**The Politics of Shopping** Kaela Jubas,2016-06-16 This revised version of Kaela Jubas’ award winning dissertation focuses on contemporary shopping practices, analyzing the ways concerned shoppers think about globalization, consumption, and their personal effect on the status quo. By using numerous examples from modern advertising, interviews with self-described “radical” shoppers, and selected quotes from scholars and experts, Jubas delves into questions of social justice, environmental awareness, and consumer identity -- all demonstrated by individual choices made at the checkout counter. Employing a variety of qualitative research techniques and complex and counterintuitive cultural theory, Jubas’s study will interest those in adult education, cultural studies, consumer research, and qualitative inquiry.

**One Italian Summer** Rebecca Serle,2022-03-01 INSTANT NEW YORK TIMES BESTSELLER In this “magical trip worth taking” (Associated Press), the New York Times bestselling author of In Five Years returns with a powerful novel about the transformational love between mothers and daughters set on the breathtaking Amalfi Coast. When Katy’s mother dies, she is left reeling. Carol wasn’t just Katy’s mom, but her best friend and first phone call. She had all the answers and now, when Katy needs her the most, she is gone. To make matters worse, their planned mother-daughter trip of a lifetime looms: to Positano, the magical town where Carol spent the summer right before she met Katy’s father. Katy has been waiting years for Carol to take her, and now she is faced with embarking on the adventure alone. But as soon as she steps foot on the Amalfi Coast, Katy begins to feel her mother’s spirit. Buoyed by the stunning waters, beautiful cliffsides, delightful residents, and, of course, delectable food, Katy feels herself coming back to life. And then Carol appears—in the flesh, healthy, sun-tanned, and thirty years old. Katy doesn’t understand what is happening, or how—all she can focus on is that she has somehow, impossibly, gotten her mother back. Over the course of one Italian summer, Katy gets to know Carol, not as her mother, but as the young woman before her. She is not exactly who Katy imagined she might be, however, and soon Katy must reconcile the mother who knew everything with the young woman who does not yet have a clue. “Rebecca Serle is known for her powerful stories that tug at the heartstrings—and her latest is just as unforgettable” (Woman’s World) as it effortlessly shows us how to move on after loss, and how the people we love never truly leave us.

**The Damage** Caitlin Wahrer,2022-06-14 “A rollercoaster of terror, marked by whip-fast twists and turns.”—The New York Times “Pulled me in from the first page... Put this one high on your summer list.”—Stephen King When a small-town family is pushed to the brink, how far will they go to protect one of their own? An edgy, propulsive read about what we will do in the name of love and blood Tony has always looked out for his younger brother, Nick. So when he's called to a hospital bed where Nick is lying battered and bruised after a violent sexual assault, his protective instincts flare, and a white-hot rage begins to build. As a small-town New England lawyer, Tony's wife, Julia, has cases involving kids all the time. When Detective Rice gets assigned to this one, Julia feels they're in good hands. Especially because she senses that Rice, too, understands how things can quickly get complicated. Very complicated. After all, one moment Nick was having a drink with a handsome stranger; the next, he was at the center of an investigation threatening to tear not only him, but his entire family, apart. And now his attacker, out on bail, is disputing Nick's version of what happened. As Julia tries to help her brother-in-law, she sees Tony's desire for revenge, to fix things for Nick, getting out of control. Tony is starting to scare her. And before long, she finds herself asking: does she really know what her husband is capable of? Or of what she herself is? Exploring elements of doubt, tragedy, suspense, and justice, *The Damage* is an all-consuming read that marks the explosive debut of an extraordinary new writer.
