**Liquid Fire** Anthony Francis, 2015-05-22 Thank you to the powers-that-be for the opportunity to be one of the first readers captivated by Dakota Frost and her magical tats. Addictive, sassy, sexy, funny, intense, brilliant. --Bitten By Books, on Frost Moon With Blood Rock, Anthony Francis's Skindancer series becomes one of my favorites.--Book'd Out, on Blood Rock Magical tattoo artist Dakota Frost is back--fighting a fire that may burn down the world. For millennia, ancient factions of wizards have closely guarded the secrets of liquid fire--distilled from the blood of dragons and the magical key to unbelievably powerful spells. Now, Dakota's flirtation with a fireweaver while visiting San Francisco engulfs her in a magical feud. Forced to defend herself with her masterwork, a powerful dragon tattoo, Dakota becomes the target of superstitious magicians who believe she's summoned the spirit of a dragon . . . the first step in an incredibly dangerous spell that could create more liquid fire. Soon, Dakota finds herself caught in a magical battle between ageless wizards desperate to seize the rapidly dwindling supply of liquid fire and fireweaver terrorists who'll stop at nothing to keep every last drop of it for themselves. Even if that means killing Dakota. The race is on to find the truth about liquid fire, the secret behind Dakota's magic tattoos, and the message hidden in the fireweaver's secret codes--before the world goes up in flames. Filled with spectacular magic, pyrotechnic action, and kinky romance, LIQUID FIRE is the action-packed third installment in the Dakota Frost, Skindancer series. Epic Award winner Anthony Francis writes the Skindancer series while working on robots for the Search Engine Which Starts with a 'G'.

**The Complete Series to Coaching 4-6 Year Olds** Chris Hughes,2019-09-27 If you coach an under 5's or under 6's football team or you are the chairman of a club with an under 5's or under 6's team, then this book was written for you. I've worked with players aged 2-6 for the last 10 years and experienced just about everything there is to see, although no two sessions with this age group are alike. You'll see in this book I'm absolutely committed to providing children a lasting positive impact through Love, Learning & Laughing. I'm passionate about Learning — Learning makes our players happy. I truly believe in the transformative power of Laughing and feeling Loved and their ability to engage children, promote positivity and build lasting relationships that empower and inspire children.

Best Friends, Worst Enemies Michael Thompson, PhD,Cathe O'Neill-Grace,2002-07-30 With uncommon sensitivity and intelligence... [this] book offers parents a window into their kids' often tumultuous relationships with classmates. - Time Friends broaden our children's horizons, share their

joys and secrets, and accompany them on their journeys into ever wider worlds. But friends can also gossip and betray, tease and exclude. Children can cause untold suffering, not only for their peers but for parents as well. In this wise and insightful book, psychologist Michael Thompson, Ph.D., and children's book author Catherine O'Neill Grace, illuminate the crucial and often hidden role that friendship plays in the lives of children from birth through adolescence. Drawing on fascinating new research as well as their own extensive experience in schools, Thompson and Grace demonstrate that children's friendships begin early—in infancy—and run exceptionally deep in intensity and loyalty. As children grow, their friendships become more complex and layered but also more emotionally fraught, marked by both extraordinary intimacy and bewildering cruelty. As parents, we watch, and often live through vicariously, the tumult that our children experience as they encounter the “cool” crowd, shifting alliances, bullies, and disloyal best friends. *Best Friends, Worst Enemies* brings to life the drama of childhood relationships, guiding parents to a deeper understanding of the motives and meanings of social behavior. Here you will find penetrating discussions of the difference between friendship and popularity, how boys and girls deal in unique ways with intimacy and commitment, whether all kids need a best friend, why cliques form and what you can do about them. Filled with anecdotes that ring amazingly true to life, *Best Friends, Worst Enemies* probes the magic and the heartbreak that all children experience with their friends. Parents, teachers, counselors—indeed anyone who cares about children—will find this an eye-opening and wonderfully affirming book. Relevant and compelling... Parents will be wiser for reading. - The Boston Globe The stories in this book come from many perspectives - those of therapists, educators, and parents. The wise, kind authors give us a fresh and cogent analysis of this critically important issue. - Mary Pipher, Ph.D., author of *Reviving Ophelia*
