Decorate Holly Becker,Joanna Copestick,2011-11-18 “[An] amazing interior design bible . . . It’s full of inspirational creative advice and really is a feast for the eyes!” —Flowerona In *Decorate*, the world’s top designers and leading decor experts including Kelly Wearstler, Amy Butler, Jonathan Adler, and many others come together to share over 1,000 professional tips, ideas, and solutions for every room and every budget. Written and compiled by Holly Becker, founder of the hugely popular design blog Decor8, and Joanna Copestick, acclaimed lifestyle writer, this intensive home décor program combines beautiful inspiration with nuts-and-bolts how-to for stunning results. More than five hundred gorgeous color photographs provide motivation while line illustrations, checklists, shortcuts, and floor plans make it easy to get started. For those looking to make the most of their home and create stylish interiors, *Decorate* is the start-to-finish resource to keep on the bookshelf for years to come. “It’s like your first pack of Starbursts—exploding with color, homes and sunshine in equal measure.” —Apartment Therapy “If you are a serial decorator like me you’re always looking for the next big idea and it’s lovely to have a compendium at your fingertips to use as a guide as well as inspiration . . . full of decorating ideas from some of today’s most interesting and creative minds. Add to that the stunning photography by Debi Treloar and you have all you need to make informed decisions and choose the look that suits your lifestyle and situation the best.” —Dear Designer’s Blog “Holly’s eye for amazing design, drool-worthy decor and everything in-between has captured the blog world’s attention.” —Bucks County Courier Times

The Seed Collectors Scarlett Thomas,2017-04-25 A complex and fiercely contemporary tale of inheritance, enlightenment, life, death, desire and family trees, *The Seed Collectors* is the most important novel yet from one of the world's most daring and brilliant writers. Great Aunt Oleander is dead. To each of her nearest and dearest she has left a seed pod. The seed pods might be deadly, but then again they might also contain the secret of enlightenment. Not that anyone has much time for enlightenment. Fleur, left behind at the crumbling Namaste House, must step into Oleander's role as guru to lost and lonely celebrities. Bryony wants to lose the weight she put on after her botanist parents disappeared, but can't stop drinking. And Charlie struggles to make sense of his life after losing the one woman he could truly love. As Henry James said of George Eliot's *Middlemarch*, *The Seed Collectors* is a treasurehouse of detail revealing all that it means to be connected, to be part of a society, to be part of the universe and to be human.

Tiles Part One Patricia Anne,2017-11-25 Imagine a world where all is unrecognizable, even yourself. All aspects of humanity are unfamiliar to the very flawed Sydney. Imagine realizing this and desperately wanting to change. *Tiles* takes you down the dark path of an imperfect mind as Sydney searches for the light in herself and the world.

Your Service Dog and You Nicola Ferguson,2023-09-07 Service dogs play an important role in society, assisting their handlers in leading independent, fulfilling lives. These amazing dogs are trained to work with a wide range of disabilities, from visual impairments to PTSD, and come from a variety of breeds and backgrounds. Some service dogs are custom bred and trained by large charities, while others are rescue dogs of indeterminate breed, trained entirely by their owners. Disability knows no bounds and can strike anyone, at any time, leaving us alone, scared and confused, with many of us wondering how feasible it would be to integrate a service dog into our lives. This is a practical guide, written from the perspective of an ordinary dog owner turned service dog trainer, following her own need for a service dog. It covers everything from service dog breeding and selection, how to acquire a service dog, basic training, and public access work, to your dog's eventual retirement. Chapters also detail the day-to-day realities of living with and loving a service dog.

Models Don't Eat Chocolate Cookies Erin Dionne,2009 Overweight thirteen-year-old Celeste begins a campaign to lose weight in order to make sure she does not win the Miss HuskeyPeach modeling challenge, in which her mother and aunt have entered her--against her wishes.

