The Mary Kay Way Mary Kay Ash,2009-12-30 A revised and updated edition of the cosmetics icon's timeless guide to entrepreneurial success, featuring her people-centered business philosophy. Mary Kay Ash built a global independent sales force that today numbers 1.8 million women, and is respected by business and academic leaders. How? The secret is in this book. For forty-five years, the principles in The Mary Kay Way have helped the company succeed through changing economic times and explosive global growth. It has been said that no company wholeheartedly embodies the values and reflects the beliefs of its founder more than Mary Kay Inc. Now you can put the same inspiring principles to work for you. Recognized today as America's greatest woman entrepreneur, Mary Kay Ash stepped out in 1963 in a man's world to blaze a new path for women. She grew her business based not on the rules of competition, but on The Golden Rule. By "praising people to success" and "sandwiching every bit of criticism between two heavy layers of praise," this energetic Texas titan opened new opportunities for women around the world and built a multibillion-dollar corporation. Mary Kay's unconventional business philosophy was first published in 1984. Now revised and updated for the first time, with examples from her company's top independent salespeople, The Mary Kay Way is perhaps her most important legacy. Praise for The Mary Kay Way "One of the most inspiring entrepreneurial leaders, Mary Kay always understood the importance of people and the value they can bring to an organization." —J. W. Marriott, Jr., Chairman and CEO, Marriott International, Inc. "Mary Kay knew that when you put people first and then surround them with processes and disciplines that recognize their efforts, performance will soar." —David C. Novak, Chairman and CEO, Yum! Brands, Inc. (KFC, Taco Bell, Pizza Hut, Long John Silver's, A&W)

Mary Kay Mary Kay Ash,1995-06-01 Mary Kay may be the most successful woman entrepreneur today, but she started her company as a single mother supporting three children, using her total life savings of \$5,000. Following her priorities, God, family, & then career, & some savvy business strategies, she created a multibillion-dollar international company as well as a fulfilling life that reflects her values. Here she reveals to you how she did it, how thousands of other women have done it, & how you can do it, too! Covers: becoming more confident personally & professionally; dealing with the male ego; doing well by doing good, & much more.

This book explains the methods and mindset that can bring the same kind of success to your organization. More than a Pink Cadillac provides insights into a unique and extraordinarily successful business - one that grew out of, and is still founded upon, a simple set of powerful principles. It represents the first time the company has given an outside author -- Jim Underwood -- unlimited access to its employees and management. The principles he reveals in this book have already influenced the lives of hundreds of thousands of men and women around the world - and they can do the same for your organization.
