The September-11 Code William Downie, 2012 This book is too religious for New Agers, too occult for Christians, too numerical for spiritual seekers, too mystical for scientific types, was written by a nobody, is addressed to everybody and makes the most outrageous series of statements ever claimed as facts. So read it anyway and have your understanding of the world blown apart. The September-11 Code is two things. Firstly, it is a chronicle of one man's dramatic spiritual awakening and the education he subsequently received from angelic tutors. Secondly, it is a concise summary of the alphanumerical code he was trained to find and the devastating revelations it contains. The code is found within the NIV Bible (2001 Edition), popular culture and two world-impacting events: the terrorist attacks of September the 11th, 2001 and the funeral of Pope John Paul II in 2005. It insists that 9/11, the first major event witnessed in real time by the entire world, was nothing less than a staged drama, depicting several biblical tableaux and containing the most electrifying news of all time. The book goes on to present further devastating revelations about Karol Jozef Wojtyla and Osama bin Laden. It ends with a message to us all from Jesus Christ.

Reorganizations Under Chapter 11 of the Bankruptcy Code Richard F. Broude, 2023-12-28 Reorganizations Under Chapter 11 of the Bankruptcy Code is the most complete and up-to-date one-volume treatment of this important business-planning tool. It contains a thorough discussion of Chapter 11 law and practice, including significant changes in: exclusivity; key employee retention plans; pre-petition severance pay; the debtor's ability to retain turnaround specialists; conversion and dismissal of cases; the obligation of creditors' committees to share information with members of the constituencies; and the way in which small business and single-asset real estate cases are conducted. This authoritative volume also brings you legal analysis and practical guidance on such subjects as: bankruptcy court jurisdiction; voluntary and involuntary petitions; creditors' committees; managing and operating the debtor and its business, including obtaining post-petition financing; treatment of secured creditors; dealing with executory contracts and unexpired leases; filing and allowance of proofs of claims and interests; the content, modification and confirmation of plans of reorganization, including a discussion of how claims may be classified; the effect of plan confirmation; and post-confirmation appeals and plan consummation. Reorganizations Under Chapter 11 of the Bankruptcy Code will keep you current on the latest statutory and regulatory developments while briefing you on the often conflicting decisions handed down by the courts
