**Wind Flowers** V Abdulla,2004-09-20 A classic collection of stories showcasing some of India's best-known writers After a hesitant start towards the end of the nineteenth century, short fiction in Malyalam came into its own in the 1930s. Since then, writer has experimented with content , style and language to give the genre a unique standing in contemporary Indian literature as perhaps the most translated, not just into English and other Indian languages but also into other media such as flim and televison. From Vaikom Muhammed Basheer and O.. Vijayan to Kamamla Das and Sarah Joesph, this volume brings together an extraordinary range of writers and themes. There are among others, M.T. Vasudevan Mair's ' Oppol', a story about childhood innocence and loss, which was made into award-winning flim, Paul Zacharia's 'Bhaskara Pattelar and my Life' a brilliant psychological examination of the master-slave dialectic; Lalithambika Antherjanam's path-breaking 'Goddess of Revenge' in which a young Namboodiri woman becomes a prostitute to expose the hypocrisy of her husband and their rigidly orthodox community; and N.S. Madhavan's classic story of an upper-caste widowwho finds redemption in the forbidden touch of a Pulaya. Translated with flair and integrity, these stories capture the vibrancy of a literary culture at its creative best.

**Women Writing in India: The twentieth century** Susie J. Tharu,Ke Lalita,1991 These ground-breaking collections offer 200 texts from eleven languages, never before available in English or as a collection, along with a new reading of cultural history that draws on contemporary scholarship on women and India. This extraordinary body of literature and important documentary resource illuminates the lives of Indian women through 2,600 years of change and extends the historical understanding of literature, feminism, and the making of modern India. The biographical, critical, and bibliographical headnotes in both volumes, supported by an introduction which Anita Desai describes as intellectually rigorous, challenging, and analytical, place the writers and their selections within the context of Indian culture and history.

**Praise the Lord** Sakkar\_ia,2001 In two brilliant novellas, master storyteller Paul Zacharia offers contrasting shades of life. While on the one hand he talks about the unpredictability of life and how it silently usurps a placid existence, on the other, he delves into the depths of an analytical mind that tries to rationalize the most morbid of murders of civilization. Recipient of the Sahitya Akademi Award and Katha Award for Creative Fiction, Paul Zacharia is one of the best known writers in Malayalam today.

Goat Days Benyamin, 2012-07-17 Najeeb's dearest wish is to work in the Gulf and earn enough money to send back home. He achieves his dream only to be propelled by a series of incidents, grim and absurd, into a slave-like existence herding goats in the middle of the Saudi desert. Memories of the lush, verdant landscape of his village and of his loving family haunt Najeeb whose only solace is the companionship of goats. In the end, the lonely young man contrives a hazardous scheme to escape his desert prison. Goat Days was published to acclaim in Malayalam and became a bestseller. One of the brilliant new talents of Malayalam literature, Benyamin's wry and tender telling transforms this strange and bitter comedy of Najeeb's life in the desert into a universal tale of loneliness and alienation.

*Understanding Communalism* M. Muralidharan, 1993 Articles on religion and politics in India.

*Al Arabian Novel Factory* Benyāmin, 2019 In the city, he discovers the manuscript of a secret novel called a Spring without fragrance that tells the story of the Arab Spring and its failure. But the book is a dangerous one, and anyone who reads it disappears. A literary thriller, a tribute to the power of books in the face of state repression, and a story of indelible love - This follow up to benyamin's award-winning Jasmine days is a moving and urgent novel of our times.

**The Disruptor** Debashish Mukerji, 2021-12-08 'Once you start reading, it's almost impossible to put this book down. This is not simply a biography - it is a serious work of history.' - Karan Thapar 'An admiring and admirable account of the life of a very complex public personality.' - Jairam Ramesh Vishwanath Pratap Singh, India's seventh Prime Minister, struck Indian politics with the force of a tornado. Primarily remembered for implementing the recommendations of the Mandal Commission report, which provided reservations in Central government services for the first time to the Other Backward Classes, he deserves a place in history for much more - from conducting raids on the biggest business houses of his time when he was finance minister, to investigating murky defence deals as defence minister (which cost him his job); bringing together a divided Opposition to form an unlikely coalition government at the Centre comprising the BJP and the communist parties, to spearheading the biggest airlift evacuation in Indian history - of Indians stranded in Kuwait during the first Gulf War. V.P. Singh weathered repeated crises during his eleven-month prime ministerial tenure: the rise of insurgency in Kashmir, starting with the kidnapping of his home minister's daughter by terrorists; L.K. Advani's rath yatra in support of the Ram Mandir in Ayodhya, which led to communal riots; and, above all, the backlash that followed the Mandal Commission report's implementation. Known for his integrity and honesty, V.P. Singh ended up antagonizing both the Congress and the BJP - perhaps one of the reasons he has not been given the posthumous attention he deserves. The Disruptor is a richly detailed account of his extraordinarily eventful life, told in the context of his times.
