Lori Gottlieb, New York Times bestselling author of *Maybe You Should Talk to Someone* When *Maybe You Should Talk to Someone* was released into the world, it became an instant New York Times bestseller and international phenomenon, with readers across the globe finding their truth in the powerful stories Lori Gottlieb shared from inside her therapy room. *The Need to be Liked* Roger Covin,2011-05 Almost everyone has a fundamental need to be liked by other people. It is a healthy and normal part of life. However, the need to be liked can also be associated with emotional, behavioural and even personality problems. *The Need to be Liked* is a book that explores the dark side of this human need. The author (Dr. Roger Covin) is a clinical psychologist who weaves together psychological research with his own clinical experiences in order to present a unique and original way of thinking about the need to be liked. Drawing on research and theory from various fields of psychology, Dr. Covin explains how people's experience with painful rejection shapes their way of thinking about themselves and others. Readers will learn how problems with the need to be liked can lead to depression, anxiety and other mental health concerns. Dr. Covin describes how the need to be liked expresses itself in numerous ways, ranging from subtle behaviours to aspects of one's overall personality. For example, the need to be liked can affect... ..being overly career-driven ...alcohol and drug use ...promiscuity ...one's excessive focus on appearance ...the decision to remain in an abusive relationship ...rumination about past relationships ...being overly self-critical or perfectionistic ...continually entering into relationships where you find the wrong partner ...sabotaging relationships Finally, Dr. Covin provides useful strategies and suggestions for how to manage problems with needing to be liked and dealing with rejection. *The Need to be Liked* is a fascinating and timely examination of a topic that affects the vast majority of people. Grounded in current research and theory, and articulated through Dr. Covin's experiences as a therapist, this book is a must read for those who have ever wondered - why do I need to be liked?

**This Is Marketing** Seth Godin,2018-11-13 #1 Wall Street Journal Bestseller Instant New York Times Bestseller A game-changing approach to marketing, sales, and advertising. Seth Godin has taught and inspired millions of entrepreneurs, marketers, leaders, and fans from all walks of life, via his blog, online courses, lectures, and bestselling books. He is the inventor of countless ideas that have made their way into mainstream business language, from *Permission Marketing* to *Purple Cow* to *Tribes* to *The Dip*. Now, for the first time, Godin offers the core of his marketing wisdom in one compact, accessible, timeless package. *This Is Marketing* shows you how to do work you're proud of, whether you're a tech startup founder, a small business owner, or part of a large corporation. Great marketers don't use consumers to solve their company's problem; they use marketing to solve other people's problems. Their tactics rely on empathy, connection, and emotional labor instead of attention-stealing ads and spammy email funnels. No matter what your product or service, this book will help you reframe how it's presented to the world, in order to meaningfully connect with people who want it. Seth employs his signature blend of insight, observation, and memorable examples to teach you: \* How to build trust and permission with your target market. \* The art of positioning--deciding not only who it's for, but who it's not for. \* Why the best way to achieve your goals is to help others become who they want to be. \* Why the old approaches to advertising and branding no longer work. \* The surprising role of tension in any decision to buy (or not). \* How marketing is at its core about the stories we tell ourselves about our social status. You can do work that matters for people who care. This book shows you the way.

Missy Benson has a two and a half carat diamond engagement ring with color grade H, VS2 clarity and a value of \$36,000. It's absolutely gorgeous, practically flawless, and let's be honest, really big! But what the successful Chicago realtor doesn't have anymore is a husband. After 12 years of marriage, her husband, Paul, a handsome, wealthy attorney has devastated her by breaking up their marriage for Priscilla Sommerfeld, a young, personal trainer, who according to Missy's sassy assistant, J.J., looks more like a Las Vegas stripper than a fitness expert. Not sure what to do with her ring, and with no financial issues to worry about, Missy decides to put it up for sale on Craigslist. The price: 99 cents! The catch: She gets to pick the buyer. In essence, she's looking for the perfect guy, but not for herself. Her hope is to regain faith that good men do exist, and that marriages can last forever. Now referring to herself as the divorced girl, Missy interviews dozens of young men who are vying for the huge ring. It's a contest that includes outrageous characters, hilarious and sentimental stories, and two finalists, both of whom Missy adores and who she must choose between. Then there's Parker Missoni, the sexiest contestant by far, who drives her crazy with his brutal honesty, and at the same time stops her heart with his deep brown eyes. Divorced Girl Smiling is the story of a woman's journey to do whatever it takes to heal herself from divorce. It's about acceptance, reflection, taking accountability for mistakes, and appreciating all of life's wonderful gifts. In other words, if you have the guts to put the past behind, admit your mistakes, embrace your future, and give love another chance, you will surely be a divorced girl smiling.

That's a mistake, says Daniel H. Pink (author of *To Sell Is Human: The Surprising Truth About Motivating Others*). In this provocative and persuasive new book, he asserts that the secret to high performance and satisfaction-at work, at school, and at home—is the deeply human need to direct our own lives, to learn and create new things, and to do better by ourselves and our world. Drawing on four decades of scientific research on human motivation, Pink exposes the mismatch between what science knows and what business does—and how that affects every aspect of life. He examines the three elements of true motivation—autonomy, mastery, and purpose—and offers smart and surprising techniques for putting these into action in a unique book that will change how we think and transform how we live.
