini examines how Karmic law is trumped by Free will, with souls choosing difficult lives in order to learn from their spiritually; no matter how difficult, strange or complex a life choice appears to be, it was

made in advance, consciously, with the help of loved ones, soul mates and wise elders. Extensively researched, breathtaking in scope, Flipside takes the reader into new territory, boldly going where no author has gone before to tie up the various disciplines of past life regression. near death experiences, and between life exploration. In the words of author Gary Schwartz, Phd, once you've read Flipside you'll never see the world in the same way again.\_x000D\_ \_x000D\_ Praise for Flipside:\_x000D\_ \_x000D\_ Richard has written a terrific book. At once a celebration of the most elegant, arcane and mysterious cocktail of them all - the martini - and a lyrical memoir of friendship and love won and lost, Martini: A Memoir is Frank Moorhouse at his melancholy and hilarious best. As he muses on the aesthetics of martini lore - olive or twist, shaken or stirred, Dorothy Parker or James Bond? - and the nature of drinking, Moorhouse reflects on the role of the martini in his own life in prose as dry and intoxicating as the martini itself. With an Afterword.
