At the Time Appointed Anna Maynard Barbour,2017-09-12 Those who remember that excellent detective story, That Mainwaring Affair will expect to find plenty of mystery and exciting incidents in A. Maynard Barbour's latest novel, called At the Time Appointed, and they will realize their expectations.The author has a certain way of forecasting events and making people utter prophetic words, all bound to find their fulfillment somewhere before the last chapter is ended, that is eminently characteristic of one who delights in the knitting and raveling of the intricate plots which are a prime necessity in a detective story. The title itself cleverly suggests a long series of events slowly converging toward some mysteriously critical moment in which all their crookedness is revealed and made straight for the delectation of at least two people; and the is exactly the kind of a title for this story of long-delayed justice and patient hoping.
