Masseur & Massage Therapist Connor Syrewicz,2014-09-02 For many high school graduates, college is a way to get ahead, but going to college is not the only way for young adults to succeed. Many people choose to enter the workforce after high school to start earning money and gaining experience right away. These motivated young workers can have rewarding jobs without ever having to earn a 4-year college degree. If you're interested in making others feel good and don't know that you want to—or can—go to college, a career in massage therapy might be for you. Young people need only a high school diploma or equivalent to start in massage, and they can eventually earn more than \$50,000 a year. In Masseurs & Massage Therapists, you'll learn how to start a career in massage therapy and what you need to succeed in the field. Find out about the prospects for massage careers in the future, how much masseurs can make each year, and whether your path to success includes a career as a masseur or massage therapist.

The Complete Massage Therapy Career Guide - The Most Comprehensive Resource for a Successful Career in Massage Therapy Neal Lyons,2013-06-06 Congratulations on deciding to become a massage therapist! This is one of the most appreciated professions because of the satisfaction you will deliver to others. Massage therapists are high in demand no matter where you live, and the need is only growing with time. More and more people are realizing the true benefits of incorporating regular massages in their routines, thus making it part of their lifestyles. Not only are you guaranteed a lucrative career as a therapist, the jobs are also abundant and only growing. Massage therapists help individuals relieve pain caused by day to day stress build-up, body tightening, injury or illness. Many people these days have incorporated regular massages in their lifestyle routines to proactively mitigate physical problems, maintain good posture and just feel better. A massage therapist's role is very important and extremely meaningful, which is why the demand for this service has continuously increased over time. It has become one of the most popular careers sought after by many today. Most practicing therapists are employed by hospitals, clinics, sports facilities and smaller private companies that are everywhere. In addition, many massage therapists work independently as either business contractors or in private homes. No matter where you live, there will always be demand for your services and thus several options near you that offer these jobs. Whether you are just now starting your career in the massage field, or want to grow your existing career, this book's goal is to help you meet your objectives. In the next few chapters you will find information about the requirements you need to become a massage therapist, information on massage therapy schools, online schooling options, jobs, salaries, career growth and more. There is an extremely high demand for massage therapists. With increased population growth, awareness, health consciousness and active lifestyles, the United States Bureau of Labor Statistics (BLS) expects massage therapist jobs to grow another 20-30% in the next couple years. Because of the growing demand for massage therapists, many are becoming more interested in this professional career. Unfortunately, most do not know what the requirements are, how to get into the field and how to thrive in a profession that is saturated with so many other therapists. Similarly, many others who are already practicing as massage therapists do not know about the options to advance their careers through either additional training, the appropriate networking opportunities, diversification, specialization and more. All the best to you and here's to your career success! Table of Contents Foreword 1. Introduction to a Career in Massage Therapy 2. Three Things You Should Know Before Becoming a Massage Therapist 3. The Massage Therapist's Handbook Michael Alicia,2011-08-19 This guide provides the beginning massage therapist with the tools to start, develop, and maintain a successful practice. After nearly two decades of teaching at the Swedish Institute and maintaining a successful practice Michael Alicia, LMT, provides a practical manual to help beginning massage therapists establish a successful practice. The Massage Therapist's Handbook navigates through the array of business decisions necessary to start a business—from what and where to practice to what to charge and when to work. It answers the basic questions of beginning a massage business. • How do you get clients? • How do you keep clients? • What do you need to be successful? • How should you advertise? • How do you stay healthy and balanced? The Massage Therapist's Handbook gives valuable advice gathered from successful therapists, explaining the everyday rigors of developing and maintaining a healthy and sustainable career in massage. “Michael Alicia has done a great job with a step-by-step book for starting a successful massage practice. Whether new to the field or a veteran, anyone wishing to improve their practice can benefit from his experience and guidelines. This text will serve as a great resource for years to come.” —Jenn Sommermann, BS, LCMT, Professor of Business and Ethics, Swedish Institute

Ethics for Massage Therapists Terrie Yardley-Nohr,2007 This text gives instructors and students a structured format for teaching and learning ethics and standards of practice for massage therapy. Discussion topics include core industry standards of practice, laws, morals, rules, and regulations. It is an ideal textbook for ethics courses in massage therapy programs and prepares students for the ethics questions on the National Certification Exam. The book guides students through the process of putting ethical standards into practice, and explains what is expected of them in a professional setting. Role-playing exercises and example scenarios prepare students for situations and dilemmas that arise in practice.

