The Worst Mascot Ever James Preller,2019 Four friends inaugurate their Big Idea Gang by starting a campaign to convince their principal and school to get a new mascot.

Yes, It's Hot in Here AJ Mass,2014-04-15 Yes, It's Hot in Here explores the entertaining history of the mascot from its jester roots in Renaissance society to the slapstick pantomime of the Clown Prince of Baseball, Max Patkin, all the way up to the mascots of the slam-dunk, rock-and-roll, Jumbotron culture of today. Along the way, author AJ Mass of ESPN.com (a former Mr. Met himself) talks to the pioneers among modern-day mascots like Dave Raymond (Phillie Phanatic), Dan Meers (K. C. Wolf), and Glenn Street (Harvey the Hound) and finds out what it is about being a mascot that simply won't leave the performer. Mass examines what motivates high school and college students to compete for the chance to wear a sweaty animal suit and possibly face the ridicule of their peers in the process, as well as women who have proudly served as mascots for teams in both the pro and amateur ranks. In the book's final chapter, Mass climbs inside a mascot costume one more time to describe what it feels like and, perhaps, rediscover a bit of magic.

The Mascots of 1911 Bob Schroeder,2007-11 In 1911, Connie Mack and John McGraw-arguably baseball's all-time greatest managers-shaped the game as each pitch was thrown and every base was stolen. And they did it with the help of their quirky mascots and superstitious players. Set in the stadiums, trains, hotels and clubhouses of baseball's formative years, *The Mascots of 1911* is peopled with brilliantly colorful characters. This fictional yet historically accurate story is told through the teams' managers and mascots: Connie Mack and Louis van Zelst of the Philadelphia Athletics, and John McGraw and Charlie Faust of the New York Giants. Louis, a young, misshapen hunchback, believes in the goodness of the soul of baseball; he says teams should win for the right reason-they're the best. Under the wing of the even-tempered and gentlemanly Mack, Louis inspires the A's by concealing his personal agony with joy. Feeble-minded Charlie Faust, the Giants' mascot, arrives bearing a gypsy's prophecy: if he gets to pitch, he'll ensure the Giants win the Pennant. Barely tolerated by the pugnacious McGraw, Faust entertains the crowd and convinces the players that spells, good luck charms and black magic will improve their play. Through that curious season and all the way to the World Series in 1911, the story was clearly bigger than the final score.

Team Spirits C. Richard King,Charles Fruehling Springwood,2001-01-01 Studies the controversy over the use of Native American mascots by professional sports, colleges, and high schools, describing the origins and messages conveyed by such mascots as the Atlanta Braves and Florida State Seminoles.

Mascot to the Rescue! Peter David,2009-06-23 “Holy page-turner! ” – Kirkus Reviews

Mascot Nation Andrew C. Billings,Jason Edward Black,2018-10-08 The issue of Native American mascots in sports raises passions but also a raft of often-unasked questions. Which voices get a hearing in an argument? What meanings do we ascribe to mascots? Who do these Indians and warriors really represent? Andrew C. Billings and Jason Edward Black go beyond the media bluster to reassess the mascot controversy. Their multi-dimensional study delves into the textual, visual, and ritualistic and performative aspects of sports mascots. Their original research, meanwhile, surveys sports fans themselves on their thoughts when a specific mascot faces censure. The result is a book that merges critical-cultural analysis with qualitative data to offer an innovative approach to understanding the camps and fault lines on each side of the issue, the stakes in mascot debates, whether common ground can exist and, if so, how we might find it.

Mascot Antony John,2018-09-11 This witty, heartfelt story about perseverance in the face of adversity is perfect for fans of R. J. Palacio, Cammie McGovern, and John David Anderson. Noah Savino has been stuck in a wheelchair for months. He hates the way people treat him like he’s helpless now. He’s sick of going to physical therapy, where he isn’t making any progress. He’s tired of not having control over his own body. And he misses playing baseball—but not as much as he misses his dad, who died in the car accident that paralyzed Noah. Noah is scared he’ll never feel like his old self again. He doesn’t want people to think of him as different for the rest of his life. With the help of family and friends, he’ll have to throw off the mask he’s been hiding behind and face the fears that have kept him on the sidelines if he ever wants to move forward.

