Experience Your Bible Josh McDowell,Sean McDowell,2012-02-01 See it. Study it. Do it. Many Christians focus on mechanical application of the Scriptures. In Experience Your Bible, the McDowells proclaim God's original design—the Scriptures are his way to reveal himself so he can enjoy a relationship with people. The authors show how the Bible can radically transform believers' lives: Intimacy. God created humans such that an intimate relationship with him is their only route to meaningful life. His written Word enables this relationship. Relational experience. We must obey God's commands. Yet he also wants us to relationally experience things like acceptance, joy, and comfort with him and other believers. Growth in love. Josh and Sean highlight the Holy Spirit's role in illuminating the Scriptures. They present proven tools to help readers study and accurately handle the word of truth. Above all, they emphasize that study is the journey to help Christians more deeply love the author of the Bible, God himself. When Christians experience the Bible and its author, they find wisdom, meaning, and fulfillment in life. A key tool for pastors, leaders, parents, and youth workers—anyone wanting to proclaim and experience the life- and culture-changing Christianity the Bible reveals.

The Bible Will Be My Textbook Raven M. Brown,2021-06-24 Some may read the title and say “I’m not really a religious person” and feel it’s not a book they are interested in; but today, when our news feeds are inundated with fake news and propaganda to incite fear and push agenda, leaving us feeling hopeless, lost, defeated, and searching for answers, this is just what you need. I cover some of the main topics that have dominated the news, such as abortion, LGBTQ matters, increased bullying, and suicide, as well as forgiveness, parenting, relationships, and the law of the Lord and the law of the land so that you realize a choice exists that you must make. As laws and norms change, people are feeling confused and conflicted, and we see a society that has lost hope and that needs to know how to navigate through these dark times of uncertainty. If you or someone you know has ever been in a dark place, has lost hope, wavered in faith, wondered what your purpose is, wondered if God exists, sought the truth, felt alone, discouraged, has self-medicated, suffered from addiction and depression, or has contemplated suicide, divorce, an abortion, a sex change, or even getting a tattoo,

you will find answers from sound doctrine, with accompanying scriptures, and will discover the mysteries of God as they are unfolded within that will increase your faith and renew your hope in God and mankind. It is my hope, prayer, and belief that upon reading, you will be richly blessed and have a zeal for life that will lead you to a life of prayer, repentance, salvation, and a relationship with God. I hope the kingdom of God will be increased and not only lives but souls will be saved. Be strong! Be encouraged! Be blessed!

My Journey Through The Holy Bible Robert James Oliver Jr., Robert James Oliver, 2012-03 In closing this book I would like to thank a few people. First and foremost I would like to thank my family. Without them I would not be where I am today. I want to thank Celia Reeder for inspiring me to try and start memorizing bible verses in the Sunday school class she started. I want to thank Dr. Jay Strack for all his inspiring sermons he had done at NorthStar Community Church. I also want to thank Dr. Phillip Dunn for inspiring me to pick up my daily devotional book and start reading them every day again as I had put it up on my bookshelf for a while and hadn't read one until he mentioned it in a sermon. Lastly, I want to thank everyone at NorthStar Community Church for everything they have done and are doing for my family and I. God Bless all of you!

Faith to Remove Mountains Emma Garrett Allen, 2016-06-14 Faith to Remove Mountains discuss some of the teachings that my mother taught me before her illness and death from Alzheimers disease in November of 1996. My purpose for writing this book was divinely inspired. While I was compiling bible scriptures to help my mother, I realized there were many people who also needed help, so my focus shifted from serving self to serving others. My book also include scriptures that helped me through my divorce from a 20 year marriage as well.

MBI, the Story of Moody Bible Institute Gene A. Getz, James M. Vincent, 1986

Who Says So? Jim Bowden, 2018-01-08 Jims second book, Who Says So seeks to maintain the integrity of the Scripture for its readers. During his practice of ministry, many church members as well as those outside the church frequently asked questions about the inspiration and authority of scripture. Many have indicated that they have heard ministers, especially those on television, declare that God is the author of the Bible and has conveyed every word penned by its many writers. That is the basis of their understanding of inspiration; therefore, the Bible must have absolute authority communicating what to believe and how to live or put into practice ones belief. In todays electronic mindset it would be like God using a smart phone and texting messages to Matthew, Mark, Luke, and John to write concerning the teachings and practices of Jesus. In his practice of ministry Jim has helped church members and others see another perspective of inspiration and authority. In the quest to see that perspective he suggests read the scripture and let it speak for itself in reaching possible conclusions about inspiration and authority. When we allow the Bible to speak for itself in the context of the history of its development, we realize that the inspiring Spirit of God first touches the lives of its many authors and those bodies of believers who studied hundreds of manuscripts and finally favored 39 texts for the creation of the Old Testament and 27 texts for the New Testament. The spiritual presence of God also touches millions and millions of human beings as they read scripture or listen to a spoken message. In Jims book the focus of inspiration is not on the words of scripture but on the inspired storytellers central message. Also, there are many variances and some errors in many of the stories within the Bible. A storyteller is not dependent upon literary perfection to be inspired. If this were the case, we would not have the Bible today, so let the Bible speak for itself and be inspired and empowered by the spiritual presence of God and understand its message.

Messages From God's Humble Servant David W. Crump,2021-04-27 As the title states, this is the third book in the Messages series from Christian author David W. Crump. In book 3, the same theme is carried over from books 1 and 2. In this book, David again serves as God's messenger,

bringing you thoughts based on biblical scripture to help you find or renew your faith. He writes in easy-to-understand plain language using common symbols and everyday events to bring you God's messages clearly. One example is the message entitled If You Could Measure the Bible, where it says, Think of the Bible as a treadmill, no matter how many steps you take, you never reach the end. In other words, the more your eyes are opened by the Scriptures, the more you yearn to see. Another example is the message titled I Rejoice in His Choice, which says, By choosing me to be one of His Holy Messengers, God has given me an opportunity to use the gift that I freely received. He blessed me with the skillful use of words. With this gift, I glorify Him. I rejoice in His choice. In Messages from God's Humble Servant, David has written compelling messages. The seeds of which are sent to him from our Father in Heaven to help those who are searching for the road that leads back to God.

Bible Nobodies Who Became Somebodies Lance Wubbels,2011-07-28 One of the lessons gained from the staggering success of The Prayer of Jabez is that even the most obscure biblical characters and stories have profound lessons to teach God's people. The Bible is filled with many fascinating individuals who lived their lives in the shadowlands of insignificance. Tucked away here and there in the pages of sacred Scripture, we may have passed over them as irrelevant nobodies, yet many of them lived their lives in faith and obedience to God despite facing overwhelming odds. God included their stories in the Scriptures for a reason, and though we might consider them Bible nobodies, they truly were somebodies. We discover that God used people from all walks of life, not just the familiar superstars. The moments of destiny in the lives of these ordinary people will rekindle a spark of hope for that same destiny for our lives today. Fifty engaging biblical characters are set forth in Reader's Digest-length readings, and each chapter is filled with insight, inspiration, and practical application. Compiled and significantly adapted or rewritten for today's reader from the classic writings of numerous legendary Christian expositors, such as Charles Spurgeon and others, these readings provide timeless truth that is as relevant today as the day they were penned.