How to Make a Million Dollars As a Massage Therapist D. K. Callahan,2015-11-01 Massage therapists are millionaires waiting to happen. Each and every massage therapist has the capability of becoming a millionaire through various business opportunities. This book, How to Make a Million Dollars as a Massage Therapist depicts the opportunities available to massage therapists that compliment their core business services. This book does NOT promote MLM opportunities, rather, additional forms of social, promotional and income-generating activities that promote incredible wealth and ongoing income every single month - even while a massage therapist sleeps. This book shows you EXACTLY how to accomplish all of that, while making a million dollars in a reasonably short amount of time (1-2 years). Learn about how to start collecting email addresses on your website, branding, identifying your ideal client, advertising on a budget, ways you can advertise your site for free, how to increase traffic to your website, the millionaire formula (chapter 3) that shows all the different avenues of income available to you that you should be taking advantage of, time management and delegation so you only work a reasonable number of hours per week, word of mouth advertising, referral networks, business to business advertising, how to make money while educating other people, how to expand on your current service and product offering, staying efficient and productive, how to benefit charities while making a lot of money in the process, how to write an eBook, pay-per-click advertising and how to keep your ad costs to a minimum, secrets and tips (best practices) to using each social media channel like Pinterest and Instagram, creating the best videos for your business, app development, making a membership-only section of your website, self-care, unique selling propositions, how to sell, cross-selling and upsetting, how to get people to share your posts, how to sell to women specifically and how men choose to buy things, and much more. Learn about what you, as a massage therapist, need to do to correct your marketing plans, how you are leaving money on the table with each and every service, how you can educate others and earn thousands of dollars even if you're in a massage session or sleeping, how to promote your business without discounting services, how to drive traffic to your website without spending a fortune, and much, much more. This book focuses on diversification of income-generating opportunities, including how to be efficient, delegate and be incredibly productive. You can make money through self-care, too! Build expertise, improve your reputation dramatically, build an unbelievable following on social media, and be a creator of amazing materials and avenues of media for your clients and the world to benefit from. Pick and choose which channels of income work best for your business in the formula initially while you get other creative elements ready for sale to compliment your business!

Basic Clinical Massage Therapy James H. Clay,2008 This superbly illustrated text familiarizes students with individual muscles and muscle systems and demonstrates basic clinical massage therapy techniques. More than 550 full-color illustrations of internal structures are embedded into photographs of live models to show each muscle or muscle group, surrounding structures, surface landmarks, and the therapist's hands. Students see clearly which muscle is being worked, where it is, where it is attached, how it can be accessed manually, what problems it can cause, and how treatment techniques are performed. This edition features improved illustrations of draping and includes palpation for each muscle. An accompanying Real Bodywork DVD includes video demonstrations of massage techniques from the book.

Massage Therapy for Beginners Dr Betty Williams,2022-02-26 WHAT DO YOU UNDERSTAND BY THE WORD MASSAGE? WOULD YOU LIKE TO KNOW? Massage therapy is much more than just alleviating back, neck, or limb stress - it's also a highly developed tool used in a range of industries, including healthcare, on cruise ships, and in spas. Massage therapy itself is a growing industry. Not only are massage therapists increasing in ranks, but pay is on the rise as well. The industry has come a long way, with countless new techniques used by today's licensed massage therapists to make people feel better and improve their quality of life. As the lifestyle of people is changing, so are their needs. Earlier, people used to live carefree life but with the change in times, the hustle bustle of city life has made it difficult for the common man to lead a healthy and satisfied life. Different types of tensions revolve around man and make him totally helpless. For relieving the burden and tensions of life, people have now shifted to taking massage therapy. This therapy is a highly beneficial practice that involves the soothing and relieving of muscles and other tissues in the human body. Massage therapy is also considered to be the best tension buster and in some cases this therapy is an integral part of the CAM or the complementary and alternative medicine. The term massage therapy does not only include the different practices and techniques that are used to soothe the senses of the patient, it also covers a large number of related practices as well due to the fact that the massage therapy includes approximately 80 kinds of different therapies. The main intent behind the massage therapy is to relax the muscles and tissues of the person thereby increasing the oxygen and blood delivery to the areas where massage has been performed and in turn decrease the level of pain suffered. Massage therapy is the best medicine to life, massage can help you in so many ways you can't imagine. the benefits of massage can help for long life span, free flow of blood, relief pain, tension and aggression. Every health problem has it own massage remedy type. You don't have to wait until you have pain or some abnormalities before you go for a massage touch. Nothing else is the best healing.