Mascot Charles Waters,Traci Sorell,2023-09-05 What if a school's mascot is seen as racist, but not by everyone? In this compelling middle-grade novel in verse, two best-selling BIPOC authors tackle this hot-button issue. In Rye, Virginia, just outside Washington, DC, people work hard, kids go to school, and football is big on Friday nights. An eighth-grade English teacher creates an assignment for her class to debate whether Rye’s mascot should stay or change. Now six middle schoolers--all with different backgrounds and beliefs--get involved in the contentious issue that already has the suburb turned upside down with everyone choosing sides and arguments getting ugly. Told from several perspectives, readers see how each student comes to new understandings about identity, tradition, and what it means to stand up for real change.

Dancing at Halftime Carol Spindel,2002-10 A topical discussion of the controversial use of American Indian mascots by college-level and professional sports teams.

Mascot Madness! Andy Griffiths,2009 Northwest Southeast Central faces Northwest West Academy in an athletic competition, but when Northwest Southeast Central's new mascot is announced, the Bananas wonder how well they will fare against Northwest West's attack dog mascot and their ex-professional wrestling coach.

Indian Spectacle Jennifer Guiliano,2015-04-02 Amid controversies surrounding the team mascot and brand of the Washington Redskins in the National Football League and the use of mascots by K-12 schools, Americans demonstrate an expanding sensitivity to the pejorative use of references to Native Americans by sports organizations at all levels. In *Indian Spectacle*, Jennifer Guiliano exposes the anxiety of American middle-class masculinity in relation to the growing commercialization of collegiate sports and the indiscriminate use of Indian identity as mascots. *Indian Spectacle* explores the ways in which white, middle-class Americans have consumed narratives of masculinity, race, and collegiate athletics through the lens of Indian-themed athletic identities, mascots, and music. Drawing on a cross-section of American institutions of higher education, Guiliano investigates the role of sports mascots in the big business of twentieth-century American college football in order to connect mascotry to expressions of community identity, individual belonging, stereotyped imagery, and cultural hegemony. Against a backdrop of the current level of the commercialization of collegiate sports—where the collective revenue of the fifteen highest grossing teams in Division I of the National Collegiate Athletic Association (NCAA) has well surpassed one billion dollars—Guiliano recounts the history of the creation and spread of mascots and university identities as something bound up in the spectacle of halftime performance, the growth of collegiate competition, the influence of mass media, and how athletes, coaches, band members, spectators,

university alumni, faculty, and administrators, artists, writers, and members of local communities all have contributed to the dissemination of ideas of Indianness that is rarely rooted in native people’s actual lives.

Smokey Thomas J. Mattingly,Earl C. Hudson,2013-02-21 The band blares “Rocky Top” and the crowd roars as the University of Tennessee football team storms out of the tunnel and onto the field through the giant “T,” their beloved mascot Smokey leading the way. The iconic Bluetick Coonhound has been part of the pageantry and tradition at the University of Tennessee since 1953, delighting fans both young and old. For this entertaining and enlightening book, UT sports historian Thomas J. Mattingly has teamed up with longtime Smokey owner Earl C. Hudson to tell the stories of the nine hounds that have been top dog on campus for more than half a century. It was the Rev. Bill Brooks, Hudson’s brother-in-law, whose prize-winning dog “Brooks’ Blue Smokey,” became the first mascot by winning a student body-led contest at a home football game in 1953. The Coonhound breed was selected because it was native to the state, and several (no one remembers exactly how many) were brought onto the field at halftime to compete. But Smokey stole the show when he threw back his head and howled. The crowd cheered, and Smokey howled again. The raucous applause and barking built to a frenzy. The enthusiastic hound won the hearts of the Volunteer faithful that day, and he and the dogs that followed have remained among the University of Tennessee’s most popular symbols ever since. The authors have interviewed Smokey’s former handlers, university archivists, sports journalists, and local historians as well as legions of longtime fans. Their recollections provide not only the background of the mascot but a history of UT athletics as well. Vol fans will enjoy reading about Smokey’s adventures throughout the years, from his kidnapping in 1955 by mischievous Kentucky students to his confrontation with the Baylor Bear at the 1957 Sugar Bowl to the time he suffered heat exhaustion at the 1991 UCLA game and was listed on the Vols’ injury report until his return later in the season. Filled with photographs and memorabilia, including vintage game programs, football schedules, letters, cartoons, and more, this book brings to life the magic of UT football and the endearing canines that have become such an indispensable part of the experience. THOMAS J. MATTINGLY is the author of Tennessee Football: The Peyton Manning Years, The University of Tennessee Football Vault: The Story of the Tennessee Volunteers, 1891-2006, The University of Tennessee All-Access Football Vault and The University of Tennessee Trivia Book. He writes about Vol history on his Knoxville News Sentinel blog, “The Vol Historian.” EARL C. HUDSON’s family have cared for the Smokeys since 1994.
