This Day in Maine Joseph Owen,2021-08-03 Since achieving statehood in 1820, Maine has developed into a sometimes mythical vacationland of moose and lobsters and lighthouses set against breathtaking vistas and endless natural beauty. But the state's history is more real than postcards; replete with tragedy and triumph, and boasting powerful politicians, brilliant inventors, successful athletes, and talented creative professionals. Although a small state, it has often touched the world in an outsized way, from the heroics of Joshua Lawrence Chamberlain at Little Round Top during the Civil War to the inspiration and sadness of young Samantha Smith during the Cold War. Along the way, Margaret Chase Smith has inspired, Stephen King has scared, and the Ice Storm challenged. This fascinating book from Joseph Owen, a long-time newspaperman, chronicles day-by-day, from January 1 to December 31, the highlights and lowlights, the famous and infamous, and the big and small of everyday life in Maine. Perfect for history buffs, lovers of Maine, and those looking to learn more about the state during its bicentennial.

Cold Hard News Maureen Milliken,2015-05-12 The snowbanks in a small Maine town start to melt, and the town's secrets begin to emerge. Bernie O'Dea, the editor of the Peaks Weekly Watcher, is jazzed to finally have a big story to cover when a body is found in a melting snowbank. But as spring turns into a long, hot, explosive summer in Redimere, Maine, the story gets bigger - maybe too big for Bernie to handle. As secrets are revealed, the town is ripped in half and the body count rises, Bernie is forced to question her part in the town's tragic tale, a part that may cost her and others their lives.

Maine "Crinkum-Crankum" Carole Marsh,1994

Freak the News Harrison Thorp,2010-10 Chris' is a 50-something seasoned journalist who enjoys a good drink. After years away from the field, he returns to his first love, the copy desk, at a small newspaper in Maine. Shawn, a talented writer fresh out of journalism school, winds up at the same paper. He wants to hang around long enough to make a name for himself, get some clips and move on to a big-city paper. When a surgical deaths story at the local hospital is killed by newspaper executives, Chris and Shawn become suspicious and discover a scheme that involves the blackmail of

an alcoholic physician into naming a cardiac care center after the paper. Against the backdrop of a frantic, fractious and bawdy newsroom, Chris and Shawn, each at times fearful and uncertain about their commitment to the cause, find themselves driven on to a climax that exposes the bad guys and gives the paper's readers a front page they'll never forget. It is a profession proudly steeped in the virtues of truth and integrity. But what most don't realize is that those virtuous journalistic endeavors are often no more than a means to an end. The only reason to get it right on most stories is so they can successfully manipulate readers on a precious few.

Diseases in the District of Maine 1772 - 1820 Richard J. Kahn, 2020 This previously unpublished primary source allows modern readers to reimagine medicine as practiced two hundred years ago by a rural physician in New England through his case histories, correspondence, biographical sketches, and personal commentary. Throughout his fifty-year practice, beginning with a preceptorship in Hingham, Massachusetts, Jeremiah Barker documented his constant efforts to keep up with and contribute to the medical literature in a changing medical landscape, as practice and authority shifted from historical to scientific methods. He performed experiments and autopsies, became interested in the new chemistry of Lavoisier, risked scorn in his use of alkaline remedies, studied epidemic fever and approaches to bloodletting, and struggled to understand epidemic fever, childbed fever, cancer, public health, consumption, mental illness, and the dangers of spirituous liquors.--

The Life of Kings Frederic B Hill, Stephens Broening, 2023-06-14 In an age when local daily papers with formerly robust reporting are cutting sections and even closing their doors, the contributors to *The Life of Kings* celebrate the heyday of one such paper, the *Baltimore Sun*, when it set the agenda for Baltimore, was a force in Washington, and extended its reach around the globe. Contributors like David Simon, creator of HBO's *The Wire*, and renowned political cartoonist Kevin Kallaugher (better known as KAL), tell what it was like to work in what may have been the last golden age of American newspapers -- when journalism still seemed like "the life of kings" that H.L. Mencken so cheerfully remembered. The writers in this volume recall the standards that made the *Sun* and other fine independent newspapers a bulwark of civic life for so long. Their contributions affirm that the core principles they followed are no less imperative for the new forms of journalism: a strong sense of the public interest in whose name they were acting, a reverence for accuracy, and an obligation

Through My Eyes Nat Barrows, 2018-10-27 This book gathers 50 years of Nat Barrows' personal reflections on newspaper publishing, life in small towns, the natural world, family and more. As publisher and editor of Penobscot Bay Press, beginning in 1968, fostering strong communities has been Nat's main focus in his three weekly community newspapers--a strong theme running through the many published columns.
