Miss Matched Hearts Maddie James,2019-01-02 As local celebrity chef Suzie Hart starts to step out of her regional fame and into the bigger world, she launches her debut

cooking show with some local flavor—a blind date matchmaking sketch with a friend that goes south quicker than geese in winter.... Becca North doesn't want a boyfriend—she is so off men. Her best friend Nora, however, makes boyfriend hunting a sport. When Nora, owner of the Harbor Falls' bookstore, Nora's Novel Niche, meets Suzie the matchmaking chef during a book signing at her store, she finagles her way into a romantic picnic blind date lunch on Suzie's new television show. Nora drags a reluctant Becca along for moral support. Thing is, Nora's blind date would rather check out Becca. Sam Ackerman understands the hazards of being childhood friends with Suzie Hart. Suzie has a way of convincing friends to do her bidding—whether they want to or not. How the landscaper gets finagled into this blind date scenario with a local book store owner is all Suzie's doings—and the fact that he is caught up in a matchmaking scheme is not lost on him. Still, Suzie is persistent and he caves—but only as a favor. He's not interested in dating right now, let alone get joined at the hip with some blind date, husband-hunting, boyfriend-seeker. He's off women. And then he spies Becca.

Handbook of Matching and Weighting Adjustments for Causal Inference José R. Zubizarreta, Elizabeth A. Stuart, Dylan S. Small, Paul R. Rosenbaum, 2023-04-11 An observational study infers the effects caused by a treatment, policy, program, intervention, or exposure in a context in which randomized experimentation is unethical or impractical. One task in an observational study is to adjust for visible pretreatment differences between the treated and control groups. Multivariate matching and weighting are two modern forms of adjustment. This handbook provides a comprehensive survey of the most recent methods of adjustment by matching, weighting, machine learning and their

combinations. Three additional chapters introduce the steps from association to causation that follow after adjustments are complete. When used alone, matching and weighting do not use outcome information, so they are part of the design of an observational study. When used in conjunction with models for the outcome, matching and weighting may enhance the robustness of model-based adjustments. The book is for researchers in medicine, economics, public health, psychology, epidemiology, public program evaluation, and statistics who examine evidence of the effects on human beings of treatments, policies or exposures.

Pathways With Purpose Sarah J. Royer,2018-08-21 When I started thinking about building a Faith-based curriculum for the early childhood classroom; my goal was to create a curriculum that would catch the interest of children 0- Kindergarten. See, I have worked in the early childhood classroom for almost two decades and while the goal is at the heart of the curriculum I have used; the interest it has sparked in our young ones is mild and dulled down, at best. How can we best instill an excitement to learn in our young ones? By making the material and manipulatives hands- on and exciting! I don't mean by reading a story and pulling out paper puppets on craft sticks, although this may be what

some children like and want to explore. What I mean is presenting values and morals in an explorative manner, in conjunction with developmentally appropriate learning standards that help engage your students in learning experiences while getting them excited! Including stories and sensory materials, story buckets, role playing with dress up materials, including a variety of mixed media to spark your student's interests is absolutely necessary. Create an environment that appeals to learners of various ages, backgrounds, and learning styles! Make your lesson times fun and interesting and your learners will gravitate back for more!

Love makes a promise Jeremy Hebel,

The Governor's Four Hearts James Earp, 2011 I continued an emotional battle with God. I pleaded with Him to allow David to live so he could be a daddy to Tatum and to take me. My life was marginal anyway. Why couldn't He let Dave live and take me? When James Earp was diagnosed with heart failure, he assumed he wouldn't have long to live. He had no idea that he would be offered a new lease on life while watching his son David's slow battle with cancer. As James struggled with his and his son's health crises, he both questioned and found comfort in his faith. In this inspirational story, James talks candidly about finding hope and healing in the midst of tragedy and learning once again how to really live. 'I remember my first discussion with Mr. And Mrs. Earp like it was yesterday. I could see in both of their eyes that Mr. Earp had so much to do in his life, So much to give, that there was no other option than to keep up the fight. This book, *And The life of the Earp family*, Is a saga of hope and love that we can all embrace and from which we all can learn.' Dan M. Meyer, M.D. The Sarah M. And Charles E. Black Hearts and Blue Devils Henry Mill Phillips,2022-07-29 A tale of six country orphans uprooted and transplanted into a dark world of soot and smoke. They have no choice but to adapt, none more successfully than big brother Abe, now a respected police sergeant in confident control of the rough streets of the Black Country in the 1880s, ready for anything the world can throw at him. Or so he believes. Because something else comes his way, something extraordinary, and not of this world, and he is certainly not ready for that. Abraham Lively's world is turned inside out, as he battles the forces aligned against him: black-hearted villains marshalled by non-human entities. He is sure that there are devils at work. He knows so because the locals have seen them. And they are blue. Blue Devils. If that was not enough to contend with, he has made an enemy of a little man who will prove to be the greatest adversary of them all: a criminal yes, but pleasant enough, as sociopaths go; but dangerous, as sociopaths also often go. And Abe, tying himself up in mental knots, with his own devils, does not appreciate that danger until it is too late. Will events conspire to destroy him? Or will he banish the darkness within himself, to return to the light, his true self, his family, his sanity? Sons and Lovers meets Ripper Street meets Dennis Wheatley - you will not want to miss this!