The New Design Rules Emily Henderson,Jessica Cumberbatch Anderson,2022-05-10 From the author of the New York Times bestseller *Styled*, here is Emily Henderson's masterclass on interior design. “An approachable guide for anyone who is looking for tools and resources to create a home that speaks to who they are and what they love.”—Joanna Gaines Whether you’re embarking on a weekend refresh or complete renovation, interior designer Emily Henderson wants you to take risks with your home design without experiencing regret. In this visually driven decorating bible punctuated with photographs from real homes and colorful illustrations, she takes you through her entire process, including every single decision she makes when it comes to picking paint, arranging furniture, hanging window treatments, and deciding on lighting fixtures. You'll also learn when to hire a contractor versus an architect versus a handyperson, all the materials to consider (and why you might want to skip those marble countertops), proper measurements of the elements in each room, and so much more. By the end of the book, you'll feel more confident when it comes to visualizing the home of your dreams, and you'll finally know how to make it happen.

Learn to trick out a thrift-store mirror, spice up plain old roller shades, hack your Ikea table to create three distinct looks, and so much more.

Better Homes and Gardens Decorating Book Better Homes and Gardens,2017-09-26 Take a walk down memory lane with this 1950s decorating classic, re-released for a whole new generation The year is 1956. America is a mere decade past World War II. Richard Nixon is next in command to President Dwight Eisenhower, the Dow Jones soars above 500, and Norma Jean Mortenson legally changes her name to Marilyn Monroe. Two words described the decade, as John Updike wrote in the short story “When Everyone Was Pregnant”: Fear and gratitude. And during this boom period, grateful young families thrilled to find themselves homeowners after the uncertainty of the Great Depression followed by a second Great War. Those empty rooms needed filling in order to make the house a home, and homeowners turned to the iconic Better Homes and Gardens brand. Better Homes and Gardens Decorating Book, the first edition of a title that would spawn ten editions over the years, became the new home bible for injecting class, style (and the occasional misguided cowboy wallpaper) into American homes. While exploring numerous styles, the main theme of the book is the on-trend mid-century modern sensibility, a style as appropriate today as it was six decades ago when the book was initially released. Filled with hundreds of full-color period photos, dozens of adorable illustrations, and decorating tips and tricks that are both helpful and nostalgic, the book remains a fun classic. With this welcome hardcover release, reproduced exactly as it looked and read in the 1950s, everything old is new again.

A Lovely Sunday for Creve Coeur Tennessee Williams,1980-05-17 In this masterful play, Tennessee Williams explores the meaning of loneliness and the need for human connection through the lens of four women and the designs and desires they harbor—for themselves and for each other. It is a warm June morning in the West End of St. Louis in the mid-thirties—a lovely Sunday for a picnic at Creve Coeur Lake. But Dorothea, one of Tennessee Williams’s most engaging marginally youthful, forever hopeful Southern belles, is home waiting for a phone call from the principal of the high school

where she teaches civics—the man she expects to fulfill her deferred dreams of romance and matrimony. Williams’s unerring dialogue reveals each of the four characters of A Lovely Sunday for Creve Coeur with precision and clarity: Dorothea, who does even her setting-up exercises with poignant flutters; Bodey, her German roommate, who wants to pair Dotty with her beer-drinking twin, Buddy, thereby assuring nieces, nephews, and a family for both herself and Dotty; Helena, a fellow teacher, with the eyes of a predatory bird, who would like to rescue Dotty from her vulgar, common surroundings and substitute an elegant but sterile spinster life; and Miss Gluck, a newly orphaned and distraught neighbor, whom Bodey comforts with coffee and crullers while Helena mocks them both. Focusing on one morning and one encounter of four women, Williams once again skillfully explores, with comic irony and great tenderness, the meaning of loneliness, the need for human connection, as well as the inevitable compromises one must make to get through the long run of life.

Abandoned London Katie Wignall,2021-04-14 Despite London's gleaming surface, the city has another side, one of secrets, dilapidation, and mystery. Wander through disused Underground stations; ornate Victorian sewers and waterworks; crumbling but beautiful Art Deco cinemas and empty swimming pools; bombed-out churches and eerie docklands; and ruined mansions and overgrown cemeteries, all haunting relics from a time gone by. Arranged thematically from transport and industry to residential and recreational, these entries cover both the modern city and the historical metropolis.
