Divided Soul: The Life Of Marvin Gaye David Ritz,2010-01-07 David Ritz presents his uniquely candid and intimate account of the tumultuous life of the Prince of Soul music, Marvin Gaye. Author Ritz has assembled years of conversations and interviews from his life as a close friend and lyricist to the gifted Soul sensation, and tells the Marvin Gaye story with fly-on-the-wall accuracy and detail. From his early years as an abused child in the slums of Washington DC, through his rise to the very peaks of the Motown phenomenon, his fall from grace and subsequent comeback, to his untimely death at the hands of his father, Marvin's story is the stuff of legends. The cast of characters includes the Jacksons, Smokey Robinson, Diana Ross and countless other icons of the world of soul music. Four Views on the Book of Revelation Zondervan, 2010-08-03 Of all the books of the Bible, few are as fascinating or as intimidating as Revelation. Four grim horsemen, the Antichrist, the ten-horned beast, the ultimate battle at Armageddon, the mark of the beast. It's no wonder that these images have gripped the imagination of so many--and have been variously interpreted as symbolizing everything from Hitler and Gorbachev to credit cards and the Internet. Is the book of Revelation a blueprint for the future? A book of powerful symbolic imagery with warnings for the church? Is it essentially an imaginative depiction of historical events in the first century? Four Views on the Book of Revelation explores four interpretations of the book of the Apocalypse: Preterist – a historical interpretation, arguing that most of John's prophecies occurred in the first century, soon after his writing of them. Idealist – a spiritual or symbolic interpretation, arguing that the events in Revelation are not literal, and that apocalyptic literature requires a different approach than the Gospels or Epistles. Classical dispensationalism – a literal interpretation based on a reading of Revelation that pays close attention to the rules of grammar and the separate eras of covenantal history. Progressive dispensationalism – a modification of classical that has its root in the understanding of Christ's reign beginning immediately after the resurrection. The Counterpoints series presents a comparison and critique of scholarly views on topics important to Christians that are both fair-minded and respectful of the biblical text. Each volume is a one-stop reference that allows readers to evaluate the different positions on a specific issue and form their own, educated opinion.

**Why Nothing Works** Marvin Harris, 2011-01-11 From cults to crime to porno parlors--this book is about a lot of things that are new and strange in America today. This book is about cults, crime, and shoddy goods, and the shrinking dollar. It's about porno parlors, and sex shops, and men kissing in the streets. It's about daughters shaking up, women on the rampage, marriages postponed, divorces on the rise, and no one having kids. It's about old ladies getting mugged and raped, people shoved in front of trains, and shoot-outs at gas pumps. And letters that take weeks to get delivered, waiters who throw food at you, rude sales help, and computers that bill you for things you never bought. It's about broken benches, waterless fountains, cracked windows, dirty toilets, crater-filled roads, graffiti-covered buildings, slashed paintings, toppled statues, stolen books. It's about shoelaces that break in a week, bulbs that keep burning out, pens that won't write, cars that rust, stamps that don't stick, stitches that don't hold, buttons that pop off, zippers that jam, planes that lose their engines, reactors that leak, dams that burst, roofs that collapse... It's about astrologers, shamans, exorcists, witches, and angels in space suits... It's about a lot of other things that are new and strange in America today. --from the Introduction

McKinsey's Marvin Bower Elizabeth Haas Edersheim, 2010-12-13 I had the privilege of working closely with Marvin and McKinsey for many years. This book makes Marvin come to life and perpetuates him as a role model. -Peter F. Drucker A wonderful book about a wonderful man. In many ways, Marvin's McKinsey framed the hypotheses in our own search for excellence--for example, passion for values, belief in people as the prime resource, and willingness to let people experiment. As well as I thought I knew Marvin, however, this remarkable book, drawing on the

collective memories of those who worked most closely with him, taught me a ton about how extraordinary the man really was and what made him that way. Many have called Drucker the man who invented management; I think history will conclude that both he and Marvin Bower share that pedestal. -Bob Waterman, coauthor of *In Search of Excellence* Marvin Bower became a legend, not just within McKinsey & Company, but within professional services and the business world more broadly. In everything he did and said, he embodied the professional approach and the importance of values. This book sheds remarkable insight on a remarkable man and on the power of constancy of purpose. -Ian Davis, Worldwide Managing Director, McKinsey & Co. It is as Marvin would have wanted it-simple, honest, fact-based, wonderful stories with a long-term perspective. An insightful read about the father of management consulting. -Lois Juliber, retired COO, Colgate-Palmolive This book provides fascinating insight into the early days of modern management consulting. It is an extremely enlightening look at the origin of one of America's most important professions and one of America's most innovative leaders. -Thomas H. Lee, founder, Chairman, and President, Thomas H. Lee Partners L.P.

**Pinot Red or Dead?** J.C. Eaton,2019-03-26 There's a lot of noir surrounding this rare pinot. As the vineyards in Seneca Lake, New York, prepare for the seasonal "Deck the Halls Around the Lake" festivities, someone is determined to keep pinot noir off the wine list. Hijacked trucks and sabotaged ingredients have made it a hard-to-acquire vintage for the six local wineries—including Norrie Ellington's Two Witches Winery. The case of the stolen and spoiled wines gets stranger when Arnold Mowen, owner of the company distributing the wine, is found dead, the apparent victim of a hunting accident. As Norrie tries to find the connections between the pinot's problems and Arnold's death, she uncovers a conspiracy among many locals whose hatred for the wine distributor was bottled up for far too long . . .

**Fer-de-Lance** Rex Stout,2010-07-21 As any herpetologist will tell you, the fer-de-lance is among the most dreaded snakes known to man. When someone makes a present of one to Nero Wolfe, Archie Goodwin knows he's getting dreadfully close to solving the devilishly clever murders of an immigrant and a college president. As for Wolfe, he's playing snake charmer in a case with more twists than an anaconda -- whistling a seductive tune he hopes will catch a killer who's still got poison in his heart.

**No Taller Than My Gun** David Rothman,2021-07-15 Twisty fast-paced story of genius, hope, and family set amid the chaos and bloodshed of the Congo of the near future. When 15-year-old Lemba Adula and his twin sister flee their war-imperiled village, they have no idea what's in store for them. Lemba becomes a drone-loving computer whiz in the mega-city of Kinshasa, while Josiane aspires to be a rumba star. But murderous gun-worshippers kidnap the brilliant techie, and to keep his parents safe, he must fight for the wrong side. He must even become a sea-going pirate. Meanwhile Josiane faces different menaces as bad as his. Only Lemba can save her. And for now, he is a captive of the thuggish Congolese Purification Army--led by a seven-foot whackjob all too handy with his AK-47 and machete. As Lemba fights both the Purifiers and their enemies, he also battles to keep his humanity while protecting the people he loves. The Congolese rebels pride themselves on not letting their child soldiers escape alive, but they've never met Lemba Adula. Lemba is headed for greatness. But first he must survive. Just how? Told as Lemba's war memoir. A compelling, inspirational story for young adults and older.

**We're ALL Freaking Out (and Why We Don't Need To)** David Marvin,2021-10-05 Free yourself from anxiety by discovering and applying principles given by God to lead us away from panic and toward peace. "These pages will feel like a lifeline for the anxious, overwhelmed, and burned out."—Jennie Allen, New York Times bestselling author of *Get Out of Your Head* If you've ever felt overwhelmed by panic, fear, worry, or anxiety, you're not alone. A part of the human experience often involves anxious feelings that paralyze us, keep us up at night, rob us of our ability to live in the moment, and pretty much suck the life out of us. But this doesn't have to be the case. You can stop freaking out. Sound too good to be true? It is true. In fact, it's a promise from God himself. At least 366 times, the Bible commands us to not fear. God loves us and doesn't want us to be ruled by anxiety. Not surprisingly, most people don't understand what the Bible actually teaches about anxiety, fear, and worry. Consider this book a practical resource to help you connect the dots between your anxiety and what God has to say about defeating it. As you are about to discover, you really can stop freaking out.
